Fluency and Disfluency Across Languages and Language Varieties Liesbeth Degand,Gaëtanelle Gilquin,Laurence Meurant,Anne Catherine Simon,2019-03-08 Fluency and disfluency are characteristic of online language production and may be signalled by markers such as filled and unfilled pauses discourse markers repeats or self repairs which can be said to reflect ongoing mechanisms of processing and monitoring The Fluency Disfluency across Languages and Language Varieties conference held at the University of Louvain in February 2017 marked the closing of a five year research project dedicated to the multimodal and contrastive investigation of fluency and disfluency in L1 and L2 English French and French Belgian sign language with a focus on variation according to language speaker and genre The closing conference was intended as an opportunity to further expand the range of languages language varieties and genres studied from the dis fluency perspective The selection of papers in this volume re ects the diversity of approaches aiming to uncover the ways in which fluency and disfluency are conceived in language production and comprehension and how they are signalled Topics include methodological challenges in cross linguistic dis fluency research the role of contextual features in professional and non professional settings and the characteristics of fluency and disfluency in second language speech Of particular importance in all contributions is the ambivalent role of pauses discourse markers repeats and other markers which can be both a symptom of encoding difficulties and a sign that the speaker is trying to help the hearer decode the message They should thus be interpreted in context to identify their contribution to fluency and or disfluency which can be viewed as two sides of the same coin

Language Hacking French Benny Lewis,2017-03-28 It s true that some people spend years studying French before they finally get around to speaking the language But here s a better idea Skip the years of study and

jump right to the speaking part Sound crazy No it s language hacking Unlike most traditional language courses that try to teach you the rules of French LanguageHacking shows you how to learn and speak French through proven memory techniques unconventional shortcuts and conversation strategies perfected by one of the world s greatest language learners Benny Lewis aka the Irish Polyglot Using the language hacks shortcuts that make learning simple that Benny mastered while learning his 11 languages and his speak from the start method you will crack the language code and exponentially increase your language abilities so that you can get fluent faster It s not magic It s not a language gene It s not something only other people can do It s about being smart with how you learn learning what s indispensable skipping what s not and using what you ve learned to have real conversations in French from day one The Method LanguageHacking takes a modern approach to language learning blending the power of online social collaboration with traditional methods It focuses on the conversations that learners need to master right away rather than presenting language in order of difficulty like most courses This means that you can have conversations immediately not after years of study Each of the 10 units culminates with a speaking mission that prepares you to use the language you ve learned to talk about yourself Through the language hacker online learner community you can share your personalized speaking missions with other learners getting and giving feedback and extending your learning beyond the pages of the book You don t need to go abroad to learn a language any more
