Proceedings of the Amish Ministers' Meetings, 1862-1878 Paton Yoder, Steven R. Estes, 1999 Between 1862 and 1878 a group of Amish ministers and lay people gathered annually to discuss differences in religious practices that had emerged within their scattered congregations Known as the Dienerversammlungen or ministers meetings these annual conferences proved to be a pivotal moment in the history of the Amish and Mennonite churches The goal of the Dienerversammlungen had been to maintain unity within the fellowship amidst the many vexing issues that threatened to divide the group By the end of the 1860s however the lines dividing the more progressive group eventually to become known as the Amish Mennonites from the more conservative group the Old Order Amish had become painfully clear Back cover The New England Historical and Genealogical Register , 1991 Beginning in 1924 Proceedings are incorporated into the Apr no
