El Descabellado Oficio De Ser Mujer:

El Descabellado Oficio de Ser Mujer Cristina Beatriz WARGON, 2018-11-18 Relatos humorísticos sobre la vida de una mujer donde nada queda afuera Los hijos los maridos los amantes los terapeutas las dietas o los porteros son pintados con humor y desparpajo Al decir de su compatriota y también humorista Gabriela Acher Cristina Wargon se mete con estos temas y esto habla a las claras de una personalidad tan descabellada que no merece menos que el más descabellado de los elogios Si además la empresa se cumple con humor nos encontramos sin duda frente a una de esas raras avis de la cultura contemporánea una humorista Este es un libro que ayuda a las mujeres a leerse a sí mismas Gloria Guerrero dirá de él Cada palabra impresa en estos memorables ensayo de lampazo y pa al es palabra escrita de pu o y letra por cada una de nosotras *El descabellado oficio de ser mujer* Cristina Wargon, 1992

Contar el cuento latinoamericano contemporáneo Estela Marta Saint-André, 2006

De mujeres, varones y otros percances Cristina Wargon, 2000-11

Humor, 1993

Praxis y representación femenina en el oficio literario Fernando Candón Ríos, 2024-12-26 En los últimos cinco años los estudios sobre la mujer y la literatura han experimentado un notable incremento de interés por parte de las administraciones públicas instituciones privadas y universidades Este renovado enfoque ha sido en parte favorecido por las numerosas subvenciones que han financiado diversas publicaciones y eventos Sin embargo el impulso económico proveniente de las convocatorias públicas ha dado lugar a la proliferación de eventos y publicaciones cuya calidad académica resulta cuestionable En este contexto el sistema universitario parece cada vez más alineado con una lógica de producción acelerada dirigida a la generación de resultados rápidos y fáciles Este enfoque tiende a equiparar en términos de valor académico trabajos elaborados de manera superficial con aquellos realizados con mayor rigor tiempo y dedicación De esta manera Praxis y representación femenina en el oficio literario surge como una propuesta que busca contrarrestar la tendencia académica actual donde lo inmediato y superficial prevalece en espacios en los que debe priorizar el rigor intelectual y el trabajo profesional
