Fine Meshwork Dan O'Brien, 2020-02-28 In a 1984 interview with longtime friend Edna O'Brien Philip Roth describes her writing as a piece of fine meshwork a net of perfectly observed sensuous details that enables you to contain all the longing and pain and remorse that surge through the fiction The phrase fine meshwork can apply not only to O'Brien's writing but also to the connective threads that bind her work to others including most illuminatingly Roth's Since the publication of their first controversial novels in the 1950s and 1960s Roth and O'Brien have always argued against the isolation of mind from body autobiography from fiction life from art and self from nation In *Fine Meshwork* Dan O'Brien investigates the shared concerns of these two authors now regarded as literary icons in their home countries He traces their fifty year literary friendship and the striking parallels in their books and reception bringing together what at first glance seem to be quite disparate milieus the largely feminist and Irish scholarship on O'Brien with Jewish and American perspectives on Roth In doing so and in considering them in a transnational context he argues that the intertwined nature of their writing symbolizes the far ranging symbiosis between Irish literature and its American

particularly Jewish American counterpart Encyclopedia of the British Short Story Andrew Maunder, 2015-04-22 Provides a comprehensive reference to short fiction from Great Britain Ireland and the British Commonwealth featuring some of the most popular writers and works *Philip Roth* Ira Bruce Nadel, 2021 In *Philip Roth A Counterlife* Ira Nadel exposes the multifaceted disposition of this major voice in American letters Roth the realist the ironist the ventriloquist the impersonator the bard In navigating the intricacies and dualities of the public and private Roth Nadel shows the complexities the contradictions and the counterlives both lived and imagined As literary sleuth Nadel has enriched the myriad possibilities for understanding this exacting and defiant writer and his work Professor Nadel's study is always very readable and compelling but its discussion of material that has never been accessed before is particularly exciting *Philip Roth A Counterlife* engages and illuminates the scenes of discontent betrayal illness and rage in Roth's own life that allow for new understandings of his work and relationships Drawing on such primary source material as interviews personal correspondence and site visits Nadel's biography penetrates the carefully composed narrative Roth presented publicly in order to present a counter Philip Roth one who is at once more sympathetic to his readers than critics realize and more dynamic than even his self creation allows Nadel seamlessly weaves his interpretations of Roth's most provocative texts into the story of Roth's own life a life shadowed by pain illness and personal injustices but also illuminated by the joys of writing ideas and friendships that will persist long after his death Book jacket **Writing Mothers and Daughters** Adalgisa Giorgio, 2002 The psychoanalytic discovery of the importance of the preoedipal mother daughter bond in the 1970s had an important impact on feminist literature This book offers a systematic study of this theme in western European fiction *The Love Object* Edna O'Brien, 2015-05-12 Collected here for the first time are stories spanning five decades of writing by the short story master Harold Bloom As John Banville writes in his introduction to *The Love Object* Edna O'Brien is simply one of the finest writers of our time The thirty one stories collected in this volume provide among other things a cumulative portrait of Ireland seen from within and without Coming of age the impact of class and familial and romantic love are the prevalent motifs along with the instinct toward escape and subsequent nostalgia for home Some of the stories are linked and some carry O'Brien's distinct sense of the comical In *A Rose in the Heart of New York* the single mindedness of love dramatically derails the relationship between a girl and her mother while in *Sister Imelda* and *The Creature* the strong ties between teacher and student and mother and son are ultimately broken *The Love Object* recounts a passionate affair between the narrator and her older lover The magnificent mid career title story from *Lantern Slides* portrays a Dublin dinner party that takes on the lives and loves of all the guests More recent stories include *Shovel Kings* a masterpiece of compression distilling the pain of a lost exiled generation *Sunday Times* and *Old Wounds* which follows the revival and demise of the friendship between two elderly cousins In 2011 Edna O'Brien's gifts were acknowledged with the most prestigious international award for the story the Frank O'Connor Short Story Award *The Love Object* illustrates a career's worth of shimmering potent prose from a writer of great courage vision and heart The
