that shaped the songs that shape our faith Their stories and lives are seldom considered or known yet their works and influence are felt almost every day somewhere in the world and have been for centuries They are the hymnists and their gift to the world for centuries and for the future are found in the beautiful words of their hymns Hymnists are the poets of the spirit the leaders of light who pull us from the dark and who help show the way back to clarity and purpose in our lives based on faith and redemption Their hymns have survived wars famines plagues the Dark Ages revolutions the rise and decline of church attendance contemporary debasement of religion and anything related to worship and many other follies and frailties of mankind The hymns survived because of dedicated hymnists and the meaningfulness of their words to a world that always faces turmoil and challenges to faith and family This book explores the lives of many of our favorite hymnists The reader will find almost 400 biographies of hymnists including their compelling stories The reader will rejoice in the hymnist s inspirational stories find redemption in their despair and heartbreak and experience reassurance in their faith The words of the hymnists help us cope with fear search for hope and find inspiration When a reader explores hymns more closely and overlays the themes of the hymns with the lives of the hymnists a pattern emerges There are numerous references to fear hope and inspiration just like in the Bible These themes are so pervasive that they need to be studied and in studying them consideration should be given to how they interconnect Consequently this book explores the impact that fear hope and inspiration have on our lives and how they are linked

Cox,2006 The New Testament may be the most influential book of all time from both a religious and a literary standpoint But while the New Testament s impact upon people s religious beliefs and practices has been analyzed and continues to be analyzed at enormous length and in intricate detail amazingly little has been written about the New Testament s impact as literature      **Women in Christian History** Carolyn DeArmond Blevins,1995 For much of Christian history the role of women in the life of the church both local and universal has been downplayed overlooked or simply denied Such a state of affairs of course also denies the testimony of the church s Scriptures regarding the key role women played in Jesus own ministry and that of the early church It denies or deliberately overlooks the significant role of women in the life of the church throughout the church s history down to and including the present day In recent years such denial of the significant place of women in Christian history of course has been addressed But nowhere is there available a more comprehensive bibliography than the present one compiled by Carolyn Blevins The reach of Blevins s bibliography is wide from the earliest church to present times across every ethnic and national boundary and throughout virtually every segment of the church Catholic and Protestant and stripes in between or beyond This is in many ways but a beginning place Yet with

the help of Blevins's good work students teachers researchers historians and all other seekers after the significant place of women in Christian history have indeed a place to make a good beginning

Resting in His Redemption James Gills, 2011 The Scriptures teach clearly that God desires to live in intimate fellowship and communion with mankind He wants us to enjoy His love peace joy and companionship and to rest in His redemption experiencing the perfect harmony and contentment and fulfillment of purpose for which He created us God's original purpose for creating mankind was simply for us to enjoy relationship with Him the kind of fellowship that the first couple Adam and Eve enjoyed in the Garden of Eden when God walked with them in the cool of the evening Gen 3:8 Then sin entered the human experience and separated all mankind from that divine fellowship But when we place our faith in Christ's sacrifice for our sin we are redeemed by the blood of Christ and justified in the sight of God But that is not the end of the matter it is only the beginning God's intention is that we be completely restored spirit soul and body to the divine rest found in His redemption He wants us to experience that mystery of intimate communion with our Creator Redeemer In this book we will discuss four important aspects of fulfilling the deepest desire of the human heart to know God personally and intimately in the way God's great loving heart intended To know the love of God that brings true heart contentment we need to walk in the understanding of these divine principles The biblical basis for all prayer is resting in His redemption The biblical basis for all Christian living is resting in His redemption The biblical basis for total forgiveness is resting in His redemption The biblical basis for divine contentment is resting in His redemption Your life can be transformed when you allow Him to make them a reality to your heart The love of God can fill your heart and make you a victorious lover of the Christ You will be ruined for any lesser temporal pleasure or love once you taste more deeply the wonders of resting in His redemption
