Composers in the Classroom James Michael Floyd, 2011-02-07 *Composers in the Classroom* is a bio bibliographical dictionary chronicling the careers and work of over 120 composers associated with conservatories colleges and universities in the United States and Puerto Rico Scholars and students of music seeking critical information about composers who have taken on the mantle of instruction will find a wealth of detail on their subjects Painstakingly obtained through direct correspondence with the composers themselves Floyd includes within each entry a short biography of the composer s life and education lists of previous positions most prominent commissions awards and honors and notable performers of the subject s work Each entry also contains a discography of the recordings and a bibliography of writings by the composer Researchers will find especially useful the organization of each subject s compositions by a variety of types These include vocal choral assembly dramatic keyboard solo instrument handbells chamber music jazz ensemble band and wind ensemble band and wind ensemble with solo instruments orchestra orchestra with solo instruments film television commercial electro acoustic and multimedia arrangements transcriptions and editions and reconstructions Music scholars will find under each work not only the title and date of composition but also the date of revision commission and dedication information as well as other pertinent details ranging from the names of collaborators to alternate titles under which works may circulate *Composers in the Classroom* is an indispensable tool to scholars of modern music seeking to research the current state of musical composition and the compositional trends of the 21st century

Arranging Gershwin Ryan Raul Bañagale, 2014 In *Arranging Gershwin* author Ryan Ba agale approaches George Gershwin s iconic piece *Rhapsody in Blue* not as a composition but as an arrangement a status it has in many ways held since its inception in 1924 yet one unconsidered until now Shifting emphasis away from the notion of the *Rhapsody* as a static work by a single composer Ba agale posits a broad vision of the piece that acknowledges the efforts of a variety of collaborators who shaped the *Rhapsody* as we know it today *Arranging Gershwin* sheds new light on familiar musicians such as Leonard Bernstein and Duke Ellington introduces lesser known figures such as Ferde Grof and Larry Adler and remaps the terrain of this emblematic piece of American music At the same time it expands on existing approaches to the study of arrangements an emerging and insightful realm of American music studies as well as challenges existing and entrenched definitions of composer and composition Based on a host of newly discovered manuscripts the book significantly alters existing historical and cultural conceptions of the *Rhapsody* With additional forays into visual media including the commercial advertising of United Airlines and Woody Allen s *Manhattan* it moreover exemplifies how arrangements have contributed not only to the iconicity of Gershwin and *Rhapsody in Blue* but also to music making in America its people their pursuits and their processes

The Penguin Companion to Classical Music Paul Griffiths, 2004-10-07 This superbly authoritative new work provides a comprehensive A Z guide to some 1000 years of Western music It explores in detail the lives and achievements of a vast range of composers as well as looking at
