Fantasy Voices Jeffrey M. Elliot, 1982-01-01 Jeffrey M Elliot interviews four writers of fantasy Manly Wade Wellman John Norman Hugh B Cave and Katherine Kurtz With an introduction by William F Nolan *The Work of Robert Reginald* Michael Burgess, 1992-01-01 A bibliography of science fiction and fantasy writer editor and publisher Robert Reginald with an introduction by William F Nolan and an Afterword by Jack Dann **Science Fiction and Fantasy Reference Index, 1878-1985: Author entries** Halbert W. Hall, 1987 *Foundation*, 1985 *Fantasy Pieces* Harald Krebs, 1999-02-25 *Fantasy Pieces* examines from several vantage points a vital life force of Robert Schumann's music namely metrical conflict Harald Krebs's imaginative yet rigorous study makes use of Schumann's fascinating projections of his own personality the characters Florestan and Eusebius as one means of addressing the biographical and aesthetic context of the music In counterpoint with the remarks of these personae Krebs develops an original theory of metrical conflict by adapting the concepts of consonance and dissonance to metrical analysis He investigates how states of metrical dissonance arise and shows how they are manipulated and resolved in the course of compositions He offers new methods for understanding the metrical progressions of entire works or movements and studies the interaction of metrical conflict with form with pitch structure and with the texts of Schumann's vocal works Krebs includes a wealth of illustrations from the whole range of Schumann's work and offers numerous insights important for performance In the final chapter he provides richly detailed studies of pieces by Schumann in various genres interspersing them with shorter discussions of music by Berlioz Chopin Clara Schumann Ives and Schoenberg This is a book that will appeal not only to students and scholars of music theory but to all musicians interested in the life work and unique personality of Robert Schumann **Work of Fiction** Christina Williams, 2024-08-20 *Work of Fiction Making a Living from Writing in the UK* explores the lived experiences of fiction writers in the UK and how they make a living Based on a substantial body of interviews with a range of fiction writers it considers the ways that writers think about and talk about writing as work and how discourses of writing operate to support or undermine them as cultural workers It argues that discourses of love luck magic and being a writer function in complex ways to position writers in enchanted and elevated spaces which both nurture their practice and undermine their status as remunerated workers in the creative sector The book shows how the positives and negatives of often precarious cultural work are played out for fiction writers It has implications for writers in the ways that they think about and talk about themselves as workers and how the publishing industry values their contributions *Writer's Market 2020* Robert Lee Brewer, 2019-11-05 *The Most Trusted Guide to Getting Published* Want to get published and paid for your writing Let *Writer's Market 2020* guide you through the process with thousands of publishing opportunities for writers including listings for book publishers consumer and trade magazines contests and awards and literary agents as well as new playwriting and screenwriting sections These listings feature contact and submission information to help writers get their work published

From Soldier to Storyteller Kathleen Broome Williams, Hal M. Friedman, 2024-10-09 Many of the best known and most popular children's stories of the 20th and early 21st century were written by veterans of World War I and World War II These include works by such writers as A A Milne C S Lewis Roald Dahl Ian Fleming and J R R Tolkien among others Although they had experienced war most of the veterans did not overtly write about it The seeming paradox of warriors who went through searing combat and then wrote books for children has not been addressed collectively before now The essays in this book explore what motivated these veterans to write for children what they wrote and how their writing was influenced by the wars they lived through It examines how their combat experience can be traced in their writing however subtly whether it was stories about a bear and his piglet companion a World War I flying ace or a flying car Their reactions to war as reflected in their writing yield important lessons about the complicated legacy of the 20th century's two great conflicts and their long lasting impact through children on society at large
