Lamb, 2022-01-04 God has a bad reputation Many think of God as wrathful and angry smiting people for no apparent reason But the story is more complicated than that Without minimizing the sometimes harsh realities of the biblical record David Lamb unpacks the complexity of the Old Testament and assembles an overall picture that gives coherence to our understanding of God in both Old and New Testaments The Aesthetics of Comics , Gary Larson and The Far Side Kerry D. Soper, 2018-07-03 Kerry D Soper reminds us of The Far Side s groundbreaking qualities and cultural significance in Gary Larson and The Far Side In the 1980s Gary Larson b 1950 shook up a staid comics page by introducing a set of aesthetic devices comedic tones and philosophical frames that challenged and delighted many readers even while upsetting and confusing others His irreverent single panels served as an alternative reality to the tame comedy of the family friendly newspaper comics page as well as the pervasive button down consumerism and conformity of the Reagan era In this first full study of Larson s art Soper follows the arc of the cartoonist s life and career describing the aesthetic and comedic qualities of his work probing the business side of his success and exploring how The Far Side brand as a whole with its iconic characters and accompanying set of comedic and philosophical frames connected with its core readers In effect Larson reinvented his medium by creatively working within pushing against and often breaking past institutional aesthetic comedic and philosophical parameters Due to the comic s great success it opened the door for additional alternative voices in comics and other popular mediums With its intentionally awkward minimalistic lines and its morbid humor The Far Side expanded Americans comedic palette and inspired up and coming cartoonists comedians and filmmakers Soper re creates the cultural climate and media landscape in which The Far Side first appeared and thrived then assesses how it impacted worldviews and shaped the comedic sensibilities of a generation of cartoonists comedy writers and everyday fans **Humour, History and Politics in Late Antiquity and the Early Middle Ages** Guy Halsall, 2002-06-13 Although the topic of humour has been dealt with for other eras early medieval humour remains largely neglected These essays go some way towards filling the gap examining how early medieval writers deliberately employed humour to make their cases The essays range from the late Roman empire through to the tenth century and from Byzantium to Anglo Saxon England The subject matter is diverse but a number of themes link them together notably the use of irony ridicule and satire as political tools Two chapters serve as an

extended introduction to the topic while the following six chapters offer varied treatments of humour and politics looking at different times and places but at the Carolingian world in particular Together they raise important and original issues about how humour was employed to articulate concepts of political power perceptions of kingship social relations and the role of particular texts Far Side Gallery 1-5 Pb S/Wx20 Th Gary Larson,1995-11-16 *The Intertextuality of Terry Pratchett's Discworld as a Major Challenge for the Translator* Aleksander Rzyman,2017-01-06 For the translator intertexts are among chief problems posed by the source text Often unmarked typographically direct or altered not necessarily well known and sometimes intersemiotic quotations and references to other writings and culture texts call for erudition and careful handling so that readers of the translation stand a chance of spotting them too For the reader the rich intertextuality of Terry Pratchett s Discworld series is among its trademark features Consequently it should not be missed in translations whose success thus depends significantly on the quality of translation of the intertexts which as is highlighted here cover a vast and varied range of types of original texts The book focuses on how to deal with Pratchett s intertexts how to track them down analyse their role predict obstacles to their effective translation and suggest translation solutions complete with a discussion of the translation of selected intertextual fragments in the Polish version wiat Dysku a concise overview of intertextual theories and an assessment of the translator s work *The Architect's Sourcebook* Stanislas Chaillou,2024-06-17 The Architect s Sourcebook provides readers with an accessible and playful space planning manual for the digital age The Sourcebook conveniently brings together general dimensions layout tips and the CAD data designers actually need to draw spaces in their software A 1000 readily downloadable CAD blocks provided by the software company Rayon are offered throughout the Sourcebook to help architects address generic typologies housing office and outdoor spaces The quality and diversity of this digital repository will become the architect s best friend to create most kinds of space layout At a time when Architecture s tool set and knowledge leaves increasingly online this book represents both a much needed update to traditional architectural handbooks and a timely complement to well known design manuals More than 1 000 CAD blocks to download for 2 D floor layout planning Design for housing office and outdoor spaces leisure and sports Introductory texts on the typologies and the use of the book **Last Chapter and Worse** Gary Larson,1997 Collection of cartoons based on the enormously popular syndicated series which ran in daily newspapers until 1995 features thirteen new cartoons along with more than 140 cartoons that have never appeared in a book form *Restoring Women's History Through Historic Preservation* Gail Lee Dubrow,Jennifer B. Goodman,2003-01-28 This essay collection draws upon work presented at three national conferences on women and historic preservation held at Bryn Mawr College in 1994 Arizona State University in 1997 and at Mount Vernon College in 2000 **Origins** Larry Boohar,2020-07-07 Origins Speak to the Earth is an anthology of scientific evidence supporting a creation global flood young earth worldview It is written primarily for students as an alternative to the theory of evolution God himself formed the earth and made it he hath established it he did not create it a
