How Far She Went Mary Hood, 2011-03-15 Mary Hood's fictional world is a world where fear anger longing sometimes worse lie just below the surface of a pleasant summer afternoon or a Sunday church service In A Country Girl for example she creates an idyllic valley where a barefoot girl sings melodies low and private as a lullaby and where you could pick up one of the little early apples from the ground and eat it right then without worrying about pesticide But something changes this summer afternoon with the arrival at a family reunion of fair and fiery Johnny Calhoun everybody's kind and nobody's kin forty in a year or so and wild in the way that made him worth the trouble he caused The title story in the collection begins with a visit to clean the graves in a country cemetery and ends with the terrifying pursuit of a young girl and her grandmother by two bikers one of whom had the invading sort of eyes the woman had spent her lifetime bolting doors against In the story Inexorable Process we see the relentless desperation of Angelina who hated many things but Sundays most of all and in Solomon's Seal the ancient anger of the mountain woman who has crowded her husband out of her life and her heart until the plants she has tended in her rage fill the half acre The madder she got the greener everything grew

Grace's Journey Edith Young, 2020-11-23 Grace's Journey follows a young couple who may have inherited a farm and the lady who helps them I wonder if Uncle Davis still owned the farm when he passed away If he did and you inherit it what are we going to do We don't know the first thing about farming Denise questioned Little did they know what lay in store for them nor what twists and turns their journey would lead them on Even though this book is fiction there is one incident that really did happen Have fun guessing which one

Work of Non-Christians, Empowerment, and the New Creation Stuart C. Weir, 2016-04-25 Have you ever considered the ultimate purposes and consequences of good work performed by non Christians Have you ever theologically considered the work of non Christians at all Is it possible that God would ever give credence to let alone honor the work of non Christians in an ultimate sense Are you frustrated by theologies of work that are entirely protological in orientation How do we make sense of biblical excerpts that talk of work being judged towards a particular outcome The Good Work of Non Christians Empowerment and the New Creation attempts to answer these questions in a manner that also challenges evangelical assumptions about the ultimate outcomes of working life Drawing strength from eschatologically minded theologies by Miroslav Volf and Darrell Cosden Weir seeks to replace protology with eschatology in a theology of work about non Christians The British evangelical tradition is specifically taken up here so as to make critical assessments of certain airtight theologies regarding human action with reference to the new creation This book attempts to create a heuristic against unhelpful hermeneutical tendencies that inform evangelical theologies This is a work that is not only theological it is biblically historically and ethically rigorous

When Everyone Left But You Eva Dabrowska, 2024-08-02 Can two broken hearts heal each other In the tranquil picturesque town of Meadow Creek life moves at a gentle pace surrounded by rolling hills whispering pines and vast fields as far as the eye can see Yet beneath this serene facade it s the calm before a perfect storm that is brewing and grumbling in the distance a storm that will not only push Grace to the edge of life and death but also into the arms of someone as special and broken as herself Grace and Luca two souls scarred by past traumas find solace and strength in each other s company Grace grappling with the scars of her troubled past and the fears of her yet uncertain future tries to find her way in the whipping gusts of life Luca dealing with the wounds of shattered relationships broken dreams and social isolation has retracted into a world where he believes nobody can hurt him anymore When fate lets their paths cross neither of them knows how much they will become the light in each other s darkness Through shared moments of vulnerability and laughter they begin to uncover the pieces of their broken hearts From the serenity of Luca s farm to the bustling streets of Ashford their journey is one of healing discovery and the budding hope that two wounded hearts can indeed find a way to heal together In a tale rich with emotional depth and intimate revelations will a love thought to be lost forever reignite Grace and Luca must confront their fears and decide if they can truly overcome the shadows of their past and regain trust in one another Can they together find the courage to let go of what was and embrace what will be
