Essays Henry David Thoreau,2021-05-11T21:19:01Z Though perhaps most famous for Walden Henry David Thoreau was also a prolific essayist Many of his essays touch on subjects similar to his famous book long walks through nature things found in moonlight that are invisible and unheard during the day his preference for wild apples over domestic ones In many ways he prefigured environmentalism expressing his love for untouched nature and lamenting what the encroachment of man and cities were doing to it He also had strong opinions on many other subjects One of his most famous essays On the Duty of Civil Disobedience was written as a result of his going to jail for refusing to pay several years worth of poll taxes One of the primary reasons for his refusal was his holding the government in contempt for its support of slavery and several of his other essays express support and admiration for John Brown who thought to start a slave revolt when he attacked Harper s Ferry in 1859 Whether discussing trees in a forest slavery or the works of Thomas Carlyle Thoreau s essays are deeply personal and full of keen observations often in poetic language They give a sense of the man expressing them as being much more than the views being expressed This book is part of the Standard Ebooks project which produces free public domain ebooks

Sign Here for Sacrifice Ian Gardner,2023-02-02 A hard hitting history of the U S airborne unit who made a name for themselves in the unforgiving jungles of South Vietnam It was easier killing than living Third Battalion 506th Airborne veteran Drawing on interviews with veterans many of whom have never gone on the record before Ian Gardner follows up his epic trilogy about the 506th Parachute Infantry Regiment in World War II with the story of the unit s reactivation at the height of the Vietnam War This is the dramatic history of a band of brothers who served together in Vietnam and who against the odds lived up to the reputation of their World War II forefathers Brigadier General Salvo Matheson s idea was to create an 800 strong battalion of airborne volunteers in the same legendary Currahee spirit that had defined the volunteers of 1942 The man he chose to lead them was John Geraci who would mold this young brotherhood into a highly cohesive and motivated force In December 1967 the battalion was sent into the Central Highlands of Lam Dong Province Geraci and his men began their Search and Destroy patrols which coincided with the North Vietnamese build up to the Tet Offensive and was a brutal introduction to the reality of a dirty bloody war Gardner reveals how it was here that the tenacious volunteers made their mark just like their predecessors had done in Normandy and the battalion was ultimately awarded a Valorous Unit Citation This book shows how and why this unit was deserving of that award recounting their daily sanguinary struggle in the face of a hostile environment and a determined enemy Through countless interviews and rare personal photographs Sign Here for Sacrifice shows the action leadership humor and bravery displayed by these airborne warriors **The hidden ordinary** Ruth Finnegan,2020-04-07 A stunning account of how things that seem just part of everyday life are in fact extraordinary once we notice them As anthropologists do when they stop to listen As poets do when they see the world in a

grain of sand When we see how things that are not normally defined as special perhaps because studied or practised by amateurs rather than specialists are often truly special How as we go through our daily round our lives are surrounded by splendour After you read this then world will never look the same Problems in Modern Mexican History William H.
