Ghostly Figures Ann Keniston,2015-10-01 From Sylvia Plath s depictions of the Holocaust as a group of noncohering bits to AIDS elegies assertions that the dead posthumously persist in ghostly form and Susan Howe s insistence that the past can be conveyed only through juxtaposed scraps the condition of being too late is one that haunts post World War II American poetry This is a poetry saturated with temporal delay partial recollection of the past and the revelation that memory itself is accessible only in obstructed and manipulated ways These postwar poems do not merely describe the condition of lateness they enact it literally and figuratively by distorting chronology boundary and syntax by referring to events indirectly and by binding the condition of lateness to the impossibility of verifying the past The speakers of these poems often indicate that they are too late by repetitively chronicling distorted events refusing closure or resolution and forging ghosts out of what once was tangible Ghostly Figures contends that this poetics of belatedness along with the way it is bound to questions of poetic making is a central if critically neglected force in postwar American poetry Discussing works by Sylvia Plath Adrienne Rich Jorie Graham Susan Howe and a group of poets responding to the AIDS epidemic Ann Keniston draws on and critically assesses trauma theory and psychoanalysis as well as earlier discussions of witness elegy lyric trope and figure postmodernism allusion and performance to define the ghosts that clearly dramatize poetics of belatedness throughout the diverse poetry of post World War II America

The Encyclopedia of Vaudeville Anthony Slide, 2012-03-12 The Encyclopedia of Vaudeville provides a unique record of what was once America's preeminent form of popular entertainment from the late 1800s through the early 1930s. It includes entries not only on the entertainers themselves but also on those who worked behind the scenes: the theatres, genres, and historical terms. Entries on individual vaudevillians include biographical information, samplings of routines, and often commentary by the performers. Many former vaudevillians were interviewed for the book, including Milton Berle, Block, and Sully. Kitty Doner, Fifi D'Orsay, Nick Lucas, Ken Murray, Fayard Nicholas, Olga Petrova, Rose Marie, Arthur Tracy, and Rudy Vallee. Where appropriate, entries also include bibliographies. The volume concludes with a guide to vaudeville resources and a general bibliography. Aside from its reference value with its more than five hundred entries, The Encyclopedia of Vaudeville discusses the careers of the famous and the forgotten. Many of the vaudevillians here, including Jack Benny, George Burns, and Gracie Allen, Jimmy Durante, W.C. Fields, Bert Lahr, and Mae West, are familiar names today thanks to their continuing careers on screen. At the same time, and given equal coverage, are forgotten acts, legendary female impersonators Bert Savoy and Jay Brennan, the vulgar Eva Tanguay with her billing as The I Don't Care Girl, male impersonator Kitty Doner, and a host of freak acts.

The Stage Year Book Lionel Carson, 1917 Vols. for 1908-10 include the section The Stage provincial guide 1950-52. The Stage guide. Other years published separately.

Punch and Shakespeare in the Victorian Era Alan R. Young, 2007 The English humour magazine *Punch*, or the London Charivari, which first appeared in 1841, quickly became something of a national institution with a large and multi-layered readership. Though comic in tone, *Punch* was deeply serious about upholding high literary and artistic standards, about dealing with serious subject matter, and about attempting to nurture its readers' appreciation of the national drama and of Shakespeare's plays in particular. The author's detailed examination of *Punch*'s constant advocacy of Shakespeare reveals telling new evidence concerning the ubiquitous presence of Shakespeare within Victorian culture. New research in the *Punch* archives and elsewhere also reveals the identities of many of the *Punch* authors and artists. The author shows how those who worked for *Punch* often subsumed their collective identities within the single persona of Mr. Punch, a fictional creation who repeatedly presents himself in both texts and graphics as a close friend and admirer of Shakespeare, a man able to remind Victorian readers constantly of the supreme literary and moral values represented by Shakespeare's works.

New York Magazine, 1993-02-22 New York Magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.
