Scottish Life and Society: Bibliography for Scottish ethnology ,2000 **The Scottish Miners, 1874-1939** Alan Campbell,2018-01-12 The Scottish miners experienced enormous changes during these sixty five years Enjoying a high degree of autonomy underground throughout the nineteenth century their work situation was transformed in the twentieth as Scotland became the most intensively mechanised of the British coalfields Grievances generated by this change led to strike rates in Scotland being up to ten and fifteen times higher than in the major English coalfields Such militancy displayed considerable geographical variation however and the translation of grievances into industrial conflict was mediated by variables rooted in the community as well as the pit A central theme of this volume is to explore the differences between the four principal mining regions in Scotland through the detailed study of ten localities within them This innovative two tiered comparison is used to analyse the competing loyalties of class gender and ethnicity to map the uneven terrain of popular protest and social disorder and to challenge traditional stereotypes of a peaceable kingdom This historical sociology of the Scottish coalfields frames the analysis of trade unionism and politics which is developed in the companion volume to this book *Scottish Ethnography* E. Condry,1983 Farm Servants and Labour in Lowland Scotland, 1770-1914 Thomas Martin Devine,1984 This collection of essays provides a history of farm service and labour in lowland Scotland from the agricultural revolution of the late 18th century to the outbreak of the First World War Her Work and His Claire Toynbee,1995 Drawing on over 100 oral histories from men and women who were children in the first three decades of the century this book explores the work done in those years by men women and children as members of families and communities It considers work done for pay and free Extracts from interviews are used to illustrate various family patterns represented and the text makes use of historical and demographic literature on family and kinship in the past in New Zealand and elsewhere A bibliography and an index are provided *Peasant Petitions* R. Houston,2014-07-02 This book examines the structures and texture of rural social relationships using one type of document found in abundance over all the four component parts of Britain and Ireland petitions from tenants to their landlords The book offers unexpected angles on many aspects of society and economy on estates in the 17th and 18th centuries Current Sociology ,1952 Vols 1 4 contain v 1 4 of International bibliography of sociology **Freedpeople in the Tobacco South** Jeffrey R.
