As New York Times bestselling author Dr. David Jeremiah reminds us, it's a biblical truth: Sex and passionate romantic love are God's ideas. Nothing rivals the beauty of the writing in the Song of Solomon, and nothing rivals the wisdom of Solomon on matters of love, romance, marriage, and sexual intimacy. Dr. Jeremiah's thoughtful interpretation of Solomon and Shulamith's relationship provides all of us, whether married or single, with valuable lessons for a better, happier, more fulfilling life and a long, loving marriage.

Studies in the Psychology of Sex VI: Sex in Relation to Society Havelock Ellis, 2016-08-25 The origin of these Studies dates from many years back. As a youth, I was faced, as others are by the problem of sex. Living partly in an Australian city where the ways of life were plainly seen, partly in the solitude of the bush, I was free both to contemplate and to meditate many things. A resolve slowly grew up within me: one main part of my life work should be to make clear the problems of sex. That was more than twenty years ago. Since then, I can honestly say that in all that I have done, that resolve has never been very far from my thoughts. I have always been slowly working up to this central problem, and in a book published some three years ago, *Man and Woman: A Study of Human Secondary Sexual Characters*, I put forward what was in my own eyes an introduction to the study of the primary questions of sexual psychology. Now that I have at length reached the time for beginning to publish my results, these results scarcely seem to me large. As a youth, I had hoped to settle problems for those who came after; now I am quietly content if I do little more than state them. For even that I now think is much; it is at least the half of knowledge. In this particular field, the

evil of ignorance is magnified by our efforts to suppress that which never can be suppressed though in the effort of suppression it may become perverted I have at least tried to find out what are the facts among normal people as well as among abnormal people for while it seems to me that the physician's training is necessary in order to ascertain the facts the physician for the most part only obtains the abnormal facts which alone bring little light I have tried to get at the facts and having got at the facts to look them simply and squarely in the face If I cannot perhaps turn the lock myself I bring the key which can alone in the end rightly open the door the key of sincerity That is my one panacea sincerity *Sex, Marriage, and Family in World Religions* Don S. Browning, M. Christian.
