Fascism in Action, 2012-09 This 1947 report was prepared at the instance and under the direction of Representative Wright Patman 1893 1976 of Texas by the Legislative Reference Service of the Library of Congress In 1932 Patman introduced a bill that would have mandated the immediate payment of the bonus to World War I veterans During the consideration of this bill the Bonus Army came to Washington Patman was also a supporter of the New Deal legislation The Patman Committee followed the money playing an important role in the early days of the Watergate scandal by investigating the hundred dollar bills found on the Watergate plumbers suspecting these could be directly linked to CREEP the Committee to Re Elect the President Printing of "Fascism in Action." Griffith United States. Congress. House, 1947 *French Royalism Since 1870* Samuel M. Osgood, 2013-11-21 Let them come forward they are thirsty for the sight of a King said Henri IV to his followers who were trying to push back the curious crowds as he entered Paris in February 1594 It is perhaps to be regretted that seven kings to say nothing of two emperors have since more than quenched the French s taste for royalty because they have long been in need of and periodically have sought a symbol of national unity Modern day France has had far more than her share of revolutions counterrevolutions uprisings days coups affairs crises scandals and constitution drafting While it would be an over simplification to interpret this endemic strife as a seesaw conflict between two well integrated blocs with the ideology of the Great Revolution as the dividing issue the fact remains that since 1789 political divisions and quarrels among Frenchmen have been deep bitter and fundamental After 1870 a Republic may have been the one solution which divided Frenchmen the least to borrow an expression from Monsieur Thiers but like any and all of the preceding alternatives it was to incur the relentless irreconcilable opposition of important segments of the population This study deals with those individuals and organizations which continued to advocate and sought to bring about a return to the monarchy under the Third and Fourth Republics **Fascism in Action** Library of Congress. Legislative Reference Service, 1947 **Three Faces of Fascism** Ernst Nolte, 1965 Extensive study by a historian World Fascism Cyprian Blamires, 2006-09-18 This book shows how during the 20th century evils such as totalitarianism tyranny war and genocide became indelibly linked to the fascist cause and examines the enduring and popular appeal of an ideology that has counted princes poets and war heroes among its most fervent adherents From the followers of Hajj Amin Al Hussein the Arab leader who met with Adolf Hitler in November 1942 to the murderous death squads of the Croatian Ustasha to certain members of the British Establishment fascism s heady brew of extreme nationalism and revolutionary violence has attracted followers from across

all religions races and classes Now widely reviled fascism became an immensely powerful political force in Western Europe throughout the 1930s and into the 1940s How did civilized nations like Italy Germany Austria and others succumb to an ideology now regarded by the political mainstream as barbarous and beyond the pale World Fascism A Historical Encyclopedia covers all the key personalities and movements throughout the history of fascism and brings to light some of the ideology's lesser known aspects from Hindu extremists in India to the influential role of certain women in fascist movements How did an ideology which was openly boastful of its belief in violence come to seduce the elites of some of the most civilized nations on earth What can explain fascism's enduring appeal **The Ax Within: Italian Fascism in Action**

intimate knowledge of the Parisian intellectual world and its little secrets on which he draws to overturn certain myths attaching to the figure of the intellectual that France prides itself on having invented Mixing reminiscence and analysis he revisits a history that from the Dreyfus Affair through to Charlie Hebdo seems to him that of a long decline As a long time admirer of Zola Sartre and Camus Sand is staggered to see what the French intellectual has become today in such characters as Michel Houellebecq Eric Zemmour and Alain Finkielkraut In a work that gives no quarter and focuses particularly on the Judeophobia and Islamophobia of the elites he casts on the French intellectual scene a gaze that is both disabused and mordant
