Fashion Power Guilt And The Charity Of Families:

Fashion, Power, Guilt and the Charity of Families Carol Shields, Catherine Shields, 1995 Poignant and comic insights The Globe and Mail Pulitzer Prize winning author and playwright Carol Shields collaborates with her daughter Catherine Shields to explore the social and private worlds of the modern family in this funny poignant and gently challenging play **Thirteen Hands And Other Plays** Carol Shields, 2010-06-04 With a Foreword by the Author Before becoming a playwright I was a novelist and one who was often impatient with the requisite description of weather or scenery or even with the business of moving people from room to room I was more interested in the sound of people talking to each other reacting to each other or leaving silences for others to fall into Carol Shields From one of Canada's most beloved authors comes a collection of four works written for the stage including her most popular and highly acclaimed play *Thirteen Hands* The theatrical form allows Carol Shields strength as a master of dialogue to shine at its brightest as she returns to themes she explores in her prose love family friendship and the hidden meanings and larger truths found beneath the surface of the minutiae of daily life *Thirteen Hands and Other Plays* is an exhilarating introduction to Shields considerable achievements as a playwright *Departures and Arrivals* 1990 dramatizes how lives are heightened and enlarged when taken within the frame of public spaces airports train stations public streets so that we all become in a sense actors *Thirteen Hands* 1993 a musical valorizes a consistently overlooked group in our society the blue rinse set also known as the white glove brigade or the bridge club biddies and has had the strongest professional run of all Shields plays *Fashion Power Guilt and the Charity of Families* 1995 written with her daughter Catherine Shields interrogates the ambivalence felt towards families the drive we all share to find or create some kind of family and the equally strong desire to escape the family's fury *Anniversary* 1998 written with Dave Williamson is a domestic drama of discontented middle class suburbanites One couple in the play are married and pretending to be close to separation Another couple who are separated are pretending to be married The additional irony is that the separated couple are still emotionally together while the married couple have already emotionally separated **The Canadian Short Story** John Metcalf, 2018-09-25 No other person has done more to celebrate and encourage the short story in Canada than John Metcalf For more than five decades he has worked tirelessly as editor anthologist writer critic and teacher to help shape our understanding of the form and what it can do The long time editor of the yearly *Best Canadian Stories* anthology as well as a fiction editor at some of the pre eminent literary presses in the country for more than forty years he has worked to support and champion several generations of our best writers Literature in Canada would be far less without his efforts Sifting through a lifetime of reading writing and thinking about the short story in this country and where it fits within the larger currents of world literature Metcalf's magisterial *The Canadian Short Story* offers the most authoritative book on the subject to date Most importantly it includes an expanded and reconsidered *Century List* Metcalf's critical guide to the best Canadian short story collections of the last 100 years But more than a critical book *The Canadian*

Short Story is a love letter to the form a passionate defense of the best of our literature and a championing of those books and writers most often overlooked. It is a guide not only to what to read but also one of its author's most fervent desire which aims to make better readers of us all.

The Collected Stories of Carol Shields Carol Shields, 2010-07-23 Carol Shields the Pulitzer Prize winner author of the novels *Unless* *The Stone Diaries* and *Larry's Party* was also a renowned short story writer. Now readers can enjoy all three of Carol Shields's short story collections *Various Miracles* *The Orange Fish* and *Dressing Up for the Carnival* in one volume along with the previously unpublished story *Segue* her last. With an eye for the smallest of telling details a woman applying her lipstick so the shape of pale raspberry fits perfectly the face she knows by heart and a willingness to explore the most fundamental relationships and the wildest of coincidences Shields illuminates the absurdities and miracles that grace all our lives. From a couple who experiences a world without weather to the gentle humor of an elderly widow mowing her lawn while looking back on a life of passion to a young woman abandoned by love and clinging to a slender handrail of hope Shields's enormous sympathy for her characters permeates her fiction. Playful charming acutely observed and generous of spirit this collection of stories will delight and enchant Carol Shields fans everywhere.

Excerpt from *The Collected Stories of Carol Shields* Let me say it I am an aging woman of despairing good cheer just look into the imaginary camera lens and watch me as I make the Sunday morning transaction over the bread then the flowers my straw tote from our recent holiday in Jamaica my smile my upturned sixty seven year old voice a voice so crying out and clad with familiarity that in fact I can't hear it anymore myself thank God my ears are blocked. Lately everything to do with my essence has become transparent neutral. Good morning Jane Sexton smiles to one and all such a friendly down to earth woman. What a perfect fall day. What glorious blooms. Why Mr Henning this bread is still warm. Can this be true.

The Worlds of Carol Shields David Staines, 2014-12-02 Carol was a very fine writer and a remarkable human being a wonderful person whose work I closely followed for more than 20 years. I interviewed her frequently over those years with virtually every work she produced novel radio drama play book of stories. So I had a good sense of the span of her work and also her evolution as a stylist. But the key reason I wanted to make a book focusing on her life and work is that we were friends. Eleanor Wachtel. This book strikes the right balance between intimate accounts and literary analysis. It opens with reminiscences by close friend Eleanor Wachtel which are followed by a study of Shields' poetry by her daughter and grandson then by various aspects of her fiction including a detailed examination of her plays. It closes with reminiscences by four close friends Jane Urquhart Joan Clark Wayson Choy and Martin Levin. The 23 contributors offer new insights new theories and new perspectives about Shields' illuminating career. Only one piece her obituary written by Margaret Atwood has been previously published.

Carol Shields, Narrative Hunger, and the Possibilities of Fiction Ted Farrell, 2003-01-01 Award winning Canadian writer Carol Shields has garnered praise from scholars and an international audience of readers. Inspired by the quality and scope of Shields's work *Carol Shields Narrative Hunger and the Possibilities of Fiction* addresses

her creative exploration of postmodernism As the first thorough examination of the Pulitzer Prize winning author this collection of essays establishes the groundwork for future studies of her oeuvre The collection begins with a significant new essay from Shields herself Narrative Hunger and the Overflowing Cupboard perhaps her most substantial commentary upon her own aims as a writer In addition scholars from Canada England the United States and Australia explore the complexity of Shields s work and her contributions to the genre of the novel These lively essays reflect Shields s verve and her playful approach to today s sophisticated critical thinking Among the topics are Shields s use of biography and autobiography metafiction popular romance and symbolism While the essays foreground the unreliability of language and hence our inability to know one another or even ourselves the contributors argue that Shields has taken a step beyond postmodernism by suggesting that we can transcend the limitations of its epistemology Containing several essays on Swann and The Stone Diaries Shields s most popular works and the most extensive annotated bibliography available of works by and about Shields this collection will appeal widely to scholars students and readers of Carol Shields and Canadian fiction **Larry's Party**

Carol Shields,2011-10-05 The Stone Diaries marked a new phase in a literary career already ablaze with achievement As well as the many international awards it received including the Pulitzer Prize the National Book Critics Circle Award and the Governor General s Award the book also met with universal critical acclaim and topped bestseller lists around the world Carol Shields raved Maclean s has crafted a small miracle of a novel The Stone Diaries said the New York Times Book Review reminds us again why literature matters The San Diego Tribune called The Stone Diaries a universal study of what makes women tick Now in Larry s Party Carol Shields does the same for men Larry Weller born in 1950 is an ordinary guy made extraordinary by his creator s perception irony and tenderness Larry s Party gives us as it were a CAT scan of his life in episodes between 1977 and 1997 that flash backward and forward seamlessly As Larry journeys toward the new millennium adapting to society s changing expectations of men Shields elegant prose transforms the trivial into the momentous We follow this young floral designer through two marriages and divorces his interactions with parents friends and a son And throughout we witness his deepening passion for garden mazes so like life with their teasing treachery and promise of reward Among all the paradoxes and accidents of his existence Larry moves through the spontaneity of the seventies the blind enchantment of the eighties and the lean mean nineties completing at last his quiet stubborn search for self Larry s odyssey mirrors the male condition at the end of our century with targeted wit unerring poignancy and faultless wisdom

The Republic of Love Carol Shields,2022-03-15 With a viewpoint that shifts as crisply as cards in the hands of a blackjack dealer Carol Shields introduces us to two shell shocked veterans of the wars of the heart There s Fay a folklorist whose passion for mermaids has kept her from focusing on any one man And right across the street there s Tom a popular radio talk show host who has focused a little too intently having married and divorced three times Can Fay believe in lasting love with such a man Will romantic love conquer all rational expectations Only Carol Shields could describe so adroitly this

Happenstance Carol Shields, 2022-03-15 These two unique novels tell the stories of Jack and Brenda Bowman during a rare weekend apart in their many years of marriage Jack is at home coping with domestic crises and two uncouth adolescents while immobilized by self-doubt and questioning his worth as a historian Brenda travelling alone for the first time is in a strange city grappling with an array of emotions and toying with the idea of an affair Intimate and insightful yet never sentimental *Happenstance* is a profound portrait of a marriage and the differences between the sexes that bring life and a sense of isolation into even the most loving of relationships

Unless Carol Shields, 2010-10-08 Unless you're lucky unless you're healthy fertile unless you're loved and fed unless you're offered what others are offered you go down in the darkness down to despair Reta Winters has many reasons to be happy Her three almost grown daughters Her twenty-year relationship with their father Her work translating the larger-than-life French intellectual and feminist Danielle Westerman Her modest success with a novel of her own and the clamour of her American publisher for a sequel Then in the spring of her forty-fourth year all the quiet satisfactions of her well-lived life disappear in a moment her eldest daughter Norah suddenly runs from the family and ends up mute and begging on a Toronto street corner with a hand-lettered sign reading GOODNESS around her neck GOODNESS With the inconceivable loss of her daughter like a lump in her throat Reta tackles the mystery of this message What in this world has broken Norah and what could bring her back to the provisional safety of home Reta's wit is the weapon she most often brandishes as she kicks against the pricks that have brought her daughter down Carol Shields brings us Reta's voice in all its poignancy outrage and droll humour Piercing and sad astute and evocative full of tenderness and laughter Unless will stand with *The Stone Diaries* in the canon of Carol Shields's fiction

Gabriel Garc a M rquez Kenzaburo Oe Marcel Proust Leo Tolstoy Emile Zola and more *Liminal Spaces* Alex
Ramon,2009-10-02 This book offers a comprehensive reassessment of the work of Carol Shields Arguing against enduring
conceptions of Shields s fiction as celebratory domestic miniaturism the study presents her work as more expansive and
equivocal than has sometimes been recognised reading her texts as liminal spaces situated on a series of formal and thematic
borders Close attention is paid to Shields s stylistic experimentation to her subversions of auto biography and historiography
and to the significance of her critical writing while works which have previously received very little analysis such as her early
poetry collections are also examined Intertextual links between Shields s work and that of a range of other writers including
Phillip Larkin Iris Murdoch Alice Munro and Margaret Atwood are identified and explored and the study also draws
extensively on manuscript materials which give an insight into Shields s working methods and extend debate about her
experiments with narrative perspective and genre mixing
