Fast Track Texans And Other Strivers:

Redemption Nicholas Lemann, 2007-08-21 A century after Appomattox the civil rights movement won full citizenship for black Americans in the South It should not have been necessary by 1870 those rights were set in the Constitution This is the story of the terrorist campaign that took them away Nicholas Lemann opens his extraordinary new book with a riveting account of the horrific events of Easter 1873 in Colfax Louisiana where a white militia of Confederate veterans turned vigilantes attacked the black community there and massacred hundreds of people in a gruesome killing spree This was the start of an insurgency that changed the course of American history for the next few years white Southern Democrats waged a campaign of political terrorism aiming to overturn the Fourteenth and Fifteenth Amendments and challenge President Grant's support for the emergent structures of black political power The remorseless strategy of well-financed White Line organizations was to create chaos and keep blacks from voting out of fear for their lives and livelihoods Redemption is the first book to describe in uncompromising detail this organized racial violence which reached its apogee in Mississippi in 1875 Lemann bases his devastating account on a wealth of military records congressional investigations memoirs press reports and the invaluable papers of Adelbert Ames the war hero from Maine who was Mississippi's governor at the time When Ames pleaded with Grant for federal troops who could thwart the white terrorists violently disrupting Republican political activities Grant wavered and the result was a bloody corrupt election in which Mississippi was redeemed that is returned to white control Redemption makes clear that this is what led to the death of Reconstruction and of the rights encoded in the Fourteenth and Fifteenth Amendments We are still living with the consequences **The Booklover's Guide to New**

Orleans Susan Larson, 2013-09-05 The literary tradition of New Orleans spans centuries and touches every genre its living heritage winds through storied neighborhoods and is celebrated at numerous festivals across the city For booklovers a visit to the Big Easy isn't complete without whiling away the hours in an antiquarian bookstore in the French Quarter or stepping out on a literary walking tour Perhaps only among the oak-lined avenues Creole town houses and famed hotels of New Orleans can the lust of A Streetcar Named Desire the zaniness of A Confederacy of Dunces the chill of Interview with the Vampire and the heartbreak of Walker Percy's Moviegoer begin to resonate Susan Larson's revised and updated edition of The Booklover's Guide to New Orleans not only explores the legacy of Tennessee Williams and William Faulkner but also visits the haunts of celebrated writers of today including Anne Rice and James Lee Burke This definitive guide provides a key to the books authors festivals stores and famed addresses that make the Crescent City a literary destination Anne Tyler

Robert W. Croft, 1995-02-22 Anne Tyler is one of America's most significant contemporary writers This book is a solid introduction to her life and work It includes the first biography of Tyler along with a record of her writings and the response to her work It incorporates source materials from the Anne Tyler Papers at Duke University and letters from Tyler to the author The volume lists all of Tyler's novels short stories articles and book reviews and provides an annotated bibliography of

critical studies The first half of the book is a biography of Tyler The author describes her childhood in a North Carolina commune her high school years in Raleigh her college years at Duke and her earliest writing efforts The biography charts the development of her life and career through her marriage motherhood early novels and stories her life in Baltimore and career as a book reviewer her rise to fame and the themes of her major works The bibliography that follows lists her novels short stories nonfiction articles and essays poetry children s books book reviews and the manuscripts in her papers at Duke University along with an annotated secondary bibliography

The Publishers' Trade List Annual ,1985 **The New Republic** Herbert David Croly,1981 American Bookseller ,1981 The Publishers Weekly ,1981 **The Cumulative Book Index** ,1981 A world list of books in the English language **World Authors, 1995-2000** Mari Rich,Olivia J. Smith,Clifford Thompson,2003 Representing a broad range of ethnic diversity these in depth profiles present fascinating accounts of lives and careers the circumstances under which works were produced and their literary significance Each profile also includes critical evaluation a list of the author s principal works with date first published a list of major critical works and a portrait or photograph where available **WJR.** ,1981 The Writer's Directory, 1998-2000 Miranda H. Ferrara,1995 Information on more than 17 500 living authors from English speaking countries *Book Review Digest* ,1981
