Eipsg Postwar Bosnia:

Post-War Bosnia F. Bieber, 2005-12-16 Ten years after the end of the war in Bosnia ethnicity continues to matter and the country remains dependent on international intervention The Dayton Peace Accord signed in 1995 successfully ended the war but froze the ethnic conflict in one of the most complex systems of government in the world The book provides an in depth analysis of governance in this divided post war country providing important lessons for international intervention elsewhere around the world from Afghanistan to Iraq

Transnational Returns and Reconstruction in Post-war Bosnia-Herzegovina Marita Eastmond, 2022 **Socioeconomic Justice** Daniela Lai, 2020 Does socioeconomic justice belong within transitional justice This book examines experiences of socioeconomic violence during war that give rise to strong but unheeded justice claims in its aftermath It redefines socioeconomic justice as the redress of violence rooted in the political economy of conflict and transitional justice as a social practice that belongs among grassroots activists as much as in courtrooms and truth commissions It also examines the role of international actors that rely on too narrow and legalistic approaches to transitional justice while also promoting economic reforms that hinder the emergence and pursuit of socioeconomic justice claims by conflict affected communities The book draws on a unique set of in depth interviews with Bosnian communities international officials and grassroots activists to provide new theoretical and empirical insights on the link between justice and political economy on international interventions and on Bosnia's post war and post socialist transformation

Healing and Peacebuilding after War Julianne Funk, Nancy Good, Marie E. Berry, 2020-05-27 This book brings together multiple perspectives to examine the strengths and limitations of efforts to promote healing and peacebuilding after war focusing on the aftermath of the traumatic armed conflict in Bosnia and Herzegovina This book begins with a simple premise trauma that is not transformed is transferred Drawing on multidisciplinary insights from academics peace practitioners and trauma experts this book examines the limitations of our current strategies for promoting healing and peacebuilding after war while offering inroads into best practices to prevent future violence through psychosocial trauma recovery and the healing of memories The contributions create a conversation that allows readers to critically rethink the deeper roots and mechanisms of trauma created by the war Collectively the authors provide strategic recommendations to policymakers peace practitioners donors and international organizations engaged in work in Bosnia and Herzegovina strategies that can be applied to other countries rebuilding after war This volume will be of much interest to students of conflict resolution peacebuilding social psychology Balkan politics and International Relations in general

The War in Bosnia-Herzegovina Steven L. Burg, Paul S. Shoup, 1999-01-13 This is a probing examination of the historical cultural and political dimensions of the crisis in Bosnia and the international efforts to resolve it It provides a detailed analysis of international proposals to end the fighting from the Vance Owen plan to the Dayton accord with special attention to the national and international politics that shaped them It analyzes the motivations and actions of the warring parties

neighboring states and international actors including the United States the United Nations the European powers and others involved in the war and the diplomacy surrounding it With guides to sources and documentation abundant tabular data and over thirty maps this will be the definitive volume on the most vexing conflict of the post Soviet period One reviewer commented Superb There is nothing like it Extraordinarily knowledgeable and well documented It has depth it s insightful and it s intelligent The analysis is brilliant it captures the goals and motives of the parties as well as their priorities It will get lots of attention

The New Bosnian Mosaic Xavier Bougarel,Elissa Helms,Gerlachlus Duijzings,2007 Since the violent events of the Bosnian war and the revelations of ethnic cleansing that shocked the world in the early 1990s Bosnia has become a metaphor for the new ethnic nationalisms for the transformation of warfare in the post Cold War era and for new forms of peacekeeping and state building This book is unique in offering a re examination of the Bosnian case with a bottom up perspective It gathers together cultural anthropologists and other social scientists to consider the specificities of the Bosnian case However the book also raises broader questions what are the consequences of internecine violence and how should societies attempt to overcome them Are the uncertainties and the transformations of Bosnian post war society due entirely to the war or are they related to wider processes encompassing post communist Europe as a whole And are the difficulties experienced by international state building operations mainly due to distinctive features of the local societies or are they due to the policies promoted by the international community itself

Peace without Politics? Ten Years of State-Building in Bosnia David Chandler,2013-09-13 Ten years on from the signing of the Dayton Peace Agreement in November 1995 the legacy of the Bosnian war still shapes every aspect of the political social and economic environment of the tiny state This state of affairs is highlighted by the fact that Bosnia is still under international control with the Office of the International High Representative regularly using its powers to dismiss elected presidents prime ministers and MPs and to impose legislation over the resistance of elected legislatures at national regional and local level What has changed in the ten years since Dayton Is international regulation helping to establish a sustainable peace in Bosnia What lessons can be learned for nation building in Bosnia This volume was previously published as a special issue of the leading journal *International Peacekeeping*

Religion and Justice in the War Over Bosnia G. Scott Davis,2014-02-04 This volume brings together a distinguished group of thinkers working in ethics religion and history to explore moral and religious issues that underlie the violence in Bosnia This volume brings together a distinguished group of thinkers to explore the moral and religious issues that underlie the violence and atrocities in Bosnia From diverse academic and philosophical perspectives the works of Jean Bethke Elshtain James Turner Johnson Michael Sells John Kelsay and G Scott Davis will inform not just scholars of ethics politics and religion but everyone concerned with the prospects for justice in the post Cold War world

Surviving the Peace Peter Lippman,2019-11-15 Surviving the Peace is a monumental feat of

ground level reporting describing two decades of postwar life in Bosnia specifically among those fighting for refugee rights of return Unique in its breadth and profoundly humanitarian in its focus *Surviving the Peace* situates digestible explanations of the region's bewilderingly complex recent history among interviews conversations and tableaux from the lives of everyday Bosnians attempting to make sense of what passes for normal in a postwar society Essential reading for students of the former Yugoslavia and anyone interested in postwar or post genocide studies *Surviving the Peace* is an instant classic of long form reporting an impossible accomplishment without a lifetime of dedication to a place and people Peter Lippman's website is <http://survivingthepeace.org>

Bosnia and the Destruction of Cultural Heritage Dr Helen Walasek, 2015-04-28 The massive intentional destruction of cultural heritage during the 1992-1995 Bosnian War targeting a historically diverse identity provoked global condemnation and became a seminal marker in the discourse on cultural heritage It prompted an urgent reassessment of how cultural property could be protected in times of conflict and led to a more definitive recognition in international humanitarian law that destruction of a people's cultural heritage is an aspect of genocide Yet surprisingly little has been published on the subject This wide ranging book provides the first comprehensive overview and critical analysis of the destruction of Bosnia Herzegovina's cultural heritage and its far reaching impact Scrutinizing the responses of the international community during the war including bodies like UNESCO and the Council of Europe the volume also analyses how after the conflict ended external agendas impinged on heritage reconstruction to the detriment of the broader peace process and refugee return It assesses implementation of Annex 8 of the Dayton Peace Agreement a unique attempt to address the devastation to Bosnia's cultural heritage and examines the treatment of war crimes involving cultural property at the International Criminal Tribunal for the former Yugoslavia ICTY With numerous case studies and plentiful illustrations this important volume considers questions which have moved to the foreground with the inclusion of cultural heritage preservation in discussions of the right to culture in human rights discourse and as a vital element of post conflict and development aid

Innocence and Victimhood Elissa Helms, 2013-12-15 The 1992-95 war in Bosnia Herzegovina following the dissolution of socialist Yugoslavia became notorious for ethnic cleansing and mass rapes targeting the Bosniac Bosnian Muslim population Postwar social and political processes have continued to be dominated by competing nationalisms representing Bosniacs Serbs and Croats as well as those supporting a multiethnic Bosnian state in which narratives of victimhood take center stage often in gendered form Elissa Helms shows that in the aftermath of the war initiatives by and for Bosnian women perpetuated and complicated dominant images of women as victims and peacemakers in a conflict and political system led by men In a sober corrective to such accounts she offers a critical look at the politics of women's activism and gendered nationalism in a postwar and postsocialist society Drawing on ethnographic research spanning fifteen years *Innocence and Victimhood* demonstrates how women's activists and NGOs responded to challenged and often reinforced essentialist images in affirmative ways utilizing the moral purity associated with the position of victimhood to bolster social

claims shape political visions pursue foreign funding and wage campaigns for postwar justice Deeply sensitive to the suffering at the heart of Bosnian women s and men s wartime experiences this book also reveals the limitations to strategies that emphasize innocence and victimhood

Turning-points in post-war Bosnia Christophe Solioz,2005 The tenth anniversary of the Dayton Peace Agreement in December 2005 provides a unique occasion to review its achievements and shortcomings as well as future challenges to be faced both by the international community and Bosnia and Herzegovina itself The country has received huge amounts of attention and inquiry this book outlines some basic trends focusing on three essential issues democratisation and transitions processes country owner ship and potential turning points These issues are addressed in a non dogmatic way in the spirit of constructive criticism The conclusion is that both the EU and Bosnia must take their opportunities and responsibilities now

Building a Multiethnic Military in Post-Yugoslav Bosnia and Herzegovina Elliot Short,2022 On 1 January 2006 soldiers from across Bosnia and Herzegovina gathered to mark the official formation of a unified army and yet little over a decade before these men had been each other s adversaries during the vicious conflict which left the Balkan state divided and impoverished Building a Multi Ethnic Military in Post Yugoslav Bosnia and Herzegovina offers the first analysis of the armed forces during times of peace building in Bosnia and Herzegovina This sophisticated study assesses Yugoslav efforts to build a multi ethnic military during the socialist period charts the developments of the armies that fought in the war and offers a detailed account of the post war international initiatives that led to the creation of the Armed Forces of Bosnia and Herzegovina At this point the military became the largest multi ethnic institution in the country and was regarded as a model for the rest of Bosnian society to follow As such as Elliot Short adroitly contends this multi ethnic army became the most significant act in stabilising the country since the end of the Bosnian War Drawing upon a wealth of primary sources including interviews with leading diplomats and archival documents made available in English for the first time this book explores the social and political role of the Bosnian military and in doing so provides fresh insight into the Yugoslav Wars statehood and national identity and peace building in modern European history

The Bosnian War Crimes Justice Strategy a Decade Later Jared O. Bell,2018-04-06

International Intervention and the Problem of Legitimacy Andrew C. Gilbert,2020-08-15 In International Intervention and the Problem of Legitimacy Andrew C Gilbert argues for an ethnographic analysis of international intervention as a series of encounters focusing on the relations of difference and inequality and the question of legitimacy that permeate such encounters He discusses the transformations that happen in everyday engagements between intervention agents and their target populations and also identifies key instabilities that emerge out of such engagements Gilbert highlights the struggles entanglements and inter dependencies between and among foreign agents and the people of Bosnia Herzegovina that channel and shape intervention and how it unfolds Drawing upon nearly two years of fieldwork studying in postwar Bosnia and Herzegovina Gilbert s probing analysis identifies previously overlooked sites processes and effects of international intervention and suggests new

comparative opportunities for the study of transnational action that seeks to save and secure human lives and improve the human condition Above all International Intervention and the Problem of Legitimacy foregrounds and analyzes the open ended innovative and unpredictable nature of international intervention that is usually omitted from the ordered representations of the technocratic vision and the confident assertions of many critiques *The Role of the European Union in the Post War Reconstruction of Bosnia-Herzegovina* ,1996 *Bosnian Fluxes* David Henig,Jaroslav Klepal,Ondřej Žíla,2025-08-11 This volume offers unique conceptual and empirical insights into ordinary lives in the violent aftermath of the Cold War Considering Bosnia and Herzegovina as a comprehensive coordinate of larger social political and economic fluxes it demonstrates why the widely used tropes of stuckedness immobility and frozenness associated with post Cold War semiperipheries need to be understood in the context of excessive upheavals that mobilise or suspend modes of belonging care and reckoning Bringing together emerging and leading scholars from across the social sciences with long term research experience in Bosnia and Herzegovina along with scholars who have been documenting similar processes in other parts of the world this volume develops new analytical heuristics and interventions into global post Cold War studies It will be of particular interest to researchers and students of Anthropology Sociology Human Geography Contemporary History and Area Studies along with those studying the history politics economy and culture of semiperipheries **Divide and Fall?** Radha Kumar,1997 In a provocative study of how partition exacerbates ethnic conflicts author Radha Kumar compares the Bosnian partition process to earlier partitions of Ireland India Pakistan Israel Palestine and Cyprus under British colonial rule Kumar contends that the shift from divide and rule to divide and self rule stimulated rather than diminished ethnic conflict
