## **Eisenhowers Lieutenants Volume 2:**

*Marshall and His Generals* Stephen R. Taaffe, 2011-10-18 General George C Marshall chief of staff of the U S Army during World War II faced the daunting task not only of overseeing two theaters of a global conflict but also of selecting the best generals to carry out American grand strategy Marshall and His Generals is the first and only book to focus entirely on that selection process and the performances both stellar and disappointing that followed from it Stephen Taaffe chronicles and critiques the background character achievements and failures of the more than three dozen general officers chosen for top combat group commands from commanders like Dwight Eisenhower and Douglas MacArthur to some nearly forgotten Taaffe explores how and why Marshall selected the Army's commanders Among his chief criteria were character including unselfish and devoted purpose education whether at West Point Fort Leavenworth or the Army War College and striking a balance between experience and relative youth in a war that required both wisdom and great physical stamina As the war unfolded Marshall also factored into his calculations the combat leadership his generals demonstrated and the opinions of his theater commanders Taaffe brings into sharp focus the likes of Eisenhower MacArthur George Patton Omar Bradley Walter Krueger Robert Eichelberger Courtney Hodges Lucian Truscott J Lawton Collins Alexander Sandy Patch Troy Middleton Matthew Ridgeway Mark Clark and twenty five other generals who served in the conflict He describes their leadership and decision making processes and provides miniature biographies and personality sketches of these men drawn from their personal papers official records and reflections of fellow officers Delving deeper than other studies this path breaking work produces a seamless analysis of Marshall's selection process of operational level commanders Taaffe also critiques the performance of these generals during the war and reveals the extent to which their actions served as stepping stones to advancement Ambitious in scope and filled with sharp insights Marshall and His Generals is essential reading for anyone interested in World War II and military leadership more generally

**Eisenhower** Carlo D'Este, 2015-11-24 The acclaimed biographer presents an intimate and comprehensive portrait of the legendary president and WWII general An excellent book The Washington Post Book World Born into hardscrabble poverty in rural Kansas the son of stern pacifists Dwight David Eisenhower graduated from high school more likely to teach history than to make it Yet he went on to become one of America's most important military leaders Then on the wings of victory the career soldier ascended to the nation's highest political office Casting new light on this profound evolution Carlo D Este chronicles the unlikely dramatic rise of the supreme Allied commander With full access to private papers and letters D Este has exposed for the first time the countless myths that have surrounded Eisenhower and his family for over fifty years In this revealing biography he identifies the complex and contradictory character behind Ike's famous grin and air of calm self assurance

*West Point History of World War II, Vol. 2* The United States Military Academy, 2016-11-08 The definitive must have military history of World War II spanning 1942 until the end of the war packed with the same expert analysis exclusive tactical maps unique graphics and historical images used

by The United States Military Academy at West Point to teach the art of war to its own cadets Since its founding West Point has taught its cadets the history of warfare and since 1847 it has done so through a singular text The West Point History of Warfare That text has been updated repeatedly and now through a unique partnership with West Point graduates The West Point History of Warfare has been completely rewritten Volume 1 concluded with the midpoint of World War II in 1942 which is where this latest edition begins covering all aspects of the war in chapters such as Strategic Seapower and Airpower by Richard J Overy The Defeat of Japan by Robert W Love Jr The Allies Turn the Tide by Robert M Citino and Occupation Demobilization and Assessing Victory by Steve R Waddell As with previous volumes The West Point History of World War II Volume 2 boasts rich full color illustrations with unique tactical maps created by expert cartographers in collaboration with West Point s military historians as well as dozens of graphics uniquely created for this volume and hundreds of historical images many of which are from the West Point archives Authoritative compelling a goldmine for history lovers this essential resource belongs in the library of every serious student of World War II

[Air Power for Patton's Army](#) David N. Spires, 2002 Presents a case study of one air ground team s experience with the theory and practice of tactical air power employed during the climactic World War 2 campaigns against the forces of Nazi Germany

*Dogface Soldier* Wilson A. Heefner, 2010-05-05 On July 11 1943 General Lucian Truscott received the Army s second highest decoration the Distinguished Service Cross for valor in action in Sicily During his career he also received the Army Distinguished Service Medal with Oak Leaf Cluster the Navy Distinguished Service Medal the Legion of Merit and the Purple Heart Truscott was one of the most significant of all U S Army generals in World War II pioneering new combat training methods including the famous Truscott Trot and excelling as a combat commander turning the Third Infantry Division into one of the finest divisions in the U S Army He was instrumental in winning many of the most important battles of the war participating in the invasions of North Africa Sicily Anzio and southern France Truscott was not only respected by his peers and dogfaces common soldiers alike but also ranked by President Eisenhower as second only to Patton whose command he took over on October 8 1945 and led until April 1946 Yet no definitive history of his life has been compiled Wilson Heefner corrects that with the first authoritative biography of this distinguished American military leader Heefner has undertaken impressive research in primary sources as well as interviews with family members and former associates to shed new light on this overlooked hero He presents Truscott as a soldier who was shaped by his upbringing civilian and military education family life friendships and evolving experiences as a commander both in and out of combat Heefner s brisk narrative explores Truscott s career through his three decades in the Army and defines his roles in key operations It also examines Truscott s postwar role as military governor of Bavaria particularly in improving living conditions for Jewish displaced persons removing Nazis from civil government and assisting in the trials of German war criminals And it offers the first comprehensive examination of his subsequent career in the Central Intelligence Agency where he served as senior CIA representative in West Germany during the early days of the Cold

War and later as CIA Director Allen Dulles's deputy director for coordination in Washington Dogface Soldier is a portrait of a man who earned a reputation for being honest forthright fearless and aggressive both as a military officer and in his personal life a man who at the dedication ceremony for the Anzio Nettuno American cemetery in 1945 turned away from the crowd and to the thousands of crosses stretching before him to address those buried there Heefner has written a definitive biography of a great soldier and patriot

**Dwight Eisenhower and the Holocaust** Jason Lantzer, 2023-10-24 Dwight Eisenhower's encounter with the Holocaust altered how he understood the Second World War and shaped how he led the United States and the Western Alliance during the Cold War This book is the first to blend scholarship on Eisenhower World War II and the Holocaust together constructing a narrative that offers new insights into all three all while uncovering the story of how he became among the first to vow that such atrocities would never again be allowed to happen From the moment he stepped foot in the concentration camp Ohrdruf in April 1945 defeating Nazi Germany took on a moral hue for Eisenhower that had largely been absent before It spurred the belief that totalitarianism in all its forms needed to be confronted This conviction shaped his presidency and solidified American engagement in the postwar world Putting these pieces of the story together alters how we view and understand the second half of the twentieth century

*The Crosswinds of Freedom, 1932-1988* James MacGregor Burns, 2012-04-10 A Pulitzer Prize winner's immensely readable history of the United States from FDR's election to the final days of the Cold War Publishers Weekly The Crosswinds of Freedom is an articulate and incisive examination of the United States during its rise to become the world's sole superpower Here is a young democracy transformed by the Great Depression the Second World War the Cold War the rapid pace of technological change and the distinct visions of nine presidents Spanning fifty six years and touching on many corners of the nation's complex cultural tapestry Burns's work is a remarkable look at the forces that gave rise to the American Century

[Home by Christmas](#) Ronald Andidora, 2001-11-30 By September 1944 Allied forces had broken out from the Normandy beachheads liberated Paris and found themselves poised on the German border As this offensive gained momentum Patton and Montgomery hoping to exploit the enemy's temporary weakness in the West concocted their own alternatives to Eisenhower's broad front strategy Each proposed a single thrust aimed directly into the German heartland designed to bring the troops home by Christmas This study examines this so called broad front single thrust controversy and concludes that the idea of early victory was wishful thinking a product of the erroneous and dangerous assumption that the Nazi regime was already tottering on the brink of collapse Precisely because of its lightning pace the Allied advance resulted in severe logistical problems limiting Patton's proposed operation to only ten combat divisions while Montgomery's closer proximity to the coast might have allowed for as many as sixteen But it should have been obvious that either thrust faced certain destruction against the 250 divisions still fielded by the Wehrmacht on all fronts in September In light of this substantial German military capacity despite serious losses and strategic setbacks the single thrust could not have been a decisive war ending maneuver

In fact Andidora argues it could not even have provided for its own security against the forces that would have coalesced against it Rather than unnecessarily prolonging the war as some have argued Eisenhower s decision to stay the strategic course probably averted a military disaster

**Military Effectiveness: Volume 3, The Second World War** Allan R.

Millett,Williamson Murray,2010-08-09 This three volume study examines the questions raised by the performance of the military institutions of France Germany Russia the United States Great Britain Japan and Italy in the period from 1914 to 1945 Leading military historians deal with the different national approaches to war and military power at the tactical operational strategic and political levels They form the basis for a fundamental re examination of how military organizations have performed in the first half of the twentieth century Volume 3 covers World War II Volumes 1 and 2 address address World War I and the interwar period respectively Now in a new edition with a new introduction by the editors these classic volumes will remain invaluable for military historians and social scientists in their examination of national security and military issues They will also be essential reading for future military leaders at Staff and War Colleges

*Monty and the Canadian Army* John A. English,2021-10-01 General Bernard Law Montgomery affectionately known as Monty exerted an influence on the Canadian Army more lasting than that of any other Second World War commander In 1942 he assumed responsibility for the exercise and training of Canadian formations in England and by the end of the war Canada s field army was second to none in the practical exercise of combined arms In *Monty and the Canadian Army* John A English analyses the way Montgomery s operational influence continued to permeate the Canadian Army For years the Canadian Army remained a highly professional force largely because it was commanded at almost every lower level by Monty men steeped in the Montgomery method The era of the Canadian Army headed by such men ceased with the integration and unification of Canada s armed forces in 1964 The embrace of Montgomery by Canadian soldiers stands in marked contrast to largely negative perceptions held by Americans *Monty and the Canadian Army* aims to correct such perceptions which are mostly superficial and more often than not wrong and addresses the anomaly of how this gifted general one of the greatest field commanders of the Second World War managed to win over other North American troops

As recognized, adventure as with ease as experience virtually lesson, amusement, as competently as concord can be gotten by just checking out a ebook **Eisenhowers Lieutenants Volume 2** as a consequence it is not directly done, you could assume even more with reference to this life, vis--vis the world.

We pay for you this proper as skillfully as simple exaggeration to get those all. We give Eisenhowers Lieutenants Volume 2 and numerous book collections from fictions to scientific research in any way. accompanied by them is this Eisenhowers Lieutenants Volume 2 that can be your partner.
