Eisenhower's New Look National Security Policy 1953-1961:

Eisenhower's New-Look National Security Policy, 1953-61 S. Dockrill, 1996-08-11 The New Look sought to formulate a more selective and flexible response to Communist challenges The New Look was not simply a bigger bang for a buck nor merely a device for achieving a balanced budget nor did it amount solely to a strategy of massive retaliation as is commonly assumed Dr Dockrill's incisive revisionist analysis of the subject throws new light on US ambitious global strategy during the Eisenhower years

The History of American Foreign Policy from 1895 Jerald A Combs, 2015-02-12 This important text offers a clear concise and affordable narrative and analytical history of American foreign policy since the Spanish American War The book narrates events and policies but goes further to emphasize the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves [America's Cold War](#) Campbell

Craig, Fredrik Logevall, 2012-03-05 In a brilliant new interpretation Campbell Craig and Fredrik Logevall reexamine the successes and failures of America's Cold War The United States dealt effectively with the threats of Soviet predominance in Europe and of nuclear war in the early years of the conflict But by engineering this policy American leaders successfully paved the way for domestic actors and institutions with a vested interest in the struggle's continuation Long after the USSR had been effectively contained Washington continued to wage a virulent Cold War that entailed a massive arms buildup wars in Korea and Vietnam the support of repressive regimes and counterinsurgencies and a pronounced militarization of American political culture

America's Cold War Campbell Craig, Fredrik Logevall, 2020-07-14 A creative carefully researched and incisive analysis of US strategy during the long struggle against the Soviet Union Stephen M Walt Foreign Policy Craig and Logevall remind us that American foreign policy is decided as much by domestic pressures as external threats America's Cold War is history at its provocative best Mark Atwood Lawrence author of The Vietnam War The Cold War dominated world affairs during the half century following World War II America prevailed but only after fifty years of grim international struggle costly wars in Korea and Vietnam trillions of dollars in military spending and decades of nuclear showdowns Was all of that necessary In this new edition of their landmark history Campbell Craig and Fredrik Logevall engage with recent scholarship on the late Cold War including the Reagan and Bush administrations and the collapse of the Soviet regime and expand their discussion of the nuclear revolution and origins of the Vietnam War Yet they maintain their original argument that America's response to a very real Soviet threat gave rise to a military and political system in Washington that is addicted to insecurity and the endless pursuit of enemies to destroy America's Cold War speaks vividly to debates about forever wars and threat inflation at the center of American politics today [Cuban Missile Crisis](#) Priscilla Roberts, 2012-04-23 Drawing on revealing new research this richly informative volume is the definitive concise introduction to the crisis that took the world to the brink of nuclear war Cuban Missile Crisis The Essential Reference Guide captures the

historical context the minute by minute drama and the profound repercussions of the Missiles of October confrontation that brought the very real threat of nuclear attack to the United States doorstep Coinciding with the 50th anniversary of the crisis it takes full advantage of recently opened Soviet archives as well as interviews with key Russian Cuban and U S officials to explore the event as it played out in Moscow Havana Washington and other locations around the world Cuban Missile Crisis contains an introductory essay by the author and alphabetically organized reference entries contributed by leading Cold War researchers The book also includes an exceptionally comprehensive bibliography Together these resources give readers everything they need to understand the escalating tensions that led to the crisis as well as the intense diplomacy that resolved it including new information about the back channel negotiations between Robert Kennedy and Soviet ambassador Anatoly Dobrynin

Forging the Shield Donald A. Carter, 2015 This illustrated book that includes tables charts and maps primarily discusses the role of USAREUR US Army Europe in rearming and training the new German Army which was perhaps the Army's single greatest contribution toward maintaining security in Western Europe Likewise the relationship between American soldiers and their French and West German hosts evolved over time and is a critical element in telling the story of the US Army in Europe

Eisenhower P G. Boyle, 2015-11-17 Eisenhower is the president who established America as a superpower He had already launched his reputation as the leading US military figure in the Second World War and then as supreme commander of the land forces of the newly created NATO This book looks at how Eisenhower held power in the political field and to what extent his political career was a success This text is ideal for undergraduate courses in 20th Century American History and American Studies

Historical Dictionary of U.S. Diplomacy during the Cold War Martin Folly, 2014-11-13 This Historical Dictionary of U S Diplomacy during the Cold War offers readers a comprehensive accessible survey of the principal actors and events involved in the making of United States foreign policy during a crucial period in the nation's history The Cold War saw the United States acquire superpower status and to be closely involved in events around the globe Foreign policy became a central issue in domestic politics The confrontations with the Union of Soviet Socialist Republics and its allies and satellites and with the forces of international communism dominated U S interactions with the world throughout this period This book covers this turbulent period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 900 cross referenced entries on key persons policies events institutions and organizations along with issues such as the division of Germany after World War II the creation of the People's Republic of China European economic recovery communist movements in the third world's decolonization the Vietnam War and the nuclear arms race This book is an excellent access point for students researchers and anyone wanting to know more about U S diplomacy during the cold war

Managing National Security Policy William W. Newmann, 2010-06-15 The U S national security decision making system is a product of the Cold War Formed in 1947 with the National Security Council it developed around the demands of competing with and containing the USSR But

the world after the collapse of communism and particularly the tragedy of September 11 is vastly different. A threatening but familiar enemy has given way to a complex environment of more diverse and less predictable threats. As the creation of the Homeland Security Council and Office of Homeland Security indicate, the United States must now reevaluate standard national security processes for this more uncertain world. In this timely book, William W. Newmann examines the way presidents manage their advisory process for national security decision making and the way that process evolves over the course of an administration's term. Three detailed case studies show how the president and his senior advisors managed arms control and nuclear strategy during the first terms of the Carter, Reagan, and G. H. W. Bush presidencies. These studies, enhanced by interviews with key members of the national security teams including James Baker, Brent Scowcroft, and Zbigniew Brzezinski, reveal significant patterns of structure and adaptation. They provide a window to how decision making in the modern White House really works at a moment when national security decisions are again at the top of the agenda. Specifically, Newmann investigates this pattern: Each president begins his administration with a standard National Security Council-based interagency process, which he then streamlines toward a reliance on senior officials working in small groups and a confidence structure of a few key advisors. Newmann examines the institutional pressures that push administrations in this direction as he also weighs the impact of the leadership styles of the presidents themselves. In so doing, he reaches the conclusion that decision making can be an audition process through which presidents discover which advisors they trust. And the most successful process is one that balances formal, informal, and confidence sources to maintain full discussion of diverse opinions while settling those debates informally at the senior-most levels. Unlike previous studies, *Managing National Security Policy* views decision making as dynamic rather than as a static system inaugurated at the beginning of a president's term. The key to understanding the decision making process rests upon the study of the evolving relationships between the president and his senior advisors. Awareness of this evolution paints a complex portrait of policy making which may help future presidents design national security decision structures that fit the realities of the office in today's world. **The**

Vienna Summit and Its Importance in International History Günter Bischof, Stefan Karner, Barbara

Stelzl-Marx, 2013-12-19. At the beginning of June 1961, the tensions of the Cold War were supposed to abate as both sides sought a resolution. The two most important men in the world, John F. Kennedy and Nikita Khrushchev, met for a summit in Vienna. Yet the high hopes were disappointed. Within months, the Cold War had become very hot. Khrushchev built the Berlin Wall, and a year later he sent missiles to Cuba to threaten the United States directly. Despite the fact that the Vienna Summit yielded barely any tangible results, it did lead to some very important developments. The superpowers came to see for the first time that there was only one way to escape from the atomic hell of their respective arsenals: dialogue. The peace through fear and the hotline between Washington and Moscow prevented an atomic confrontation. Austria successfully demonstrated its new role as neutral state and host when Vienna became a meeting place in the Cold War. In *The Vienna Summit and Its*

Importance in International History international experts use new Russian and Western sources to analyze what really happened during this critical time and why the parties had a close shave with catastrophe

Enduring Controversies in Military History Spencer C. Tucker, 2017-09-21 This provocative examination of major controversies in military history enables readers to learn how scholars approach controversial topics and provides a model for students in the study and discussion of other historical events Why did Alexander the Great's empire fall apart so soon after his death How did France win the Hundred Years War despite England winning its major battles Was slavery the primary cause of the American Civil War Would it have benefited the Allies militarily to have gone to war against Germany in 1938 rather than in 1939 Should women be allowed to serve in combat positions in the U S military All of these questions and many other historical controversies are addressed in this thought provoking reference book By exploring every angle of some of the most contentious debates involving military history this book builds students critical thinking skills by supplying a complete background of the controversial topic to provide context and also by providing multiple perspective essays written by top scholars in the field The perspective essays present arguments for different positions on the controversy Readers will consider the cases for and against whether Hannibal should have marched on Rome after his momentous victory at Cannae whether the United States was justified in using the atomic bomb in Japan whether Adolf Hitler was primarily responsible for the Holocaust and whether torturing prisoners during the War on Terror is warranted among many other historical military debates

The Soviets' Greatest Gambit Alan J. Levine, 2021-08-19 Adam J Levine analyzes the origins of the Cuban Missile Crisis with a particular focus on Nikita Khrushchev's motives and the response of the Kennedy administration Levine's account presents a different portrayal of the events than popularly told shedding light on John F Kennedy's decision making practices and personal behavior while out of public eye

Truman and Korea Paul G. Pierpaoli, 1999 Detailing for the first time the story of America's homefront during the Korean War Truman and Korea fills an important gap in the historical scholarship of the era Paul Pierpaoli analyzes the political economic social and international ramifications of America's first war of Soviet containment never losing sight of the larger context of the Cold War He focuses on how and why the Truman administration undertook a bloody inconclusive war on the Korean peninsula while permanently placing the nation on a war footing Based upon extensive research in the papers and official presidential files of Harry S Truman as well as many manuscript collections and records of wartime and government agencies Truman and Korea offers a new perspective on the Korean War era and its inextricable ties to broader Cold War decision making

Jacket Grand Strategy and Military Alliances Peter R. Mansoor, Williamson Murray, 2016-02-09 Alliances have shaped grand strategy and warfare since the dawn of civilization Indeed it is doubtful that the United States of America would have gained its independence without its Revolutionary War alliance with France Such alliances may prove even more important to international security in the twenty first century Economic and financial difficulties alone will ensure that policy makers attempt to spread the burden of

securing vital interests onto other nations through alliances both formal organizations such as NATO and informal alliances of convenience as developed to wage the Gulf War in 1991 A team of leading historians examine the problems inherent in alliance politics and relationships in the framework of grand strategy through the lens of history Aimed at not just the military aspects of alliances the book uncovers the myriad factors that have made such coalitions succeed or fail in the past

Strategy for Chaos Colin Gray,2004-08-02 The remit of this study is to encourage further studies that make an honest and successful effort to achieve synergy between social science and history when analysing the impact of revolutions in military affairs RMAs

The Cold War Spencer C. Tucker,2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

Nuclear Apartheid Shane J. Maddock,2010 Nuclear Apartheid The Quest for American Atomic Supremacy from World War II to the Present

America and the World since 1945 T.G. Fraser,Donette Murray,2017-06-30 American foreign policy is fundamental to any understanding of how the post war world has been shaped This insightful and wide ranging book analyses the policies pursued by each presidency from that of Harry Truman to George W Bush and reviews the far reaching consequences of these actions Taking into account the most recent research and scholarly interpretations T G Fraser and Donette Murray examine the priorities of each successive administration and how these have had to adapt under the pressure of events on a global scale America and the World since 1945 Focuses on the origins and course of the Cold War Explains major crises and developments such as the Truman Doctrine the nature of containment the Cuban Missile Crisis Berlin arms control and detente Features analysis of how America became involved in armed conflict as in Korea the Gulf the Balkans and Vietnam Looks at American action in relation to the Arab Israeli conflict as well as interventions in Latin America and Africa Traces the evolution of policy towards China Studies conventional diplomacy alongside the use of intelligence and covert activity Examines the dynamics of the post Cold War world Clear in its approach this book is essential

reading for anyone with an interest in America's relationship with the rest of the world from the end of the Second World War up to the aftermath of the attacks on the World Trade Center and the Pentagon in September 2001 *The Military-Industrial Complex and American Society* S. Mike Pavelec, 2010-01-18 The first complete reference on the military industrial complex from its Cold War era expansion to the present *The Military Industrial Complex and American Society* addresses the broad subject of the political economy of defense research and its wide reaching effects on many aspects of American life Ranging from the massive arms buildup of the Cold War to the influx of private contractors and corporations such as Halliburton it reveals the interconnectedness of the military industry and government within the history of this public private enterprise *The Military Industrial Complex and American Society* offers over 100 alphabetically organized entries on a wide of range of significant research bodies and government agencies as well as important people events and technologies In addition a series of essays looks at such essential topics as propaganda think tanks defense budgeting the defense industry and the economy and the breakdown of the military industrial complex in Vietnam With this work students policymakers and other interested readers will understand the ramifications of the relationships between industry scientific and technological communities the government and society *American Military Leaders* John C. Fredriksen, 1999-06-18 A comprehensive collection of biographies of the most prominent military leaders in American history *American Military Leaders* contains over 400 A Z biographies of individuals such as Admiral Elmo Zumwalt who ended hundreds of years of tradition by allowing women to serve on Navy ships and Francis Marion the Swamp Fox whose rules of clandestine warfare are still followed by the U S Special Forces Coverage centers on the outstanding generals sergeants fighter aces militiamen theorists doctors and nurses who make up America's military history This volume presents their backgrounds contributions and significance to America's fortunes in war This title also cites works for further research includes a list of leaders organized by their military titles and a comprehensive index

Eisenhowers New Look National Security Policy 1953 1961 Introduction

In today's digital age, the availability of Eisenhowers New Look National Security Policy 1953 1961 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Eisenhowers New Look National Security Policy 1953 1961 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Eisenhowers New Look National Security Policy 1953 1961 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Eisenhowers New Look National Security Policy 1953 1961 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Eisenhowers New Look National Security Policy 1953 1961 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Eisenhowers New Look National Security Policy 1953 1961 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they

can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Eisenhowers New Look National Security Policy 1953 1961 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Eisenhowers New Look National Security Policy 1953 1961 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Eisenhowers New Look National Security Policy 1953 1961 books and manuals for download and embark on your journey of knowledge?

FAQs About Eisenhowers New Look National Security Policy 1953 1961 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Eisenhowers New Look National Security Policy 1953 1961 is one of the best book in our library for free trial. We provide copy of Eisenhowers New Look

National Security Policy 1953 1961 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Eisenhowers New Look National Security Policy 1953 1961. Where to download Eisenhowers New Look National Security Policy 1953 1961 online for free? Are you looking for Eisenhowers New Look National Security Policy 1953 1961 PDF? This is definitely going to save you time and cash in something you should think about.
