Our Lady of Guadalupe and Saint Juan Diego Eduardo Chávez,2006-03-28 In Our Lady of Guadalupe and Saint Juan Diego Eduardo Chavez presents the most important points of the Great Guadalupan Event the apparition of Our Lady of Guadalupe to Juan Diego a recently converted indigenous man in Mexico Through a utilization of the numerous historical documents and investigations of this event Chavez details the reality of what occurred in the cold winter of 1531 As described by Pope John Paul II The Guadalupan Event is the perfectly inculturated Evangelization model Chavez's historical analysis not only represents strong scholarship but also draws the reader closer to the spiritual power of the events As the newest contribution to the series Celebrating Faith Explorations in Latino Spirituality and Theology this work is of course ideal for use in Latino Studies but also appeals to wider audience more curious about the Guadalupan event and its meaning for contemporary Christianity

Our Lady of Guadalupe Carl Anderson,Eduardo Chavez,2017-12-05 Nearly a decade after Spain's conquest of Mexico the future of Christianity on the American continent was very much in doubt Confronted with a hostile colonial government and Native Americans wary of conversion the newly appointed bishop elect of Mexico wrote to tell the King of Spain that unless there was a miracle the continent would be lost Between December 9 and December 12 1531 that miracle happened and it forever changed the future of the continent It was then that the Virgin Mary famously appeared to a Native American Christian convert on a hilltop outside of what is now Mexico City The image she left imprinted on his cloak or tilma has puzzled scientists for centuries and yet Our Lady of Guadalupe's place in history is profound A continent that just months before the apparitions seemed completely lost to Christianity suddenly and inexplicably embraced it by the millions Our Lady of Guadalupe's message of love replaced the institutionalized violence of the Aztec culture and built a bridge between two worlds the old and the new that were just ten years earlier engaged in brutal warfare Today Our Lady of Guadalupe continues to inspire the devotion of millions From Canada to Argentina and even beyond the Americas one finds great devotion to her and great appreciation for her message of love unity and hope Today reproductions of the Virgin's miraculous image can be seen throughout North and South America in churches and homes on billboards and even clothing apparel Her shrine in Mexico City where the miraculous image is housed to this day is one of the most visited in the world In Our Lady of Guadalupe Mother of the Civilization of Love Anderson Chavez trace the history of Our Lady of Guadalupe from the sixteenth century to the present discuss of how her message was and continues to be an important catalyst for religious and cultural transformation Looking at Our Lady of Guadalupe as a model of the Church and Juan Diego as a model for all Christians who seek to answer Christ's call of conversion and witness the authors explore the changing face of the Catholic Church in North Central and South America and they show how Our Lady of Guadalupe's message was not only historically significant but how it speaks to contemporary issues confronting the American continents and people today [A Ten-Sun Day](#) D. M. Urquidi,2011-01-24 In the Popol Vuh I found this strange path to the stars It was many years ago when I decided

to study Architecture I instead entered a whole new area of study one that encompassed the whole world but it eventually zeroed in on a major catastrophe in the Americas All versions of the Popol Vuh and the Chumayel tell of the disaster as future prophecies and yes they should be prophecies since if we don't know the origin how will we learn to protect ourselves when and if another similar event occurs

Mexican Spirituality Francisco Schulte, 2002 This book celebrates a number of Guadalupean sermons that serve as the fundamental source of the Mexican people's unique spiritual devotion and identity These sermons were preached, published and circulated among the populace of Mexico in the seventeenth and eighteenth centuries They proclaim an unshakable conviction that the peoples of the American continent are the uniquely blessed recipients of God's and especially Mary's favor In their modern sense these sermons provide a wealth of information on Mexican theology, spirituality and religious self-understanding at a pivotal time in a people's culture *Juan Diego* Eduardo Chávez Sánchez, 2002 Colección bibliográfica México-Nueva España Antonio Toro Pascua, Convento de San Esteban (Salamanca, Spain), 2001 *El encuentro de la Virgen de Guadalupe y Juan Diego* Fidel González, Eduardo Chávez Sánchez, José Luis Guerrero, 1999
