## **Fanatic Heart:**

Fanatic Heart Deborah Pope, 1992 The poems in Fanatic Heart Deborah Pope's remarkably accomplished first collection of verse are distinguished by their sensuous language assured voice and surpassing intelligence These are poems with a definite edge to them notes the poet Betty Adcock Memory and identity family and place lives that encompass both the wingsweep of joy and the fierce hug of grief these are Pope's concerns Hers are poems of pain and loss but they are also and more tellingly poems of wonder of love and passion in their various guises of the ambiguity in every human relation an ambiguity skillfully evoked in Signs In these woods we have chosen with scarcely more knowing than we chose each other prospects will always promise more than they come to The solidity of this house is surface the permanence of anything is myth We take our visions edged at home in a light that curves Still as the gypsies say good road The poems are set in a carefully articulated natural world whose sensual beauty Pope captures in such lines as these from Peaches They will be all over the ground gold dusted giving softly under the balls of our feet size of apricots no good for eating but the smell will be delicious Deborah Pope's poems give voice to a life deeply felt and fully realized whose very personal visions yield universal claims At the heart of this poetry's fanaticism is the search for the ground of intimacy and the configurations of identity It is a measure of Pope's skill that each recognition seems powerfully right not sought but given

**Fanatic Heart** Tom Keneally, 2023-08 John Mitchel is one of the most celebrated of Irish rebels In the midst of the dreadful Famine of the 1840s his exhortations to his countrymen to stand up against the British were as controversial as they were compelling Charged with treason felony he was transported to Van Diemens Land courtesy of a law passed in Westminster specifically to silence the charismatic minister's son Jenny Mitchel when she too could have been punished for airing her beliefs on Irish nationalism had publically championed her husband's campaigns with a diverse crew of supporters including Thomas Meagher and Jane Speranza Wilde future mother of Oscar Devotedly Jenny packed up their children and followed her prisoner and convict spouse across the continents to continue to support the cause of Ireland with her boundless love and passion In this vivid reimagining of Mitchel's life Tom Keneally proud Irishman and descendant of convicts confronts some of the biggest conflicts of our time slavery industrialisation dispossession of land and famine

**Irish Cosmopolitanism** Nels Pearson, 2017-05-24 Donald J Murphy Prize for a Distinguished First Book Pearson is convincing in arguing that Irish writers often straddle the space between national identity and a sense of belonging to a larger more cosmopolitan environment Choice Demonstrates just what it is that makes comparative readings of history politics literature theory and culture indispensable to the work that defines what is best and most relevant about scholarship in the humanities today Modern Fiction Studies An admirable book Repositions the artistic subject as something different from the biographical Joyce Bowen or Beckett cohering as a series of particular aesthetic responses to the dilemma of belonging in an Irish context James Joyce Broadsheet A smart and compelling

approach to Irish expatriate modernism An important new book that will have a lasting impact on postcolonial Irish studies  
 Breac Clearly written convincingly argued and transformative Nicholas Allen author of *Modernism Ireland and Civil War*  
 Goes beyond statism and postnationalism toward a cosmopolitics of Irish transnationalism in which national belonging and  
 national identity are permanently in transition Gregory Castle author of *The Literary Theory Handbook* Shows how three  
 important Irish writers crafted forms of cosmopolitan thinking that spring from and illuminate the painful realities of  
 colonialism and anti colonial struggle Marjorie Howes author of *Colonial Crossings Figures in Irish Literary History* Asserting  
 the simultaneity of national and global frames of reference this illuminating book is a fascinating and timely contribution to  
 Irish Modernist Studies Geraldine Higgins author of *Heroic Revivals from Carlyle to Yeats* Looking at the writing of three  
 significant Irish expatriates Nels Pearson challenges conventional critical trends that view their work as either affirming Irish  
 anti colonial sentiment or embracing international identity In reality he argues these writers constantly work back and forth  
 between a sense of national belonging that remains incomplete and ideas of human universality tied to their new global  
 environments For these and many other Irish writers national and international concerns do not conflict but overlap and the  
 interplay between them motivates Irish modernism According to Pearson Joyce s *Ulysses* strives to articulate the  
 interdependence of an Irish identity and a universal perspective Bowen s exiled unrooted characters are never firmly rooted  
 in the first place and in Beckett the unsettled origin is felt most keenly when it is abandoned for exile These writers  
 demonstrate the displacement felt by many Irish citizens in an ever changing homeland unsteadied by long and turbulent  
 decolonization Searching for a sense of place between national and global abstractions their work displays a twofold struggle  
 to pinpoint national identity while adapting to a fluid cosmopolitan world     *A Fanatic Heart* Edna O'Brien,1987     W. B.  
*Yeats* W.B. Yeats,2022-10-06 Tread softly because you tread on my dreams is one of the most well known and repeated lines  
 of poetry ever written Less haunting but still so relevant Life is a long preparation for something that never happens W B  
 Yeats was one of the foremost figures of 20th century literature Winner of a Nobel prize he was also a political figure and as  
 is evident from his earlier work fascinated by Irish folklore and the occult He was also deeply affected by the First World War  
 and the Anglo Irish and Irish civil wars It is a testament to the greatness of Yeats poetry that he attempts to bear witness to  
 these emotional and historical forces This perfectly pitched collection includes some of the greatest poetry of the 20th  
 century     *Van Gogh* Steven W. Naifeh,Gregory White Smith,2011 Draws on newly available primary sources to present an  
 in depth accessible profile that offers revisionist assessments of the influential artist s turbulent life and genius works  
      *Great Catastrophe* Thomas De Waal,2015 Drawing on archival sources reportage and moving personal stories de Waal  
 tells the full story of Armenian Turkish relations since the Genocide in all its extraordinary twists and turns He looks behind  
 the propaganda to examine the realities of a terrible historical crime and the divisive politics of genocide it produced     **The**  
**Remaking of Pittsburgh** Francis G. Couvares,1984-06-30 What forces transformed a community in which industrial

workers and other citizens exercised a real measure of power over their lives into a metropolis whose inhabitants were utterly dependent on Big Steel How did a city that fervidly embraced the labor struggle of 1877 turn into the city which so fiercely repudiated the labor struggle of 1919 The Remaking of Pittsburgh is the history of this transformation The cultural dimensions of industrialization come to life as Couvares calls upon labor history urban history and the history of popular culture to depict the demise of the craftsman s empire and the birth of a cosmopolitan bourgeois society The book explores the impact of immigration on the shaping of modern Pittsburgh and the emergence of mass culture within the community In the midst of these processes of transformation the giant steel corporations were continually reshaping the life of the city

**Philip Roth** Ira Bruce Nadel,2021 In Philip Roth A Counterlife Ira Nadel exposes the multifaceted disposition of this major voice in American letters Roth the realist the ironist the ventriloquist the impersonator the bard In navigating the intricacies and dualities of the public and private Roth Nadel shows the complexities the contradictions and the counterlives both lived and imagined As literary sleuth Nadel has enriched the myriad possibilities for understanding this exacting and defiant writer and his work Professor Nadel s study is always very readable and compelling but its discussion of material that has never been accessed before is particularly exciting Philip Roth A Counterlife engages and illuminates the scenes of discontent betrayal illness and rage in Roth s own life that allow for new understandings of his work and relationships Drawing on such primary source material as interviews personal correspondence and site visits Nadel s biography penetrates the carefully composed narrative Roth presented publicly in order to present a counter Philip Roth one who is at once more sympathetic to his readers than critics realize and more dynamic than even his self creation allows Nadel seamlessly weaves his interpretations of Roth s most provocative texts into the story of Roth s own life a life shadowed by pain illness and

personal injustices but also illuminated by the joys of writing ideas and friendships that will persist long after his death Book jacket

*Fine Meshwork* Dan O'Brien, 2020-02-28 In a 1984 interview with longtime friend Edna O'Brien Philip Roth describes her writing as a piece of fine meshwork a net of perfectly observed sensuous details that enables you to contain all the longing and pain and remorse that surge through the fiction The phrase fine meshwork can apply not only to O'Brien's writing but also to the connective threads that bind her work to others including most illuminatingly Roth's Since the publication of their first controversial novels in the 1950s and 1960s Roth and O'Brien have always argued against the isolation of mind from body autobiography from fiction life from art and self from nation In *Fine Meshwork* Dan O'Brien investigates the shared concerns of these two authors now regarded as literary icons in their home countries He traces their fifty year literary friendship and the striking parallels in their books and reception bringing together what at first glance seem to be quite disparate milieus the largely feminist and Irish scholarship on O'Brien with Jewish and American perspectives on Roth In doing so and in considering them in a transnational context he argues that the intertwined nature of their writing symbolizes the far ranging symbiosis between Irish literature and its American particularly Jewish American counterpart

**Foundations of National Identity** Josep R. Llobera, 2005-07-01 Since its emergence in the 19th century in response to feudalism nationalism has been a mixed blessing Originally seen as a positive force often enough it has resulted in warfare and persecution of minorities so much so that over time it has been considered a social evil whose apparent decline has been greeted as a positive development The author disputes this or rather he maintains that the picture that emerges is more complex nationalism is not disappearing but has taken on a different form What we are experiencing is an increasing autonomy of ethnonations i.e. nations without a state in the wake of a weakening of the multinational states and the transfer of their sovereignty upwards in the case of Europe to the federation of the European Union and downwards to the ethnonations Catalonia is the major case study in this book but it is embedded in a comprehensive theoretical framework as well as the historical and contemporary reality of Europe opening up a new perspective The author one of the foremost scholars in this field brilliantly succeeds in developing an original clear and comprehensive vision of nationalism that is accessible to a wide readership

**The Art of Restraint** Richard Hoffpauir, 1991 Richard Hoffpauir argues that the works of the best poets have found ways of not capitulating to contemporary reality and outlines the terms of the debate by setting the weaknesses of Yeats against the strengths of Hardy Subsequent chapters discuss the nature poetry of Edward Thomas the war poetry of Graves Blunden and Gurney the love poetry of Bridges Lawrence and Graves and the political and social verse of Rickword Deryush Betjeman and Larkin
