

**FANCY GOODS  
OPEN ALL NIGHT**

Stories by Paul Morand

Preface by Marcel Proust  
Translated by Ezra Pound

# Fancy Goods Open All Night

**John Hawkes**

## **Fancy Goods Open All Night:**

*Fancy Goods ; Open All Night* Paul Morand,1984

**Fancy Goods** Paul Emile Charles Ferdinand Morand,1984

**Fancy Goods ; Open All Night** Paul Morand,1984

**The Blood Oranges** John Hawkes,2013-05-15 No synopsis or

comparison can convey the novel's lyric comedy or indeed its sinister power sinister because of the strength of will Cyril exerts over his wife his mistress his wife's reluctant lover lyric since he is also a sex singer in the land where music is the food of love Need I insist that the only enemy of the mature marriage is monogamy That anything less than sexual multiplicity is naive That our sexual selves are merely idylers in a vast wood Thus the central theme of John Hawkes's widely acclaimed novel *The Blood Oranges* is boldly asserted by its narrator Cyril the archetypal multisexualist Likening himself to a white bull on Love's tapestry he pursues his romantic vision in a primitive Mediterranean landscape There two couples Cyril and Fiona Hugh and Catherine mingle their loves in an Illyria that brings to mind the equally timeless countryside of

Shakespeare's *Twelfth Night* *Collected Poems 1912-1944* Hilda Doolittle,2015-01-12 The *Collected Poems 1912-1944* of H D brings together all the shorter poems and poetical sequences of Hilda Doolittle 1886-1961 written before 1945 Divided into four parts this landmark volume now available as a New Directions Paperbook includes the complete *Collected Poems* of 1925 and *Red Roses for Bronze* 1931 Of special significance are the *Uncollected and Unpublished Poems 1912-1944* the third section of the book written mainly in the 1930s during H D's supposed fallow period As these pages reveal she was in fact writing a great deal of important poetry at the time although publishing only a small part of it The later wartime poems in this section form an essential prologue to her magnificent *Trilogy* 1944 the fourth and culminating part of this book Born in Pennsylvania in 1886 Hilda Doolittle moved to London in 1911 in the footsteps of her friend and one-time fiancé Ezra Pound Indeed it was Pound acting as the London scout for *Poetry* magazine who helped her begin her extraordinary career penning the words *H D Imagiste* to a group of six poems and sending them on to editor Harriet Monroe in Chicago The *Collected Poems 1912-1944* traces the continual expansion of H D's work from her early imagistic mode to the prophetic style of her hidden years in the 1930s climaxing in the broader mature accomplishment of *Trilogy* The book is edited by Professor Louis L Martz of Yale who supplies valuable textual notes and an introductory essay that relates the significance of H D's life to her equally remarkable literary achievement **The Lime Twig** John Hawkes,1961 But it would be unfair to the reader to

reveal what happens when a gang of professional crooks gets wind of the scheme and moves to muscle in on this bettor's dream of a long odds situation Worked out with all the meticulous detail terror and suspense of a nightmare the tale is on one level comparable to a Graham Greene thriller on another it explores a group of people their relationships fears and loves For as Leslie A Fiedler says in his introduction John Hawkes makes terror rather than love the center of his work knowing all the while of course that there can be no terror without the hope for love and love's defeat [The Henry Miller Reader](#) Henry Miller,2016-01-26 A collection of works spanning the entire career of great 20th century American writer Henry Miller edited

and introduced by Lawrence Durrell In 1958 when Henry Miller was elected to membership in the American Institute of Arts and Letters the citation described him as The veteran author of many books whose originality and richness of technique are matched by the variety and daring of his subject matter His boldness of approach and intense curiosity concerning man and nature are unequalled in the prose literature of our times It is most fitting that this anthology of the best of Henry Miller should have been assembled by one of the first among Miller s contemporaries to recognize his genius the eminent British writer Lawrence Durrell Drawing material from a dozen different books Durrell has traced the main line and principal themes of the single endless autobiography which is Henry Miller s life work I suspect writes Durrell in his Introduction that Miller s final place will be among those towering anomalies of authorship like Whitman or Blake who have left us not simply works of art but a corpus of ideas which motivate and influence a whole cultural pattern Earlier H L Mencken had said his is one of the most beautiful prose styles today and the late Sir Herbert Read had written that what makes Miller distinctive among modern writers is his ability to combine without confusion the aesthetic and prophetic functions Included are stories portraits of persons and places philosophical essays and aphorisms For each selection Miller himself prepared a brief commentary which fits the piece into its place in his life story This framework is supplemented by a chronology from Miller s birth in 1891 up to the spring of 1959 a bibliography and as an appendix an open letter to the Supreme Court of Norway written in protest of the ban on *Sexus* a part of which appears in this volume

**Solitudes Crowded with Loneliness** Bob Kaufman, 1965 Published in 1965 *Solitudes Crowded with Loneliness* assembles ten years work of Bob Kaufman celebrated in San Francisco as the original Beat and in France as the American Rimbaud Bob Kaufman promotes a spontaneous prophetic verse mixing street talk and jazz with vision

**The Snake Tree** Uwe Timm, 1989 Wagner a German engineer takes in hand the job of rescuing a floundering construction project in the South American rain forest But before he reaches the site his car runs over an emerald green snake marking him according to local beliefs for death

We'll to the Woods No More Edouard Dujardin, 1990 A delightful period piece of Paris in the late 1880 s *We'll to the Woods No More* *Les lauriers sont coupés* retains its importance as the first use of the monologue intérieur and the inspiration for the stream of consciousness technique perfected by James Joyce Dujardin s charming tale told with insight and irony recounts what goes on in the mind of a young man about town in love with a Parisian actress Mallarmé described the poetry of the telling as the instant seized by the throat Originally published in France in 1887 the first English translation by Joyce scholar Stuart Gilbert was published by New Directions in 1938 In 1957 Leon Edel s perceptive historical essay reintroduced the book as the rare and beautiful case of a minor work which launched a major movement

**Seasons of Sacred Lust** 四季の神聖な欲望, 1978 Kazuko Shiraishi s poems are outcries meditations exclamations of fierce energy and playfulness It is a joy to hear from a Japanese sister of such breadth and bravery Anne Waldman

**Manimekhalai** மணிமேகலை, 1989 Never before translated into English the *Manimekhalai* is one of the great classics of Indian culture A second century Tamil verse epic it is a sequel to the

Shilappadikaram New Directions 1965 which was also masterfully translated into prose by the acclaimed musician and scholar of Hinduism Alain Daniélou Rich with details of the period's arts customs and religions the Manimekhala provides an extraordinary picture of an age that suddenly comes back to life It is the story of a beautiful young dancer who decides to forego her looming career as a courtesan in order to dedicate her life with the aid of gods demigods and a magic bowl called the Cow of Abundance to charity and to attaining the bright light of knowledge The Bright Nails Scattered on the Ground

Allen R. Grossman, 1986 A series of poems traces the course of a love affair from both the man's and the woman's point of view *Shanghai Modern* Leo Ou-fan Lee, 1999-09 In the midst of China's wild rush to modernize a surprising note of reality arises Shanghai it seems was once modern indeed a pulsing center of commerce and art in the heart of the twentieth century This book immerses us in the golden age of Shanghai urban culture a modernity at once intrinsically Chinese and profoundly anomalous blending new and indigenous ideas with those flooding into this treaty port from the Western world A preeminent specialist in Chinese studies Leo Ou-fan Lee gives us a rare wide angle view of Shanghai culture in the making He shows us the architecture and urban spaces in which the new commercial culture flourished then guides us through the publishing and filmmaking industries that nurtured a whole generation of artists and established a bold new style in urban life known as modeng In the work of six writers of the time particularly Shi Zhecun Mu Shiying and Eileen Chang Lee discloses the reflection of Shanghai's urban landscape foreign and familiar oppressive and seductive traditional and innovative This work acquires a broader historical and cosmopolitan context with a look at the cultural links between Shanghai and Hong Kong a virtual genealogy of Chinese modernity from the 1930s to the present day *That's Life* William Herrick, 1985 In *That's Life* William Herrick's view of humanity is unsparing yet compassionate He sees life as commitment to ideals friends family but no one least of all Herrick said it was going to be easy His portraits of the members of a distinctly American family a novella five short stories and a group of five letters comprise not quite a novel but more than a collection of stories I think of it as a cooperative structure the author says in which each character owns and occupies his or her own place yet it is the entire family which operates the building To simplify matters I call the book a fiction And so we learn the past and present of each of the Millers Max and Rebecca Rebecca's mother Ruth in an old folks home and the three Miller children Eli an obsessive artist Peter an amateur student of life as he bums rides across the country and teen-ager Nina a not so innocent working class child away at prep school on a scholarship But we learn about them in counterpoint and mosaic as Herrick turns our attention and our allegiance first to one member of the family and then another There are few books where human weaknesses are so fully displayed and yet where human endurance and capacity for joy are so palpably present Three Italian Chronicles

Stendhal, 1991 Three novellas of Italian passion by the great French author tell of the infamous trial of a young Roman noblewoman for the murder of her father the illicit liaison and subsequent trial of an abbess and the fortunes of a Roman aristocrat's daughter who falls in love with a wounded soldier **Shadowlife** Martin Grzimek, 1991 In the carefully

controlled homogenized future society evoked in innovative German writer Martin Grzimek's new novel *Shadowlife* the patterned lives of the characters turn out to be anything but orderly and serene. Ostensibly the perfect bureaucrat Felix Seyner, top interviewer for the Central Institute for Biographics, writes a long letter to his old love Felicitas explaining himself and his choice of the CIB over their relationship. Her reply calls into question the truth of almost everything Felix has revealed. An appended report from the reliable government security forces puts yet another spin on the events. In a world where national distinctions have been washed away by an undefined ecological cataclysm, the characters struggle to find identity by both exploiting the system and simultaneously subverting it. As a guide to our collective future, *Shadowlife* is intriguing, disquieting, and blackly amusing.

**Tian Wen** Yuan Qu, 1986. Describes the historical background of the poem and poses questions about Chinese mythology and the nature of the universe.

**E. M. Forster** Lionel Trilling, 1965. A concise critical study of Forster's personality, short stories, and novels.

*The Red Devil Battery Sign* Tennessee Williams, 1988. This book is William's symbol for the military industrial complex and all the dehumanizing trends it represents, from mindless cocktail party chatter to bribery of officials to assassination plots directed against those who won't play the game to attempted coups by right wing zealots.
