

FANDANGO ROCK

ROCK

is John Masters' sense of American history at our everyday doorstep in the almost vanishing South. It is the story of the colorful culture of the Old World and the New, the spirit of an often defiant and fearless people at a nation's turning point and the bold vision of an unbridled American and his family's struggle to build a new life in a new land. A master's daring tale for his American and his, told against the gorgeous backdrop of a modern country in a modern world.
