Fanny Crosbys Story:

Fanny Crosby's Story of Ninety-four Years Fanny Crosby, 1915 This little book has been written in loving appreciation of one whom I knew intimately for many years and whose hymns I have sung since baby days No attempt has been made to present a critical study of Frances Jane Crosby but simply to retell the life of the Sightless Singer as she herself told it to me on various occasions when visiting my home p 11

Fanny Crosby Caulbert Bernard Ruffin, 1976 During the era of the gospel song a light informal hymn written in the style of the popular ballad Fanny Crosby reigned supreme This would have encompassed approximately the years 1870 to 1920 Her hymns were sung all over the world But Fanny Crosby was known for more than her hymns She was one of the three most prominent D L Moody and Ira Sankey were the others in American evangelical religious life in the last quarter of the nineteenth century She did more than write hymns She was a famous preacher and lecturer and was a devoted home mission worker She was venerated as practically a living saint in her later years in fact she was often called the Protestant saint or the Methodist saint Fanny Crosby in her ninety five years not only wrote around nine thousand hymns more than anybody else in recorded Christian history but also more than a thousand secular poems In addition she was an eminent lecturer and a well known musician noted for her concerts on the harp and organ Introduction *Fanny Crosby's Life-story* Fanny Crosby, 1903

creativity Her life was as remarkable as her writing Blinded as an infant Fanny Crosby began generating verses while still a young child Her lifelong passion for God infused her lyrics with evangelistic zeal pointing all listeners and singers alike to a loving and welcoming God In the recollections she offers the tender memories and gentles insights of a woman who lived her life not defined by limitations but bursting in creativity all through God s love Fanny Crosby's Life-Story Fanny Crosby,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1905 edition Excerpt CHAPTER XXVI 1843 1903 OLDEST AND NEWEST HYMNS I AM often asked Do you write as many hymns as ever Perhaps not quite but this is owing to the fact that I spend so much time visiting churches in different parts of the country and speaking and reading my poems to audiences My relations with Christian Endeavor Societies and Young Men s Christian Associations are also very intimate and friendly and I often address them I wear a gold badge of membership presented me by one of the Railroad Branches of the Y M C A and prize it more than as if it were studded with diamonds How valuable such tokens are when we feel that they come from the heart I include in this chapter some of my earliest and some of my latest hymns others can be found in various hymn books In one of those here published it will be noticed words and music are both by myself but I have heretofore been content to write the words and let others furnish the music This is the only case in which I have departed from the rule While writing my earlier poems I did not attempt hymns although my mind was often drawn in that direction I greatly admired the grand productions of Watts Wesley Montgomery and others but it did not then occur to me that I could write hymns that people would care to sing Still I am convinced now that events were shaping to make it possible for me to take up what proved to be my real life work Everything in this world is progressive and courage and ambition are no exception to the rule I seem to have been led little by little toward my life work and believe that the same fact will appear in the life of any one who will cultivate such powers as God has given him and then go on bravely quietly but persistently *An Evening of Song and Story with Fanny J. Crosby, the Blind Poetess* S. Trevena Jackson,1912
