fulfill its potential by facilitating our comprehension of cultural identity *The Paynes of Hamilton* Mrs. Augusta Francelia Payne White,1912 *Annual Report of the Comptroller* New York (State). Catherine Cookson Country Julie Taddeo,2016-12-05 Britain s most widely read author of the late twentieth century Catherine Cookson published more than 100 books including *The Fifteen Streets* *The Black Velvet Gown* and *Katie Mulholland* Set in England s industrial northeast her novels depict the social economic and emotional hardships of that area In the first essay collection devoted to Cookson the contributors examine what Cookson s memoirs and historical fiction mean to readers including how her fans contribute to her position in the cultural imaginary constructions of gender class and English and Irish identity in her work the importance of place in her novels Cookson s place in the heritage industry and television adaptations of Cookson s works Cookson s work tackled topics that were still taboo in the early post World War II era such as domestic abuse rape and incest This collection places Cookson in historical context and shows how skillful she was at pushing generic boundaries **Skyship** John Brosnan,2013-07-25 A giant airship over 2000 feet long powered by a nuclear reactor Carrying 400 passengers as well as cargo it s the first of a luxury fleet that could revolutionise long distance travel The public must be convinced it is safe but there are powerful groups determined to see the first flight become a spectacular disaster Michael Colino is hired to thwart sabotage attempts on the maiden voyage and unless he can avert imminent catastrophe America s biggest city will become a graveyard **British Working Class women authors (born before 1962) a list** Stefan Szczelkun ,2025-06-07 A collection of Wikipedia articles edited reformatted and with additions In chronological order References and sections on non literary activity are sometimes omitted hopefully not to the point of misrepresenting the author which might include feminist or political activism To my surprise the biographical material on Wikipedia was sometimes mesmerising although it was uneven Where there were gaps I have tried to fill them from other sources Refer back to the wikipedia articles for more context and references in some cases and if you have a verified source of information please update the Wikipedia article Wikipedia is published under a creative commons licence So this compilation also carries a creative commons licence Introduction Looking through Sarah Richardson s *Writing on the Line*

1996 I was struck by how many of the working class women writers were from North America and how many more were poets Howard Slater had made a list of British working class male novelists and I selected British woman writers from Writing on the Line and found that most of them now have Wikipedia pages I first made a list of links Wanting to take this further I first looked to focus on novels and short story writers but this category started to break up as many writers wrote in many idioms producing fact fiction poetry plays screenwriting and journalism I decided on an arbitrary cut off point of writers born before 1962 When I first made the list I was thinking how few working class women novelists had been published in this period But then the lists of books by each author started to stack up and there s plenty to read and much that I missed even really hearing about Of course it focuses on the most successful others who produced a community published autobiography or self published novel did not get a Wikipedia page and they should really be included every life counts Others only published an autobiography perhaps in the last years of life but were extraordinary writers and people We could also discuss discuss the genre snobbery in literary circles that puts crime young peoples literature romantic and fantasy fiction and perhaps historical based narratives in a lower category than the novel Documents of the Assembly of the State of New York New York (State). Legislature. Assembly,1873 **Annual Report of the Comptroller of the State of New York** New York (State). Comptroller's Office,1901
