Rabkin,1979-06-07 As the first international anthology to cover the entire scope of fantastic narrative *Fantastic Worlds* presents over fifty tales myths and stories ranging from Genesis to Ovid Hans Christian Andersen to J R R Tolkien Edgar Allan Poe to James Thurber and Franz Kafka to Italo Calvino Including tales of fairies and elves ghost stories high fantasy and stories of social criticism and the conflict between science and religion this volume presents a diverse selection of writings that all share the same capacity to liberate the human spirit through the wild mental acrobatics of fantasy **Encyclopedia of Play in Today's Society** Rodney P. Carlisle,2009-04-02 Selected as an Outstanding Academic Title by Choice Magazine January 2010 The Encyclopedia of Play A Social History explores the concept of play in history and modern society in the United States and internationally Its scope encompasses leisure and recreation activities of children as well as adults throughout the ages from dice games in the Roman empire to video games today As an academic social history it includes the perspectives of several curricular disciplines from sociology to child psychology from lifestyle history to social epidemiology This two volume set will serve as a general non technical resource for students in education and human development health and sports psychology leisure and recreation studies and kinesiology history and other social sciences to understand the importance of play as it has developed globally throughout history and to appreciate the affects of play on child and adult development particularly on health creativity and imagination **Understanding Bereavement Reactions in Adults and Children** Marian Osterweis,1988 **Reading Enid Blyton** Philip Gillett,2020-10-19 Enid Blyton has been disparaged by her critics since the 1950s and her stock is still low though this has not deterred readers New editions of her work have been published regularly since her death in 1968 Recently there have also been stage and television adaptations of her Malory Towers books while other authors have continued to write stories based on her characters There are also Famous Five parodies which rely on readers familiarity with the series A continuing affection for her work is apparent though it is not always clear whether this comes from parents or their children Reading Enid Blyton places the author s work in its cultural and historical context The book examines a sample of her vast output looking at five recurring themes a sense of place a sense of period a sense of childhood a sense of class and a sense of fantasy A survey of changing attitudes towards

Blyton reveals contrasting ways of looking at her work and raises the question whether she was as reactionary a writer as she appeared

The Impulse of Fantasy Literature Colin N. Manlove, 2020-06-30 This book grew out of the author's wish to go beyond a formal definition of fantasy to discover a basic urge and interest common to the genre He finds this urge to be the celebration of identity Fantasy is ultimately concerned to heighten and praise being whether that being is God's creation the world or the creations of the fantasy writer themselves This interest can take the form of direct eulogy or of more unconscious fascination It is seen in fantasy's conservatism and its frequently elegiac mode and is demonstrated through its formal characteristics such as circular structure and the use of juxtaposition to heighten individuality It is more overtly present in modern than in pre 1800 fantasy partly because modern fantasy developed as a Romantic reaction against technology and everything that reduced direct contact between people and the environment These aspects of fantasy are illustrated from detailed discussion of the tales of Grimm Walter de la Mare's *Told Again* W M Thackeray's *The Rose and the Ring* Charles Williams's prose fantasies Ursula le Guin's *Earthsea* trilogy E Nesbit's magic books George MacDonald's *Phantastes* and *Lilith* T H White's *The Once and Future King* Mervyn Peake's *Gormenghast* novels William Morris's late romances Lord Dunsany's *The King of Elfland's Daughter* E R Eddison's *The Worm Ouroboros* and Peter Beagle's *The Last Unicorn* Together these authors and works provide a cross section of what is a fundamentally panegyric genre demonstrating its variety its strengths and its limitations

This landmark volume is the first to bring together leading scholarship on children s and young adult literature from three intersecting disciplines Education English and Library and Information Science Distinguished by its multidisciplinary approach it describes and analyzes the different aspects of literary reading texts and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children s literature Part one considers perspectives on readers and reading literature in home school library and community settings Part two introduces analytic frames for studying young adult novels picturebooks indigenous literature graphic novels and other genres Chapters include commentary on literary experiences and creative production from renowned authors and illustrators Part three focuses on the social contexts of literary study with chapters on censorship awards marketing and literary museums The singular contribution of this Handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory **Childhood, Agency, and Fantasy** Ingrid E. Castro,2021-01-12

Joining the emergent interdisciplinary investment in bridging the social sciences and the humanities Childhood Agency and Fantasy Walking in Other Worlds explores linkages between children s agency and fantasy Fantasy as an integral aspect of childhood and as a genre allows for children s spectacular dreams and hopeful realities Friendship family identity loyalty belongingness citizenry and emotionality are central concepts explored in chapters that are anchored by humanities texts of television film and literature

but also by social science qualitative methods of participant observation and interviews Fantasy has the capacity to be a revolutionary change agent that in its modernity can creatively reflect critique or reimagine the social political and cultural norms of our world Such promise is also found to be true of children s agency wherein children s beings and becomings rooted in childhood s freedoms and constraints result in a range of outcomes In the endeavor to broaden theory and research on children s agency fantasy becomes a point of possibility with its expanding subjectivities far reaching terrain and spirit of adventure
