**Fantastically Funny Stories** Michael Rosen, 2005-06-02 [SideSplitters](#) Fantastically Funny Stories by Michael Rosen Young readers will love this collection of rib tickling tales with hilarious cartoon illustrations on every page These very short stories feature crazy characters such as a rogue elephant a nearsighted dentist and killer germs

**The Supernatural and Fantastic in Short Detective Fiction** Laird R. Blackwell, 2020-11-23 Although fantasy and supernatural literature have long and celebrated histories many critics contend that the fantastic and the supernatural have no place in the logical rational world of the detective story This book is the first extensive study of the fantastic in detective fiction and it explores the highly debated question of whether detective fiction and the fantastic can comfortably coexist The locked room mystery which often uses the fantastic as a red herring to eventually be debunked by reason and logic has long been among the most popular subgenres of detective fiction This book also explores stories featuring almost supernaturally gifted detectives stories where the supernatural is truly encountered and stories with ambiguous endings Close to 500 detective stories from 1841 to 2000 in which the fantastic or supernatural plays a central role are discussed and analyzed Although not all the stories are judged to be successful as detective tales in the great majority the fantastic enlivens the tale and deepens the mystery without weakening the detective elements

[Stories That Make History](#) Lynn Stephen, 2021-09-20 Lynn Stephen examines the writing of Elena Poniatowska showing how it shaped Mexican political discourse and provides a unique way of understanding contemporary Mexican history politics and culture

**The Opposite of Maybe** Maddie Dawson, 2014-04-08 A heartfelt and exceptionally human novel about the best mistakes a person can make Jonathan and Rosie have been together so long they finish each other s sentences so when he finally proposes and asks her to move across the country with him everyone is happily surprised But when things suddenly unravel Rosie sends Jonathan packing and moves back home with Soapie the irascible opinionated grandmother who raised her Now she has to figure out how to fire Soapie s very unsuitable caregiver a gardener named Tony who lets her drink martinis smoke and cheat at Scrabble It s meant to be a temporary break of course until Rosie realizes she s accidentally pregnant at 44 completely unequipped for motherhood and worse may be falling in love with Tony whose life is even more muddled than hers When Soapie reveals a long hidden secret Rosie wonders if she has to let go of her fears and trust that the big hearted messy life that awaits her just may be the one she was meant to live Praise for The Opposite of Maybe Dawson s charmingly eccentric cast of characters is at turns lovable and infuriating ensuring a quick read helmed by a memorable complex heroine Publishers Weekly Delightfully witty A messy funny surprising story of second chances Kirkus Reviews Dawson keeps readers turning the pages to find out who Rosie will choose in the end

Booklist **It's a Crazy Christmas** Giles Andreae, 2014-10-02 Meet Billy He s Bonkers The Christmas celebrations have

begun But when Billy gets trapped by a snowman weed on by a puppy and burped on by his relatives he decides it s a totally crazy Christmas 3 side splittingly hilarious stories in 1      **Stories I Tell My Patients** Arnold Andersen,2016-02-22 Stories I Tell My Patients by Arnold Andersen MD has been an intermittent feature in Eating Disorders The Journal of Treatment and Prevention from 1993 to 2015 The complete set of 101 stories is collected here in one volume for the first time Combining myth metaphor fable tall tale and inventive fantasy they were originally intended for professionals treating eating disorders to read and share with their clients though they can also be read and appreciated by individuals in recovery and their loved ones An eclectic mix Arnold s stories are both entertaining and insightful Some are vaguely familiar with his own peculiar interpretations such as the retelling of The Emperor Has No Clothes or Faustian deals with the devil and Jack and Jill appear but instead of rolling down a hill they are canoeing down a rapid river There are knights in shining armor time machines intergalactic travelers stories derived from Greek mythology anorexic saints of the 16th century and current events a few of which may seem dated like Hurricane Floyd or top baseball salaries of five million dollars Most of the stories sprang from Arnold s imagination and many were inspired by his direct interactions with patients He introduces such characters as Tom Dick and Harry going camping Muffy and Buffy sitting in judgment and Clip and Clop plowing a field Inanimate objects such as buoys and thermometers carry on conversations and descriptions of Paris reflect the author s love of that beautiful city Storytelling is not meant ultimately to cure eating disorders but rather to get attention to convey an idea to instill a seed to shake a complacency No matter how old we get we can relate to roses and bike trips shadows and catsup      Harvey Angell Beats Time Diana Hendry,2002-05 After a great storm Henry finds a baby bundles up in Aunt Agatha s hollyhocks But this is no ordinary baby this one has antennae instead of eyebrows and Henry suspects his old friend Harvey Angell is responsible      The Writers Directory ,2013      **Salute** Mark Marine,2020-04-17 Quick Cheerful With fire and spirit This is Salute Mark is a storyteller A storyteller extraordinaire His wit wisdom and experiences transport each of us to different times places passages and moments in life with an amazing rich imagination We ve been with him at Dee s Hamburger Stand in a far less politically correct era We ve been with him in his living room as he scaled sofas end table and recliners in a single bound We ve spent many a Sunday dinner with him in the Marine family s dining room And he gave us a front row seat for the moment that changed his life the day he first cast eyes on Paula His storytelling is seamless It s art But most importantly it s Mark Unbridled Unvarnished And all served to us with a wink a smile a laugh a lesson and a tinge of the devil may care      **Sea Stories from Springbok** Gavin Russell,2024-06-13 Forty former sea goes of all descriptions live in a unique little country estate in Surrey Their memories from as early as 1957 have become the inspiration for this collection of varied entertaining and salty tales Engineers seamen officers fishermen and yachtsmen serving on general cargo and container ships tankers luxury yachts trawlers cruisers and aircraft carriers who have travelled the world in all its weathers have given us some priceless accounts of their adventures From tragedy to bullets flying from hilarious to horrific and with loneliness and

comradeship it will keep you guessing and turning the pages Stories include paying not to have to buy the chief's daughter emergency four hundred feet down in a diving bell watching your thumb go off in a crane stop losing power in a force ten storm with your trawls down bleeding on the floor of the Taverna caught with your live in girlfriend by the skipper surviving the sinking ferry and so much more How did such a collection of seafarers come together in this unlikely place It all began at the end of the First World War when a shipping magnate and a seamen's union boss got together to take care of the many injured Merchant Navy casualties They organised a huge fund raising occasion in London which provided enough funds to buy a nursing home in Kent that did essential work for years until the Second World War In 1947 with the help of a magnificent contribution from the South African government given in gratitude for our Merchant Navy keeping them supplied during the war and the generosity of the RMT Union they were provided with a new home in Surrey Springbok where they and all arrivals since have been given a home and supported ever since The Merchant Navy has had to survive drastic changes over the years moving from general cargo to container ships and then tankers Each step meant that serious adjustments had to be made by all involved When containers took over the turnaround times in port meant there was no longer a week or more for unloading and no longer times for friendly relationships in port Working in tankers meant crews were so remote at the distant unloading points that they often did not get ashore at all Then the introduction of Flags of convenience provided much more competition from around the world for our countrymen conditions changed again Inevitably ships moved in and out of war situations often supplying the combatants Do not simply imagine lone cargo carriers ploughing the distant waters the Royal Navy was always busy keeping seaways safe while there are so many other reasons for being on or in the oceans including for the sheer pleasure of it We have got them all living here on the Estate Through all the changes our seafarers managed fascinating careers wherever they were around the world's oceans Compensations came and went and relationships too but they always shared their work and experience to make life more liveable It is all in this book of gripping yarns

**How Not to Totally Put Your Children Off God** Howard Worsley, 2020-04-17 Parenting can be the best or worst of times It can be a

role we love best or one that causes great insecurity There is no formal training for parenthood There are no clear benchmarks of success and yet it demands all our resources skills and attention Parenting has no blueprint This book is the merging of the author's deep convictions of parenting with examples of both When it worked and When it did not work He has also elicited the help of his sons to write their perspectives on how their experiences and memories connect or differ from his own Each chapter has two sections Section A contains reflections on habits that seemed to work in passing on faith Section B then reflects on the same habit but from a more critical perspective These five chapters come from the author's experiences as a dad as a Christian leader and as a theologian The first section in each chapter marks those habits that he believes in passionately They are the Do's those habits formed in parenting for faith They emerged in the business of parenting and have become clearer over life The second section notes when parenting seemed to go wrong These are the nightmares that skulk around the edges of a parent's consciousness the failures when high hopes are not realised However it could be that in these cock ups in being a parent are when the actual parenting for faith is really carried out That at least is the comment made by the three sons commenting on the script *At Home With The Buckleys* James & Clair

Buckley,2022-09-29 CLAIR We've been let loose on a book whose bright idea was that JAMES We haven't got anything to say CLAIR Don't tell them that before they buy it JAMES They'll work it out eventually CLAIR Well we've managed to put together some bits and pieces that might be interesting or at least funny weird silly JAMES Probably not CLAIR No probably not Though if you like the vlogs you might like it JAMES No one likes the vlogs CLAIR True JAMES Anyway enjoy *At Home with The Buckleys* is one couple's take on the wild ride that is modern marriage parenting and adulting Told from both sides Clair and James share a collection of hilarious stories and comedy excursions from their early lives years of cult TV fame having children and setting up their YouTube channel Performance in Popular Culture Sharon Mazer,2023-08-31

Performance in Popular Culture reveals the intricate relationship between performance and popular culture by exploring how theatrical conventions and dramaturgical tropes have informed the way the social is constructed for popular consumption Staged as a series of case studies this book considers the diverse ways the social is imagined and produced in live and mediated performances in images and texts in interactive experiences and in cultural institutions By looking at performance in popular culture the world we live in becomes more visible open to investigation and perhaps to change Performance in Popular Culture engages a wide range of disciplines and theoretical frameworks performance theatre and cultural studies comparative literature and media studies gender and sexuality critical race and post colonial theories Designed for accessibility at an undergraduate level the case studies make use of visual materials moving images and texts that are readily available to lecturers and students to scholars and to the general public *How to Stay Bitter Through the Happiest Times of Your Life* Anita Liberty,2006-06-13 I had a lot of bad dates But I wrote a lot of good poems So maintains Anita Liberty the caustically funny New York City performance artist who was going along happily healing her hurt by hating and humiliating

her detestable ex boyfriend on stage and in print until the unthinkable happened she had a good date And one good date deserves another And another And another And all of the sudden Anita Liberty finds herself in a predicament Getting dumped launched Anita s career Will falling in love finish it Who s more important her devoted audience or her newly devoted boyfriend And on top of everything Hollywood won t stop calling and Anita can t figure out if It wants a serious commitment or just a little bit of no strings attached fun From digging mercilessly into the minutiae of her new relationship to dramatically torching every professional bridge she crosses in L A Anita refuses to let a big load of bliss get dumped right in the middle of her career path He said that my work was amazing and hilarious and smart and that he can t wait to see me perform So I had sex with him My boyfriend asked me to change my look To something other than contemptuous BARGAIN Whatever Hollywood ends up paying me for the rights to the story of my life It s easier to go back to fantasizing about perfection than to accept that perfection is just a fantasy Boyfriend thinks I d rather be right than happy Boyfriend s right But I m not telling him that Through blog entries film scenes poems and to do lists Anita Liberty documents the perils and pitfalls of dating sex relationships artistic success and the kind of true love that sucks the creative life out of you to the point where you just end up staring at a blank computer screen and thinking gooey thoughts about your new boyfriend even though you should be writing
