Fantasyland Inside The Reign Of Bill Vander Zalm:

Fantasyland Gary Mason, Keith Baldrey, 1989 *Politics, Policy, and Government in British Columbia* R. Kenneth Carty, 1996 *Politics Policy and Government in British Columbia* examines the political life of Canada's dynamic Pacific province Each of the seventeen chapters written by well known experts provides an up to date portrait and analysis of one of the many faces of B C politics Taken together they provide a clear and comprehensive overview of the dominant themes and issues that have been the distinguishing features of the province's political life **The Mighty Hughes** Craig McInnes, 2017-10-13 An in depth look at the life and career of retired judge and conflict of interest commissioner Ted Hughes whose unflinching integrity earned him the reputation as Canada's moral compass Throughout his sixty year career Ted Hughes has been a model of ethical conduct in the Canadian judicial system The son of immigrant homesteaders who grew up in Saskatoon during the Depression he might have retired as a respected senior judge in the town where he was born had his career not been sideswiped by the intense party politics underpinning Canadian judicial appointments in the 1970s The injustice he felt led him to BC where he reinvented himself as a civil servant in a province that was earning a reputation for wacky unprincipled politics There he became Canada's moral compass a man of such integrity that his condemnation alone persuaded one premier to resign and another to bring in a watchdog to look after vulnerable children Hughes has ferociously defended the principles that underpin the best of our society He has an unfashionable belief in the virtue of the law the nobility and responsibility of public service and the honour of politicians and politics He was an early defender of equal rights for women in the legal system the protection of children in care and in recognizing the disastrous effect of colonization on First Nations This is the story of his remarkable life and how he became the lion Canadians needed him to be in when the credibility of our political system was on the line *The Art of the Impossible* Geoff Meggs, Rod Mickleburgh, 2015-06-15 At his first cabinet meeting Premier Dave Barrett takes off his shoes leaps onto the leather inlaid cabinet table and skids the length of the room Are we here for a good time or a long time he roars His answer a good time a time of change action doing what was needed and right not what was easy and conventional He set the tone for a government that changed the face of the province During the next three years he and his team passed more legislation in a shorter time than any government before or since A university or college student graduating today in BC may have been born years after Barrett's defeat but could attend a Barrett daycare live on a farm in Barrett's Agricultural Land Reserve be rushed to hospital in a provincial ambulance created by Barrett's government and attend college in a community institution founded by his government The continuing polarization of BC politics also dates back to Barrett the Fraser Institute and the right wing economic policies it preaches are as much a legacy of the Barrett years as the ALR Dave Barrett remains a unique and important figure in BC's history a symbol of how much can be achieved in government and a reminder of how quickly those achievements can be forgotten This lively and well researched book is the first in depth study of this most memorable of BC premiers Rebel

Women of the West Coast Rich Mole, 2011-01-31 Here are the stories of singularly courageous West Coast women driven obsessed sometimes desperate people whose nonconformist beliefs and actions made them rebels in society's eyes Many faced hardship and ridicule as they pursued their goals In these vivid biographies Rich Mole chronicles the lives of some of the most celebrated and controversial women in BC Washington and Oregon including pioneer Catherine Schubert who faced danger and starvation on her heroic journey west ballot box rebel Abigail Scott Duniway who endured poverty and scathing criticism during her fight for women's suffrage Irene Bonnie Baird who disguised herself as a nurse to write an exposé of their ordeals of Depression era protesters complex and contradictory doctor Bethenia Owens Adair who broke gender barriers yet is also remembered for a more tragic legacy By demanding equality and respect in lecture halls shipyards government assemblies and operating theatres these women helped shape the society we live in today The Politics of Resentment Philip Resnick, Institute for Research on Public Policy, 2000 An examination of the role that British Columbia has played in the evolving Canadian unity debate Philip Resnick explores what makes British Columbia stand apart as a region of Canada and looks at the views of politicians opinion makers and ordinary citizens on various issues **Legal Ethics and the Attorney General** Andrew Flavelle Martin, 2025-02-28 In Canada the Attorney General holds a complex and unique role within the federal provincial and territorial governments Despite this key position there is relatively little knowledge and understanding of the role and professional responsibilities of the Attorney General among the public the media policymakers and politicians including at least some Attorney Generals themselves Legal Ethics and the Attorney General adopts a doctrinal approach to examine and explain how legal ethics and particularly the law of lawyering applies to the Attorney General The book illustrates that while the role of the Attorney General is unique the individual occupying this position practises law and should be held to the same standards as any other lawyer It addresses common misconceptions that the Attorney General is not truly a lawyer that actions deemed wrongful for other lawyers may not be considered wrongful for the Attorney General or that the accountability measures appropriate for lawyers do not apply to the Attorney General Ultimately Legal Ethics and the Attorney General reveals the importance of the accountability of the Attorney General especially to the provincial and territorial law societies that serve as regulators of the legal profession This accountability is essential not only for upholding the rule of law but also for enabling these societies to fulfil their statutory mandates to regulate the legal profession in the public interest Bill Bennett Bob Plecas, 2009-12-01 Bill Bennett is an eyewitness account of B C premier W R Bill Bennett's eleven years in power from 1975 to 1986 Never seen as a populist or a great communicator Bennett nevertheless won three elections in a row a feat surpassed only by his father W A C Bennett who won six The younger Bennett also twice captured the highest percentage of the popular vote of any premier since the Second World War Among his very significant and undervalued achievements Bennett dramatically changed the way British Columbia is governed and the way in which it came to be perceived on the world stage chaired Canada's provincial premiers during the repatriation of the constitution built the

Coquihalla highway created the Whistler ski resort and brought the Port of Prince Rupert Sky Train and BC Place Stadium to the province *Canada: The State of the Federation 1991* Douglas M. Brown, 1991 *Head On!* R. G. Harvey, 2004 In a province where mountain ranges are at odds with road and rail builders and its capital city and a large portion of its population are on an island it is no surprise that provision of an effective transportation system has been a challenging undertaking or that mistakes have been made In many cases BC's political leaders not only didn't solve problems they added to them And many of the mistakes made resulted from premiers exploiting their time in office to further their own political preferences theories and agendas This insider's examination looks at premiers errors and exploitations along with their triumphs and achievements from the first days of the provincial government Whether it be trouble with bridges premiers Prior and Pattullo railways McBride and Bennett or ferries Clark R G Harvey calls it like he sees it **Canadian History: Confederation to the present** Martin Brook Taylor, Doug Owram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **On the Line** Rod Mickleburgh, 2018-04-28 The BC tradition of fighting back against unfair pay and unsafe working conditions has been around since before the colony joined Confederation In 1849 Scottish labourers at BC's first coal mine at Fort Rupert went on strike to protest wretched working conditions and it's been a wild ride ever since For years the BC labour movement was the most militant in the land led by colourful characters like Ginger Goodwin murdered for his pains and pull no punches communist Harvey Murphy who brought the house of labour down on himself with his infamous underwear speech Through years of battles with BC's power elite and small victories followed by bitter defeats BC unions established the five day work week the eight hour day paid holidays the right to a safe non discriminatory workplace and many more taken for granted features of the modern work landscape But unions enemies never sleep and well into the second decade of the twenty first century battles still go on like that of BC teachers in their long and ultimately successful struggle to improve classroom conditions On the Line also highlights the role played by women Indigenous and minority workers in working toward equality and democracy in workplaces and communities In prose that is both accessible and engaging accompanied by over two hundred archival photos Mickleburgh tells the important story of how BC's labour organizations have shaped the economic political and social fabric of the province at a cost of much blood sweat toil and tears This volume is the most comprehensive overview of labour's struggle in BC and will be of particular interest to union members community activists academics and readers of regional history Unceded George M. Abbott, 2025-09-15 Unceded is a compelling history of the BC government's relationship with Indigenous peoples from early land question disputes to current reconciliation efforts Treaty commissioner George M Abbott combines archival research with a former cabinet minister's insider perspective on government to chronicle over 150 years of BC Indigenous relations He details how early government officials refused to negotiate treaties instead coercing First

Nations onto small reserves Despite sustained Indigenous resistance the situation only worsened in the decades that followed until several Supreme Court decisions compelled the province to sit down at the negotiating table More recently the province has taken steps toward reconciliation including passing legislation recognizing Indigenous rights As Abbott shows overcoming the legacy of colonialism is no small task but achieving justice is worth the effort Unceded will help all British Columbians understand historical wrongs and the obstacles to righting them

Continuities and Discontinuities Andrew F. Johnson, Stephen McBride, Patrick J. Smith, 1994-12-15 Continuities and Discontinuities assesses the making of Canadian social and labour market policy in the context of two factors globalization and neoconservatism Specialists from a variety of fields and disciplines examine the relation between Canada's changing political economy and its social welfare and labour market policy These essays analysing continuities and discontinuities in policy emerged from research that initially was presented at the 5th Conference on Social Welfare Policy held at Bishop's University in 1991 and that since then has been revised to reflect the situation of the mid 1990s Part I introduces the three broad areas explored in the volume Part II addresses new trends in Canadian political economy and their relation to public policy Part III analyses social welfare policy Of the essays included several investigate the democratizing of the Canadian welfare state and controversies in the conception and definition of poverty Others address the AIDS crisis health policy and social policy issues that primarily affect women children and native peoples In Part IV recent Canadian labour market policies are investigated and appraised and alternatives suggested or evaluated One essay argues that employment security and high wages could generate high productivity and international competitiveness another examines the impact of the growth in part time employment on the welfare state a third probes the relation of organized labour to a guaranteed annual income others investigate the impact of neoconservatism on labour market policy making in various provinces and regions Globalization and neoconservatism continue to shape change and require constant evaluation These thought provoking and informative essays are an important contribution to the ongoing debate on social welfare and labour market policy in Canada Saturday Night, 1989

Replacing Citizenship Michael P. Brown, 1997-03-28 This book uses an ethnographic study of one gay community's responses to AIDS to illustrate a radical democratic understanding of citizenship in contemporary society Analyzing specific forms of AIDS organizing and activism in Vancouver British Columbia from ACT UP to visiting buddy programs Brown explores the alternative spaces of political action that have formed in locations where state civil society and family overlap Instead of the traditional view of citizenship as a formal unchanging relationship between individual and state he proposes that citizenship is more productively discerned in everyday acts and in the actual places where we live our lives An important contribution to queer theory and theories of radical democracy the book brings abstract concepts down to earth with its nuanced portrait of the survival strategies of a community under siege Honorable Mention Myers Outstanding Book Awards
