Lyn Kennedy, 2020-07-05 Sexy funny playful and cunning Never let your guard down when I'm around It looked a little out of place but what's life without a little whimsy The

cottage was quaint and Gavin's plan was to live there forever. The first visitors came dressed for the Harvest in hats of dried fruits and pumpkins. Their eyes were bright red, almost glowing, and Gavin stifled a laugh as he welcomed them. He asked one couple where they had bought their costumes and joked along with them when they said they were not wearing costumes. This is who we are, Sir, one man said. Gavin smiled and turned his attention to the next couple. He didn't see the look of hunger on the face of the man who had walked away. Gavin is a tasty morsel, the man said to himself. The staff members didn't know why Gavin had come to their island, but many suspected he was hiding from someone. He tried his best to fit in with the island natives so as not to raise suspicions. He dressed as they did and he did the same work they did. No one was the wiser, or so he thought. He didn't know that he need not try so hard to fit in. The islanders wanted him to stay and they planned to keep him. When he met a cute young woman named Maddy, he was awestruck. And so was she. Maddy had heard from the locals that he looked like a supermodel, but that was an understatement. His body was perfect, not too thin, not too thick, and his face was beautiful. His eyes were the bluest eyes that Maddy had ever seen. Perhaps he would like to become one of us for good, she thought. He would sire lots of beautiful witches, unique witches. Gavin smiled at her and she let out a laugh that sounded more like a cackle and it caught him off guard. Maddy studied him intently and realized it wouldn't be easy to take advantage of him, but she would do it for the coven. He was in for quite an awakening, this man new to the island.

Bride's Bay Resort [Pepperoni Pizza Can Be Murder](#) Chris Cavender, 2011-04-01

When a friend is accused of murder, a pizza chef and her saucy sister cook up their own investigation in this small town Southern mystery. As the owner of the best pizzeria in Timber Ridge, North Carolina, Eleanor Swift knows a thing or two about guilty pleasures. But she's about to get a lesson in plain old guilt when she discovers a dead body in her kitchen. She knows her deliveryman, Greg Hatcher, would never have killed his brother, Wade. But all the ingredients are there to make him suspect number one. Not only was Wade greedily claiming more than his fair share of the family inheritance, he was also caught making out with Gregg's ex-girlfriend. And to top it all off, Greg has suddenly gone missing. But while the case seems open and shut, Eleanor knows that Wade had plenty of unsavory enemies in his past. Now she and her sister, Maddy, are out to clear Gregg's name before his final stop is the state penitentiary. Includes a delicious pizza recipe.

**Foetal Attraction** Kathy Lette, 2024-08-29 Madeline Wolfe is a mischievous, cunning, high rise, the shortest she's ever been, was tall for her age, Aussie redhead who can open beer bottles with her teeth and is on first name terms with every bartender in Bangkok. She's a woman in control of her life and no man is ever going to tell her what to do. So how come she's ended up twelve thousand miles from home in rainy London with no friends, her visa about to expire with no place to live, oh yes, and pregnant. She fell in love with Alexander Drake, that's how. But she soon realises that Alex goes through the tunnel of love, holding his own hand. He also has more secrets than MI5. Alex may not be the man she thought he was, but can she persuade him to be the man she needs him to be, preferably before the baby arrives. Praise for Kathy Lette. Fabulous, fast-paced, funny, unapologetically female. Nobody does it better. DEBORAH FRANCES WHITE. THE GUILTY FEMINIST. Deliciously rude and darkly funny, but with compassion and humanity at its heart. Read with relish. NICOLE KIDMAN. Kathy Lette can turn from raunchy farce to the most tender emotion in a trice. STEPHEN FRY. *Bindi* Paul Matthew Maisano, 2025-04-08 A richly imagined debut set against the backdrop of India, London, and Hollywood that tells the story of a young boy suddenly orphaned and the adults around him, each of whom is also looking for a home in the world. Kerala, 1993. Eight-year-old Birendra suddenly loses his mother, but he refuses to believe he's an orphan. He's certain that his mother's twin sister, the troubled but winning Nayana, will come for him, all the way from West London. But when the letter informing Nayana of her sister's death goes missing, numerous lives are forever altered, and Birendra is set adrift. Madeline, a Los Angeles native and interior designer to the stars, is floundering in her personal life. In the aftermath of a failed attempt to get pregnant, she flies to India where she finds herself face to face with Birendra. In a moment of sudden certainty, she decides she must adopt the boy in order to save them both. As Nayana falls deeper into crisis at work and in her marriage in London, Birendra learns to make himself at home in Los Angeles, forging an especially close bond with Madeline's younger brother, Edward, who begins to worry that his sister may have met her match in motherhood. When he learns of his adopted nephew's family in London, Edward is faced with an impossible choice. If he can find Nayana and reunite her with her nephew, should he? Even if, in doing so, he would risk unwittingly setting the two women who love the boy most against each other. Written in stirring prose and infused with keen emotional insight, *Bindi* is about our search for family and for home, and an exploration of the ways that loss and longing can be converted into hope, connection, and love. *Behind the Curtain* David P. McMullan, 2016-01-28 Since September 11th, 2001, America has not experienced another major attack on U.S. soil. This is not by accident, but due to the diligence of those assigned to protect us. Now there is another credible threat targeting the New York, New Jersey area, and Jake Patrick, the Director of the New Jersey Special Task Force on Terrorism, might be the only person capable of preventing it. As the evidence begins to materialize, the scope of the planned attack appears enormous, and the potential loss of life would be devastating. Teamed with the New York City Anti-Terror Unit, Jake's in a race against time to discover the day, time, and target of this attack before disaster strikes once again. This is the story of the days and hours leading up to this assault and
