The Junior College Library Collection ,1970 **Books in Print** ,1991 **Books in Series** ,1985 Vols for 1980 issued in three parts Series Authors and Titles **This Abominable Slavery** W. Paul Reeve,Christopher B. Rich,LaJean Purcell Carruth,2024-10-04 This eye opening volume draws extensively on previously unused sources to chronicle the 1852 Utah territorial legislative session during which the legislature passed two important statutes one that legally transformed African American slaves into servants but did not pass the condition of servitude on to their children and another that authorized twenty year indentures for enslaved Native Americans This Abominable Slavery places these debates within the context of the nation s growing sectional divide and contextualizes the meaning of these laws in the lives of Black enslaved people and Native American indentured servants *American Far West in the Twentieth Century* Earl S. Pomeroy,2008-10-21 In this richly insightful survey that represents the culmination of decades of research a leading western specialist argues that the unique history of the American West did not end in the year 1900 as is commonly assumed but was shaped as much if not more by events and innovations in the twentieth century Earl Pomeroy gathers copious information on economic political social intellectual and business issues thoughtfully evaluates it and draws a new and more nuanced portrait of the West than has ever been depicted before Pomeroy mines extensive published and unpublished sources to show how the post 1900 West charted a path that was influenced by but separate from the rest of the country and the world He deals not only with the West s transition from an agricultural to an urban region but also with the important contributions of minority racial and ethnic groups and women in that transformation Pomeroy describes a modern West increasingly urban transnational and multicultural that has overcome much of the isolation that challenged it at an earlier time His final book is nothing short of the definitive source on that West Federal Ground Gregory Ablavsky,2021-02-12 Federal Ground shows how the federal government gained authority in a borderland that many groups made their own claims to control Although on paper the federal government enjoyed almost exclusive control over the territories it actually gained authority because territorial residents wanted things from this new federal government confirmation of rights to land to jurisdiction to money Often those residents Native peoples Anglo American settlers French villagers were able to successfully exploit the federal government But they became increasingly reliant on that government in the process couching their claims in the language of federal law and turning to federal officials to claim rights **Paperbound Books in Print** ,1984 *Subject Guide to Books in Print* ,1983 *Nebraska History* Addison Erwin Sheldon,James Lee Sellers,James C. Olson,1988 *Books Out-of-print* ,1986 **The Publishers' Trade List Annual** ,1979 *Utah Historical Quarterly* ,1971 List of charter members of the society v 1 p 98 99 The Western Historical Quarterly ,1983 Instructional Video and Film Catalog Through University of Colorado Boulder.
