**Julia B. Rosenbaum**

## **Far And Near The Writings Of John Burroughs:**

The Complete Writings of John Burroughs John Burroughs, 1924      **The Writings of John Burroughs** John Burroughs, 1968      *Far and Near* John Burroughs, 2014-03-30 This Is A New Release Of The Original 1901 Edition      **The Writings of John Burroughs** John Burroughs, 1904      **A Catalogue of the Most Important Books Available for Free Circulation Among Subscribers to 'The Times'** The Times, London. Book club, 1905      Visions of Belonging Julia B. Rosenbaum, 2006 In the late nineteenth and early twentieth centuries depictions of New England flooded the American art scene Childe Hassam Willard Metcalf Theodore Robinson and Julian Weir and other well known artists produced images of quaint villages agricultural labor scenic rural churches and the distinctive New England landscape Julia B Rosenbaum asks why and how a range of artists including Impressionist and Modernist painters and sculptors and exhibitors fashioned this particular vision of New England in their work Against the backdrop of industrialization immigration and persistent post Civil War sectionalism many Americans yearned for national unity and identity As Rosenbaum finds New England emerged as symbolic of cultural and spiritual achievement and democratic values that served as an example for the nation By addressing the struggles for national unity the book offers a new interpretation of turn of the century American art Ultimately *Visions of Belonging* demonstrates how the local became so important to the national how art was crucial to the formation of national identity and how internal nation building takes place within the realm of culture as well as politics And even as later artists such as Georgia O Keeffe challenged New England's cultural hegemony the appeal of linking regional identity to national ideals continued in distinctive ways Beautifully illustrated with color plates and almost sixty halftones *Visions of Belonging* explores the interplay between art objects and the shaping of loyalties and identities in a formative phase of American culture It will appeal not only to art historians but also to anyone with an interest in nineteenth century studies the Gilded Age and Progressive Era American studies New England history and culture and American cultural and intellectual history      Los Angeles School Journal , 1927

The Complete Writings of John Burroughs. Volume 13, Far and Near John Burroughs, 1924      *The Southwest in American Literature and Art* David Warfield Teague, 1997-10 By analyzing ways in which indigenous cultures described the American Southwest David Teague persuasively argues against the destructive approach that Americans currently take to the region Included are Native American legends and Spanish and Hispanic literature As he traces ideas about the desert Teague shows how literature and art represent the Southwest as a place to be sustained rather than transformed 14 illustrations      *Dominion of Bears* Sherry Simpson, 2013-10-18 Long ago we invited bears into our stories our dreams our nightmares our lives We have always sought them out where they live for their hides their meat their beauty their knowingness Human country and bear country exist side by side As Sherry Simpson suggests the relationship between bears and humans is ancient and ongoing and in Alaska profoundly and often uncomfortably close A huge number of North America

s bears live in Alaska including at least 31 000 brown bears 100 000 black bears and 3 500 polar bears And nearly every aspect of Alaskan society reflects their presence from hunting to tourism marketing to wildlife management to urban planning A long time Alaskan Simpson offers a series of compelling essays on Alaskan bears in both wild and urban spaces because in Alaska bears are found not only in their natural habitat but also in cities and towns Combining field research interviews and a host of up to date scientific sources her finely polished prose conveys a wealth of information and insight on ursine biology behavior feeding mating social structure and much more Simpson crisscrosses the Alaskan landscape in pursuit of bears as she muses marvels and often stands in sheer awe before these charismatic creatures Firmly grounded in the expertise of wildlife biologists hunters and viewing guides she shows bears as they actually are not as we imagine them to be She considers not only the occasionally aggressive behavior bears need to survive but also the violence exacted upon them by trophy hunters advocates of predator control or suburbanites who view bears as land sharks that threaten the safety of their families Shifting effortlessly between fascinating facts and poetic imagery Simpson crafts an extended meditation on why we are so drawn to bears and why they continue to engage our imaginations populate indigenous mythologies and help define our essential visions of wilderness As Simpson observes The slightest evidence that bears share your world or that you share theirs can alter not only your sense of the landscape but your sense of yourself within that landscape **The Lay of**

**the Land** Dallas Lore Sharp, 2019-11-20 In *The Lay of the Land* Dallas Lore Sharp presents a compelling exploration of the American landscape intricately blending natural observation with personal narrative Sharp's prose reflects a deep ecological awareness employing vivid imagery and lyrical language that draws readers into the heart of the rural experience Set against the backdrop of early 20th century America the book serves as both a celebration of the land and a poignant meditation on humanity's connection to nature echoing the sentiments of contemporary environmental literature while resonating with the pastoral traditions of writers such as Thoreau and John Burroughs Dallas Lore Sharp was a noted naturalist and educator whose affinity for the outdoors was shaped by his formative years in Maine and Massachusetts His passion for nature and its intricacies is palpable throughout the text reflecting a lifetime dedicated to understanding and sharing the beauty of the natural world Sharp's professional endeavors ranging from teaching to writing for prominent publications highlight his desire to foster a deeper appreciation for the environment among his readers This book is highly recommended for anyone intrigued by the interplay between humans and their natural surroundings Sharp's insightful observations and rich prose not only elevate the reader's appreciation for the landscape but also encourage a thoughtful examination of our environmental responsibilities *The Lay of the Land* is a timeless invitation to rediscover our connection with nature making it an essential read for both nature enthusiasts and literary scholars alike In this enriched edition we have carefully created added value for your reading experience Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Encyclopedia of the Essay Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies **Edward Thomas: Prose Writings: A Selected Edition** Edna Longley, 2023-10-12 Edward Thomas can be seen as the most important poetry critic in the early twentieth century Thomas was a prose writer before he was a poet The Selected Edition of his prose and especially this volume shows that he was also a critic before he was a poet His unusual literary career opens up key questions about the relation between poetry and criticism as well as between poetry and prose Thomas wrote books about poetry but his criticism mainly took the form of reviews He reviewed collections editions and studies of poetry most regularly for the Daily Chronicle and the Morning Post These reviews amount to a unique commentary on the state of poetry and of poetry criticism after 1900 Since reviewing provided Thomas's main income he also reviewed other kinds of book Hence the sheer mass of his reviews the stress he suffered as a literary journalist Yet his criticism maintains an astonishingly high standard Thomas's response to contemporary poetry intersects with his readings of older poetry No critic or poet of the time was so deeply acquainted with the traditions of English language poetry or so alert to new poetic movements in Ireland and America Edward Thomas's writings on poetry have a double importance Besides suggesting the hidden evolution of his own aesthetic they constitute a lost history and critique of poetry before the Great War They change our assumptions about that period Thomas's perspectives on poets such as Yeats Hardy Frost Lawrence and Pound illuminate the making of modern poetry *Sanctified Landscape* David Schuyler, 2012-04-06 The Hudson River Valley was the first iconic American landscape Beginning as early as the 1820s artists and writers found new ways of thinking about the human relationship with the natural world along the Hudson Here amid the most dramatic river and mountain scenery in the eastern United States Washington Irving and James Fenimore Cooper created a distinctly American literature grounded in folklore and history that contributed to the emergence of a sense of place in the valley Painters led by Thomas Cole founded the Hudson River School widely recognized as the first truly national style of art As the century advanced and as landscape and history became increasingly intertwined in the national consciousness an aesthetic identity took shape in the region through literature art memory and folklore even gardens and domestic architecture In *Sanctified Landscape* David Schuyler recounts this story of America's idealization of the Hudson Valley during the nineteenth and early twentieth centuries Schuyler's story unfolds during a time of great change in American history At the very moment when artists and writers were exploring the aesthetic potential of the Hudson Valley the transportation revolution and the rise of industrial capitalism were transforming the region The first generation of

American tourists traveled from New York City to Cozzens Hotel and the Catskill Mountain House in search of the picturesque. Those who could afford to live some distance from jobs in the city built suburban homes or country estates. Given these momentous changes, it is not surprising that historic preservation emerged in the Hudson Valley: the first building in the United States preserved for its historic significance is Washington's Headquarters in Newburgh. Schuyler also finds the seeds of the modern environmental movement in the transformation of the Hudson Valley landscape. Richly illustrated and compellingly written, *Sanctified Landscape* makes for rewarding reading. Schuyler expertly ties local history to national developments, revealing why the Hudson River Valley was so important to nineteenth-century Americans and why it is still beloved today.

### FAQs About Far And Near The Writings Of John Burroughs Books

**What is a Far And Near The Writings Of John Burroughs PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Far And Near The Writings Of John Burroughs PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Far And Near The Writings Of John Burroughs PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Far And Near The Writings Of John Burroughs PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Far And Near The Writings Of John Burroughs PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or

may not be legal depending on the circumstances and local laws.
