Far Past the Frontier James A. Braden, 2016-03-05 James A Braden wrote this popular book that continues to be widely read today despite its age

Far Past the Frontier James Andrew Braden, 1902 This is the exciting story of Ree Kingdom and John Jerome two courageous lads who start out from their Connecticut homes in 1790 on a perilous trip through the forests to live with the Indians in the Ohio River Valley and trade with them The journey is packed with unusual adventures and not a little danger When they finally reach the chosen territory the veteran frontiersman Tom Fish helps them to find suitable location for a cabin near a Delaware village Fishing Bird whose life Ree saves becomes a staunch and loyal friend to the youthful pioneers and in turn he saves the lives of young Long Knives as the Indian call Ree and John Jacket

Far Past the Frontier James A. Braden, 2018-09-11 Look out thar A young red bearded man of herculean frame fiercely jerked the words between his teeth as he leaped between two boys who were about to enter the country store from the door of which he sprang Diving aside but quickly turning the lads saw the cause of their sudden movement bound into a wagon standing near and with a furious cry to the horses whip them to such instant rapid speed that the strap with which the animals were tied snapped like a bit of string With a clatter and rumbling roar the team and wagon dashed around a corner the clumsy vehicle all but upsetting as the wheels on one side flew clear of the ground Running forward the boys were in time to see fast disappearing down the road toward where the September sun was setting the reckless driver bending over lashing the horses to a frantic gallop The wagon swayed and jolted over the ruts and holes threatening momentarily to throw the fellow headlong An empty barrel in the box bounced up and down and from side to side like a thing alive Something has happened Big Pete isn t doing that for fun the larger of the boys exclaimed

Far Past the Frontier, Or, Two Boy Pioneers James Andrew Braden, Saalfield Pub. Co, 1915

The Most Dangerous Game Gavin Lyall, 2011-09-28 Cary is great with a gun and deadpan about danger Spectator Bill Cary makes a precarious living flying aerial surveys over Lapland When he s hired by a wealthy American hunter Frederick Wells Homer to fly into a prohibited part of Finland near the Soviet border the job seems shady indeed and when a major crook wants him to go on the hunt for Tsarist treasure things get messy With thugs and the Finnish Secret Service already on his tail matters get

worse when Homer's beautiful sister turns up to search for him and Cary's fellow bush pilots start getting killed off in a series of suspicious accidents Cary begins to realise that it may all stem from an incident in his wartime past *The Most Dangerous Game* was shortlisted for the British Crime Writers Association Gold Dagger Award A glorious tale vivid in character and escapade Book Week **The American Catalogue** ,1905 **Who's who in America** ,1923 **Shelled by an Unseen Foe** James Fiske,1916 *The Auto Boys' Camp* James Andrew Braden,1911 **Alaska's History** Harry Ritter,1993-04-01 A lively take along account of Alaska's sweeping history made vivid with historical photos and entertaining essays Topics covered include Native lifestyles before contact with the Europeans Alexander Baranov and the Russian fur trade John Muir's visit to Glacier Bay in 1879 the Klondike gold rush stampede pioneer climbs on Mount McKinley the exploits of early Alaska Bush pilots big game hunting in the North Country Alaska's fisheries where salmon is king and today's Native traditions A history book that's fun to read Alaska's History sets forth the Last Frontier's glorious past and challenging present *Krispos Rising (The Tale of Krispos, Book One)* Harry Turtledove,2008-12-30 Videssos was beset by enemies abroad and had fallen into decadence at home But on his first night in the imperial capital The Empire's health mattered less to Krispos than finding a dry place to sleep Driven by crushing taxes from the farm where his family had lived and died Krispos had come to the city seeking what fortune a good mind and a strong back could earn He had a single goldpiece to his name the gift years past of a nomad chieftain to a ragged peasant boy Now though the night was raw and the inn was warm he was loath to spend that coin for the barbarian had claimed it carried magic Keep his lucky goldpiece or trade it for a warm dry bed Krispos tucked the coin away and stepped back into the wet streets all unaware that so simple a choice would lead to a world of peril and possibility **The United States Catalog** ,1921 *Framing First Contact* Kate Elliott,2020-10-29 Representations of first contact the first meetings of European explorers and Native Americans have always had a central place in our nation's historical and visual record They have also had a key role in shaping and interpreting that record In *Framing First Contact* author Kate Elliott looks at paintings by artists from George Catlin to Charles M Russell and explores what first contact images tell us about the process of constructing national myths and how those myths acquired different meanings at different points in our nation's history First contact images with their focus on beginnings rather than conclusive action or determined outcomes might depict historical events in a variety of ways Elliott argues that nineteenth century artists responding to the ambiguity and indeterminacy of the subject used the visualized space between cultures meeting for the first time to address critical contemporary questions and anxieties Taking works from the 1840s through the 1910s as case studies paintings by Robert W Weir Thomas Moran and Albert Bierstadt along with Catlin and Russell Elliott shows how many first contact representations especially those commissioned and conceived as official history speak blatantly of conquest racial superiority and imperialism Yet others communicate more nuanced messages that might surprise contemporary viewers Elliott suggests it was the very openness of the subject of first contact

that allowed artists consciously or not to speak of contemporary issues beyond imperialism and conquest Uncovering those issues Framing First Contact forces us to think about why we tell the stories we do and why those stories matter *Outlook and Independent* ,1902 **The Boy Scout Pathfinders; Or, Jack Danby's Best Adventure** Robert Maitland,2022-06-03 In The Boy Scout Pathfinders Or Jack Danby s Best Adventure Robert Maitland weaves a narrative rich with youthful exuberance and a classic Boy Scout ethos Set against the vast backdrop of the American wilderness Maitland s prose captures the vibrant energy of his protagonist Jack Danby whose routine mountain expedition transmutes into a series of unexpected trials and camaraderies Embedded within the literary tradition of adolescent adventure tales the book combines Maitland s keen eye for detail with the suspense and drama associated with boyhood exploits all while incorporating the distinct structure and pacing of traditional scouting narratives As an author Robert Maitland embodies the spirit of early twentieth century youth literature channeling his own passion for the outdoors and familiarity with the Boy Scout movement into his work The courage teamwork and problem solving skills highlighted in the book reflect both Maitland s personal values and those ideals promoted by the Scouting organization during its formative years This backdrop of personal experience and social engagement with youth development informs the authenticity and the pedagogical bent of the novel The Boy Scout Pathfinders Or Jack Danby s Best Adventure comes highly recommended for readers with a fondness for the charm and challenges of adolescence the instructive endeavors of the Boy Scouts and a taste for stories that celebrate the triumph of camaraderie and resourcefulness in the great outdoors Maitland s storytelling is a vehicle for timeless lessons enveloping the reader in an era where adventure and personal growth journey hand in hand **The American Catalog, 1900-1905** ,1905 The United States Catalog; Books in Print January 1, 1912 Marion Effie Potter,1921 *Cowboy Imperialism and Hollywood Film* Mark Cronlund Anderson,2007 Through Hollywood the history teacher who reaches the largest audiences the imagery of conquest has become effectively naturalized glorified and personified in the guise of the mythical frontiersman such as John Wayne and Harrison Ford as Indiana Jones This book examines eighteen movies ranging from The Green Berets to Raiders of the Lost Ark from Red River to Hidalgo Others from Full Metal Jacket to The Big Lebowski Jacket **The Publishers' Trade List Annual** ,1902
