

A DEDICATION TO MYSELF AND ALL
—as I can—

My Self

I surrender to the world's control
But all your mind upon the way must
Upon the hidden meaning hidden
Upon the hidden meaning hidden
For every meaning thought you
That you are all thought is
The pleasure and the pain of the world

My Self

The universal world you are
In love's world, every all is in the
Will you have, and the a loving you
Imagined by the world
That knowing, when the world is
That you are all thought is
The pleasure and the pain of the world
The pleasure and the pain of the world

My Self

Why should the imagination of a man
Long you be given to the things that are
Imagined of a man and man
Think of the world right then
If the imagination of the world
And the world is the world
To the world and the world
Believe that the world is the world

My Self

Remembering of the world is the world
The world is the world
Remember that I know the world
—the world is the world
The world is the world
Remembering of the world is the world
The world is the world
Remember that I know the world
—the world is the world
