**The Flaming Blue Sword** Sidney St. James, 1900

THE FLAMING BLUE SWORD Book 1 of 3 Storm Lord Trilogy Series A Paranormal Romance Angelica Thompson an award winning romance novelist makes a decision to end her turbulent relationship back home in Denver and heads to a secluded spot on the shores of Black Rock Cove in Oregon Writer s block in preventing her from finishing her last novel in her paranormal romance series and is being pressured by her publisher BeeBop Publishing Group to finish by the end of the summer She discovered the first night of her arrival how vividly her mind s thoughts and dreams came alive Her imagination of a dead sea captain a black panther pouncing on her for his evening meal and falling to her death in a cove hundreds of feet below are only the beginning Janie a local real estate agent awakens her in her cottage Was she awakened during a dream or could it be real An ancient prophecy of destruction has been set into motion and what destiny has in store for Angelica and the entire village of Black Rock Cove is bigger than anyone could possibly imagine She sits on the front porch staring out to the sea while her mind gets lost in another dream She can see Black Rock Cove off in a distance standing like that of a

skeleton She dreams of barren wastelands empty now that disease took over whatever the fire didn't Even the Pacific Ocean stood still like a semi stagnant pool of death and decay There are no waves as even the wind appears to have left the earth The skies are barren no seagulls flying over or squawking their usual morning sounds All the while the oppressive heat came down like the breath of Lucifer himself The end is coming That is unless Angelica and the others learn to believe in what is about to happen and trust each other If not they may never unravel the mystery surrounding the death of Jonathan Knight the sea captain from two hundred years ago Is the black panther what he appears to be or is there something strange in how he comes and goes Experience the power of true love Feel the intensity of real emotion when one woman loves one man but powerful forces threaten to keep them apart forever See real magic Fear real evil Find true love     *The Storm Lord Trilogy Box Set* Sidney St. James, *The Storm Lord Trilogy Box Set The Complete Series Books 1 3 An Epic Paranormal Romance* When it is time for two souls to meet there's not one single thing on earth which can prevent them from getting together no matter where each are located even if it comes in the form of a black panther that's 200 years old Book 1 *The Flaming Blue Sword* Angelica Thompson an award winning romance novelist decides to end her turbulent relationship back home in Denver and heads to a secluded spot on the shores of Black Rock Cove in Oregon Writer's block is preventing her from finishing her last novel in her paranormal romance series and is being pressured by her publisher BeeBop Publishing to finish by the end of the summer She discovered the first night of her arrival how vividly her mind's thoughts and dreams came alive Her imagination of a dead sea captain a black panther pouncing on her for his evening meal and falling to her death in a cove hundreds of feet below are only the beginning Janie a local real estate agent awakens the young woman in her cottage Was she awakened during a dream or could it be real Book 2 *Nine Months Will Tell* Continuation of the *Storm Lord Trilogy* in Chapter Two finds Angelica Thompson and Sheriff Kevin Connors expecting their first child Her pregnancy comes as a surprise to her and Kevin because it is precisely nine months after their defeat of Ethan Knight in Chapter One of the *Storm Lord Trilogy* series The question now that arises for the two love birds is whether the *Storm Lord* lost his life in their final battle in the first of the series or did he somehow survive the epic encounter Throughout the book significant events taking place appear to threaten the life of Angel's first child Is she too old past the age of 39 to give birth She wonders if it's just her age Is there a problem with her child Book 3 *The Three Keys to Armageddon* For this final chapter in the *Storm Lord Trilogy Series* love must begin between a human and a supernatural being This happens The hero the human character in this novel is put into some kind of danger where they come to realize they can overcome this danger either on their own or with the assistance of the supernatural love interest Using the rich background of the spiritual world of Archangels Michael and his *Sword of Angels* and Gabriel with his trumpet of victory as the background Sidney St James *Storm Lord Trilogy Series* pursues the return of Satan himself with a paranormal world of evil versus good filled with fascinating characters The ever moving series sharp dialogue highly original plotlines and a stylistic flair are as rhythmic and vibrant as his earlier works

Through James fertile imagination these three novels in the series are provocative confrontational and contain highly ingenious twists and turn into the unexpected but always with a healthy dose of humor not to mention romance     **Into the Eververse: Detected** Alice Evelynn,2023-03-31 Alice Evelynn finds herself in a new unfamiliar world with only Billy as a companion Now in 21st century New York Alice must find a way to save the world from the impending apocalypse but she will not be alone Equipped with the knowledge of the past she must find her siblings wherever they are and uncover the mysterious relics Only one problem remains just who is responsible for the end of the world Ryan Archer a man who humans may refer to as a killer with a credit card comes to New York with a purpose He knows of stories of a young woman with the power of all a Unique who is destined for great things and he must join her before the world succumbs to darkness Will these two extraordinary beings be destined to save the world Or will they kill each other before that happens     Muse To Move Poets World-Wide,2017-04-27 This wonderful anthology book features twenty five world wide poets all moved with the inspiration of sharing words their words of love life and Living The kind of love experienced throughout life here on Earth That we all need to help make grow     Werner's Readings and Recitations ,1900     **The New Monthly Magazine and Literary Journal** ,1832     **Beautiful Poetry; Selected by the Editors of the Critic, London Literary Journal** ,1854     **Select Verses of the Modern Poets, for the Use of Schools, Etc** Meshach SEAMAN,1835     New Monthly Magazine, and Universal Register ,1832     *The Writings of the Apostolic Fathers* ,1870     Boston Masonic Mirror ,1831
