Farewell Sidonia:

Farewell Sidonia Erich Hackl, 1992 *Farewell Sidonia* Erich Hackl, 1991 The gripping story of a young gypsy girl born the year the Nazis came to power in Germany **Representing the Holocaust in Children's Literature** Lydia Kokkola, 2013-10-15 Writing about the Holocaust and writing for young readers evoke two quite separate sets of concerns which are not always mutually compatible The first half of *Representing the Holocaust* focuses on how literary material can present historically verifiable material The second half examines how such materials will be perceived by young readers whether they will be able to determine any boundaries between fictionality and factuality and what motivates young readers to keep reading The work concludes by placing the study in the context of Holocaust education **On the Rope** Erich Hackl, 2020-06-15 As German Jews Regina Steinig and her daughter Lucia are forced into hiding during the Second World War Finding refuge in the workshop of a local beltmaker they hold on to each other as they live in constant fear of discovery by his neighbors and customers When their hideaway is damaged in an air raid in the closing months of the war the women are forced on the run and are locked in a desperate battle for survival Based on a true story *On the Rope* is an account of extreme courage in the face of danger violence and hatred Exploring themes of displacement and survival friendship and family it ends with the women's efforts to bring recognition the selfless heroism of those who faced tremendous personal risk in order to protect them A novella by one of Europe's most prominent literary novelists *On the Rope* layers deeply personal stories in a grounded historical account of life before during and after the Second World War It paints a vivid picture of the hardships forced upon people by conflict and separation depicting the forming and unravelling of relationships as a fact of life **Sidonia, the Sorceress (Historical Novel)** Wilhelm Meinhold, 2021-05-07 *Sidonia the Sorceress* is a Gothic historical novel based on true events namely the fate of the Pomeranian noblewoman Sidonia von Borcke 1548-1620 who was tried and executed for witchcraft in the city of Stettin Portrayed as a femme fatale she became the subject of several fictional works in German and English especially during the 19th century The depiction of evil featured in Meinhold's novel developed a considerable influence on the subjects of the artist and literary circles in the Anglo-Saxon countries When we returned to the castle Sidonia met the bridesmaids again with joyous smiles She now wore a white silk robe laced with gold and dancing slippers with white silk hose The diamonds still remained on her head neck and arms She looked beautiful thus and I could not withdraw my eyes from her We all now entered the bridechamber as the custom is and there stood an immense bridal couch with coverlet and draperies as white as snow and all the bridesmaids and the guests threw their wreaths upon it Then the Prince taking the bridegroom by the hand led him up to it and repeated an old German rhyme concerning the duties of the holy state upon which he had entered **Tolerance Discourse and Young Adult Holocaust Literature** Rachel Dean-Ruzicka, 2016-11-25 What exactly does one mean when idealizing tolerance as a solution to cultural conflict This book examines a wide range of young adult texts both fiction and memoir representing the experiences of young adults during

WWII and the Holocaust Author Rachel Dean Ruzicka argues for a progressive reading of this literature Tolerance Discourse and Young Adult Holocaust Literature contests the modern discourse of tolerance encouraging educators and readers to more deeply engage with difference and identity when studying Holocaust texts Young adult Holocaust literature is an important nexus for examining issues of identity and difference because it directly confronts systems of power privilege and personhood The text delves into the wealth of material available and examines over forty books written for young readers on the Holocaust and in the last chapter neo Nazism The book also looks at representations of non Jewish victims such as the Romani the disabled and homosexuals In addition to critical analysis of the texts each chapter reads the discourses of tolerance and cosmopolitanism against present day cultural contexts ongoing debates regarding multicultural education gay and lesbian rights and neo Nazi activities The book addresses essential questions of tolerance and toleration that have not been otherwise considered in Holocaust studies or cultural studies of children s literature **Sidonia, the Sorceress; The**
