Lassiter, 2013-01-15 High schooler Alex Johnson suddenly finds himself a muscle teen titan thanks to a strange genetic treatment his late father gave him to save his life as an infant As a shy often awkward young man with Aspergers can he adjust to now being likely the biggest strongest man alive Perhaps ever Fortunately Alex has a hot new boyfriend to stand by him as he tries to navigate quickly changing relationships with his friends What Alex and Ryan don t know is that their lives are about to take an ominous turn Will Alex be able to take the bull by the horns Farm Boys Will Fellows, 1998-03-15 Homosexuality is often seen as a purely urban experience far removed from rural and small town life Farm Boys undermines that cliché by telling the stories of more than three dozen gay men ranging in age from 24 to 84 who grew up in farm families in the midwestern United States Whether painful funny or matter of fact these plain spoken accounts will move and educate any reader gay or not from farm or city When I was fifteen the milkman who came to get our milk was beautiful This is when I was really getting horny to do something with another guy I waited every day for him to come I couldn t even talk to him couldn t think of anything to say I just stood there watching him wondering if he knew why Henry Bauer Minnesota When I go back home I feel a real connection with the land a tremendous feeling spiritual in a way It makes me want to go out into a field and take my shoes off and put my feet right on the dirt establish a real physical connection with that place I get homesick a lot but I don t know if I could ever go back there and live It s not the kind of

place that would welcome me if I lived openly the way that I would like to live I would be shunned Martin Scherz Nebraska If there is a checklist to see if your kid is queer I must have hit every one of them all sorts of big warning signs I was always interested in a lot of the traditional queen things clothes cooking academics music theater A farm boy listening to show tunes My parents must have seen it coming Joe Shulka Wisconsin My favorite show when I was growing up was The Waltons The show's values comforted me and I identified with John Boy the sensitive son who wanted to be a writer He belonged there on the mountain with his family yet he sensed that he was different and that he was often misunderstood Sometimes I still feel like a misfit even with gay people Connie Sanders Illinois Agriculture is my life I like working with farm people although they don't really understand me When I retire I want the word to get out that I'm gay to the people I've worked with the dairy producers the veterinarians the feed salesmen the guys at the co-ops They're going to be shocked but their eyes are going to be opened James Heckman Indiana

Music City Farm Boy Marc Allen Sheer, 2024-08-29 In the mid 1970's Illinois farmboy Marc Allen is a feisty hell-drivin' 19-year-old full of dreams and ambition Just one problem Marc's dreams do not include

balancing hay and plowing fields By this time Marc has become not just a farmboy but a disc jockey club musician and songwriter So now he's happy right Wrong Marc becomes bored and restless longing for something greater An adventure So instead of wallowing in his own self-induced nest of misery Marc decides to take wing and fly away Chucks it all leaving two steady girlfriends at least two and heads for Nashville in search of a little fame and a lot of fortune Alas an old story one that's been told a million times Except in Marc Allen's case he just happens to be me What can I say I was young and foolish Now I'm old and foolish Still all things considered I think it's a story that needs to be told You'll see what I mean A story of dreams adventure and tragedy And many years later after I had moved to Florida my teen-aged daughter Maddy began asking all sorts of pointed questions You know stuff about my past Nashville and the music business She's a lot like her Pop curious about every damn thing At a young age Maddy had taken up the piano And over the years had listened to her Pop go on and on about the runnin' days Home then Music City Me and my big mouth But anyway the more we talked I figured what the hell maybe I could put it all together ya know Into book form A keepsake And so here it is written as though I'm speaking to my daughter because I was at the time the story of my young life The ups the downs and how a terrible tragedy kept me on the edge for many years But ya know people like that have two choices They can either end it all or somehow find a way to go on Thanks to Maddy I found a way

Farm Boy's Dream John O. Jacobs, 2012 My vision of flying started with C Lindberg flying solo across the Atlantic and the pictures of him landing in France at night I believe I believe there was also a fellow by the name of Chamberlin not sure of the spelling on his name who had planned the same trip but Lindberg beat him to it I believe he was from Iowa And then there was Col Roscoe Turner who held world's speed record at I believe it was 300 mph sometime in the early thirties And then there was Wiley Post one-eyed pilot who with Will Rogers a humorist from Oklahoma attempted a round the world flight and crashed and both were killed in Alaska And then the China Clipper on its maiden flight John Music I used to believe me And then there was Amelia Earhart Flying was in my blood until I did not get to attend high school so my flying dreams went out the window knowing that I would need all the education to get there So WW II came along and as you see my dream did come true to come out of service and to be qualified to fly any aircraft that was being flown in the world And now you would wonder why would anyone pass up an opportunity such as that Good question you were allowed only twenty hours a week flying time free time that bothered me being a farmer we had no free time to speak of There was nothing more boring than flying hours on end with nothing to look at It was not boring on the way to a target but on the way back to base five hours of blue sky and water We did not fly every day maybe three missions a week There was no recreation down there believe me Since I was the youngest it was expected of me to take care of my parents on the farm
