## **Farouk Last Of The Pharaohs:**

**The Last Pharaoh** Hugh McLeave, 1970 His father named him Farouk which means On Who Knows Right from Wrong At sixteen he was the hope of an independent Egypt a handsome godlike young man who the fellahin believed would lead them into a time of peace and plenty Ten years transformed him into an obese faun with a mania for women gambling and other people's possessions Farouk of Egypt became an object of ridicule the subject of bad jokes an awful example of the consequences of unlimited power and wealth a disaster for his people In this deeply interesting and revealing biography written by an author who spent two years in search of the person behind the legend Farouk's obsession with sex is shown as a desperate attempt both to remedy and to conceal his inadequacy Deprived of childhood companions the boy became the prey to scheming politicians and syncophantic servants He was poorly educated immature and totally unprepared for the arduous task of ruling his corrupt and feudal country The more powerless his ineptitude made him the more autocratic he grew the more impotent as a lover the more frenzied his pursuit of women His patient subjects tolerated his mistakes and excesses until finally his private scandals his divorce from his popular queen Farida and the Palestine debacle set the stage for the long over due and almost comic revolution that forced him into exile The author interviewed Farouk's courtiers his doctors the men who made the revolution and the women who knew him intimately On the Continent he traced and talked with the king's companions in exile In England he saw such statesmen as Lord Avon and Lord Chandos as well as ambassadors Arabists and the general who planned the wartime coup de palais Drawing on the recollections of more than a hundred and fifty observers and on unpublished British and Egyptian sources he has written an oddly touching biography of a complex man from dust jacket **The Last Pharaoh** Hugh McLeave, 1969 *The Last Pharaoh* Hugh MacLeave, 1969
