# Fascism In Scandinavia

**Detlef Mühlberger**

## **Fascism In Scandinavia:**

**Making Fascism in Sweden and the Netherlands** Nathaniël D. B. Kunkeler, 2021-09-09 There was no representative fascist movement during interwar Europe and there is much to be learned from where fascism failed relatively speaking So Nathaniël D B Kunkeler skilfully argues in *Making Fascism in Sweden and the Netherlands* the first in depth analysis of Swedish and Dutch fascism in the English language Focusing on two peripheral and therefore often overlooked fascist movements the Swedish National Socialist Workers Party and the Dutch National Socialist Movement this sophisticated study de centres contemporary fascism studies by showing how smaller movements gained political foothold in liberal democratic regimes From charismatic leaders and the rallies they held to propaganda apparatus and mythopoeic props seized by ordinary people *Making Fascism in Sweden and the Netherlands* analyses the constructs and perceptions of fascism to highlight the variegated nature of the movement in Europe and shine a spotlight on its performative process Drawing on a wealth of archival material and using a highly innovative methodology Kunkeler provides a nuanced analysis of European fascism which allows readers to rediscover the experimental character of far right politics in interwar Europe *Fascism in Scandinavia, 1920-1940* Ulf Lindström, 1985 Gives the reasons for fascism's lack of electoral appeal in Scandinavia despite the Depression Pp 55 59 discuss the minor role played by antisemitism and racism in a very homogeneous society While concepts of race biology were popular racial prejudice was a marginal issue and could not draw a mass following c From the Bibliography of the Vidal Sassoon International Center for the Study of Antisemitism **Fascism: The 'fascist epoch'** Roger Griffin, Matthew Feldman, 2004 The nature of fascism has been hotly contested by scholars since the term was first coined by Mussolini in 1919 However for the first time since Italian fascism appeared there is now a significant degree of consensus amongst scholars about how to approach the generic term namely as a revolutionary form of ultra nationalism Seen from this perspective all forms of fascism have three common features anticonservatism a myth of ethnic or national renewal and a conception of a nation in crisis This collection includes articles that show this new consensus which is inevitably contested as well as making available material which relates to aspects of fascism independently of any sort of consensus and also covering fascism of the inter and post war periods This is a comprehensive selection of texts reflecting both the extreme multi faceted nature of fascism as a phenomenon and the extraordinary divergence of interpretations of fascism **Anti-fascism in the Nordic Countries** Kasper Braskén, Nigel Copsey, Johan A. Lundin, 2019-01-10 Although the Nordic countries have a reputation for tolerance and social democracy they were not immune to fascism which spread across Europe in the 1920s and 1930s This book offers the first comprehensive history of anti fascism in the Nordic Countries Through a number of case studies on anti fascism in Sweden Finland Norway Denmark and Iceland the book makes a significant contribution to the history of contentious politics in the Nordic Countries and to our broader knowledge of European fascism and anti fascism The case studies concentrate on the different manifestations of resistance to fascism and

Nazism in the interwar era as well as some of the postwar variants The book will be of considerable interest to scholars of anti fascism as well as researchers of Nordic and Scandinavian history and politics *Extreme Right Parties in Scandinavia* Anders Widfeldt,2014-08-27 This book fills a gap in the extreme right literature currently available as there is no book length study of Scandinavia With the election of many right wing parties across Europe this book is very timely **Nordic Fascism** Nicola Karcher,Markus Lundström,2022-12-09 Nordic Fascism is the first comprehensive history in English of fascism in the Nordic countries Transnational cooperation between radical nationalists has especially been the case in Sweden Denmark Norway and Finland where fascism has not only developed through interdependent processes but also through interactions between and beyond national boundaries and where racial relationship has been a core argument With chapters ranging from the inception of fascism in the interwar years up to the present day this book offers the first fragments of an entangled history of Nordic fascism It illuminates how The North occupies a special place in the fascist imagination articulating ideas about the Nordic people resisting the supposed cultural degeneration replacement or annihilation of the white race The authors map ideological exchange between fascist organisations in the Nordic countries and outline past and present attempts at pan Nordic state building This book will appeal to scholars of fascism and Nordic history and readers interested in the general history of fascism Anti-Fascism in a Global Perspective Kasper Braskén,Nigel Copsey,David J Featherstone,2020-09-20 This book initiates a critical discussion on the varieties of global anti fascism and explores the cultural political and practical articulations of anti fascism around the world This volume brings together a group of leading scholars on the history of anti fascism to provide a comprehensive analysis of anti fascism from a transnational and global perspective and to reveal the abundance and complexity of anti fascist ideas movements and practices Through a number of interlinked case studies they examine how different forms of global anti fascisms were embedded in various national and local contexts during the interwar period and investigate the interrelations between local articulations and the global movement Contributions also explore the actions and impact of African Asian Latin American Caribbean and Middle Eastern anti fascist voices that have often been ignored or rendered peripheral in international histories of anti fascism Aimed at a postgraduate student audience this book will be useful for modules on the extreme right political history political thought political ideologies political parties social movements political regimes global politics world history and sociology Chapters 5 and 10 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license Fascism in Europe, 1919-1945 Philip Morgan,2003-09-02 Fascism in Europe 1919 1945 surveys the phenomenon which is still the object of interest and debate over fifty years after its defeat in the Second World War It introduces the recent scholarship and continuing debates on the nature of fascism as well as the often contentious contributions by foreign historians and political scientists From the pre First World War intellectual origins of Fascism to its demise in 1945 this book examines the two waves of fascism in the

immediate post war period and in the late 1920s and early 1930s whether the European crisis created by the Treaty of Versailles allowed fascism to take root why fascism came to power in Italy and Germany but not anywhere else in Europe fascism s own claim to be an international and internationalist movement the idea of totalitarianism as the most useful and appropriate way of analyzing the fascist regimes **It Did Happen Here: The Rise of Fascism in Contemporary**

**Society** Milan Zafirovski,2023-04-12 This book argues and demonstrates that fascism did happen in contemporary society such as especially America as during post 2016 It classifies and discusses the main elements of fascism to see if these reveal and replicate themselves in America post 2016 It discovers the specific syndromes of fascism in America post 2016 that reveal and replicate universal fascist features It detects the main social causes of fascism in America post 2016 It identifies primary counterforces to fascism in America and elsewhere Lastly the book constructs a composite fascism index and calculates fascism indexes for Western and comparable societies like OECD countries These indexes provide suggestive evidence that fascism happened in America and other OECD countries even if not in Western Europe especially Scandinavia

**Radical Left Movements in Europe** Magnus Wennerhag,Christian Fröhlich,Grzegorz Piotrowski,2017-07-28 When the Iron Curtain lifted in 1989 it was seen by some as proof of the final demise of the ideas and aspirations of the radical left Not many years passed however before the critique of social inequalities and capitalism was once again a main protest theme of social movements This book provides an account of radical left movements in today s Europe and how they are trying to accomplish social and political change The book s international group of leading experts provide detailed analysis on social movement organizations activist groups and networks that are rooted in the left wing ideologies of anarchism Marxism socialism and communism in both newly democratized post communist and longstanding liberal democratic polities Through a range of case studies the authors explore how radical left movements are influenced by their situated political and social contexts and how contemporary radical left activism differs from both new and old social movements on one hand and the activities of radical left parliamentary parties on the other Ultimately this volume investigates what it means to be radical left in current day liberal democratic and capitalist societies after the fall of European state socialism This is valuable reading for students and researchers interested in European politics contemporary social movements and political sociology

Scandinavia since 1500 Byron J. Nordstrom,2023-06-27 An updated edition of the definitive history of Scandinavia over the past five centuries Despite certain distinctions and differences the lands of Scandinavia or Norden Sweden Norway Finland Iceland Denmark and the Faroe Islands are united by bonds of culture language and geography and by a shared history that comes richly to life in this landmark work Now in an expanded updated edition this authoritative chronicle of five centuries of Scandinavian history incorporates the geopolitical developments and momentous events that have marked the Nordic world in recent decades Scandinavia since 1500 situates the region s political history within the traditional European chronology in which the long modern period is subdivided into the Renaissance early modern modern and contemporary

Within this framework Byron J Nordstrom traces the various ways in which economic social and cultural ideas and practices have come to Scandinavia from abroad only to be modified and recast in a uniquely Nordic character Long unquestioned national mythologies come under Nordstrom s scrutiny along with historical blind spots and erasures as he ranges from canonical figures like Gustavus Adolphus of Sweden and Christian IV of Denmark to the constitutions of the nineteenth and twentieth centuries the resistance movements in World War II and the Scandinavian welfare states literary culture and modern design Expanded to include the nature and realities of the increasingly postindustrial economies of the late twentieth and early twenty first centuries including environmental concerns integration with Europe globalization and immigration Scandinavia since 1500 offers a comprehensive yet nuanced portrait of this unique region in all its political diplomatic social economic and cultural complexity Cover alt text Bold white title and author name across breathtaking snowy landscape of sun touched cliffs beside a waterway and scattering of homes

**Fascism and the Right in Europe 1919-1945** Martin Blinkhorn,2014-07-22 This new text places interwar European fascism squarely in its historical context and analyses its relationship with other right wing authoritarian movements and regimes Beginning with the ideological roots of fascism in pre 1914 Europe Martin Blinkhorn turns to the problem torn Europe of 1919 to 1939 in order to explain why fascism emerged and why in some settings it flourished while in others it did not In doing so he considers not just the major fascist movements and regimes of Italy and Germany but the entire range of fascist and authoritarian ideas movements and regimes present in the Europe of 1919 1945

**European Fascist Movements** Roland Clark,Tim Grady,2023-05-31 This volume offers a fresh and original collection of primary sources on interwar European fascist movements These sources reflect new approaches to fascism that emphasise the practical transnational experience of fascism as a social movement contextualising ideological statements within the historical moments they were produced Divided into 18 geographically based chapters contributors draw together the history of various fascist and right wing movements selecting sources that reflect themes such as transnational ties aesthetics violence female activism and the instrumentalisation of race gender and religion Each chapter provides a chronological narrative account of movements interspersed with complete primary sources from political speeches internal movement circulars and articles police reports oral history songs and music photographs artworks poetry and anti fascist sources The volume as a whole seeks to introduce readers to the diversity of fascist groups across the continent to show how fascist groups were constituted through social bonds rather than around fixed ideologies and to capture the inexperience and ad hoc character of early fascist groups With an Introduction that explains the volume s theoretical approach and elaborates on the chronology of European fascism this is the perfect sourcebook for any student of Modern European history and politics The book is accompanied by a free app available for download for iOS and Android from <https://www.liverpool.ac.uk/itappdirectory/fascistmovements/> You can use the app to identify places where fascist groups were active during the 1920s and 1930s and to get a glimpse of what life was like during the age of fascism The app includes

interactive maps descriptions of 76 points of interest and images for each point of interest     Fascists of the World, Unite? Martin Kristoffer Hamre, 2025-08-04 This book analyzes the ideas and forms of international cooperation between Fascist Italy Nazi Germany and fascist movements from Denmark Norway Sweden Switzerland Ireland and Britain The study examines how fascists attempted to unite across borders by forming international organizations and networks hosting conferences and exhibitions disseminating multilingual publications and exchanging propaganda Their transnational cooperation was fuelled by shared ideas of ultranationalism anti liberalism anti communism antisemitism racism white supremacism and Europeanism The book argues that fascist internationalism marked by contradictions limitations and an Italo German rivalry emerged in the 1930s as a counter reaction to liberal and communist internationalism The epilogue discusses reverberations in the Second World War and the postwar period and outlines the relevance of this history for understanding contemporary forms of far right internationalism     The Social Basis of European Fascist Movements Detlef Mühlberger, 2015-10-16 Between 1919 and 1945 most countries in Europe spawned some form of fascism Some have become considerably more notorious than others this book first published in 1987 sets out to analyse the social forces that went into the making of the fascist parties of the major European countries and to show the similarities and differences in their constitution as well as to suggest reasons for their different degrees of penetration and success Few books have surveyed the whole field the team of contributors engaged in the present enterprise offer a systematic and thorough survey of the social characteristics of European fascist movements a subject of central importance to social and political history     The Radical Right in Western Europe Herbert Kitschelt, Anthony J. McGann, 1997 An in depth analysis of radical right parties in seven countries     **Scandinavian Studies** , 1986 Includes Proceedings of the Society     *National Socialist Cultural Diplomacy* Frederik Forrai Ørskov, 2025-06-30 National Socialist Cultural Diplomacy provides the first comprehensive account of the German Nordic Writers House From 1934 to 1939 young Scandinavian and Finnish writers spent summers at a seaside villa in Travemünde mingling with representatives of the new German literature to enjoy beach days excursions in the Third Reich and evening discussions on literature politics and comradeship The book treats the Writers House as a case study of National Socialist cultural diplomacy offering fresh insights on the ways in which semi official cultural mediators addressed navigated and were constrained by a dilemma central to all cultural diplomacy but more urgently so in the case of totalitarian regimes like the Third Reich that in order to be perceived as legitimate culture cannot be too obviously circumscribed by politics while cultural autonomy comes with a lack of control that does not sit well with totalitarian regimes Between the prevalent ideal in the Nordic cultural sphere that culture stands apart from politics on the one hand and the political aims of official German diplomacy on the other the institution showcases the constraints faced by aspiring cultural diplomats in the Third Reich and the strategies with which the Writers House's organizers addressed them With the Writers House as a prism National Socialist Cultural Diplomacy also offers a case study of the fault lines that emerged in the Nordic literary sphere

with the post 1933 ideologization of the German literary field its institutions and its lucrative book market At stake was the role and identity of the literary intellectual the proper relationship between culture economics and politics and for some of the visiting writers whether to place consciousness over comradeship This book will be of interest to researchers of Nazism social and cultural history and the history of the extreme right      **Sweden's Relations with Nazism, Nazi Germany, and the Holocaust** Stig Ekman,Klas Åmark,John Toler,2003 The Committee for Humanities and the Social Sciences at the Research Council has been commissioned by the government to carry out a program of research into Sweden s relations with Nazism Nazi Germany and the Holocaust A part of this commission was to produce a survey of the research field This survey was organized around the three key concepts of the title of the research program with chapters on Sweden and the Holocaust A special chapter on Sweden s economic relations to Nazi Germany was added as well as a bibliography The survey gives both a picture of a broad research in the field with ongoing debates in a number of areas but also of significant gaps where research still is lacking The survey presents an internationally unique presentation of the state of research in a much debated and controversial field      **Liberalism, Fascism, Or Social Democracy** Gregory M. Luebbert,1991 An analysis of the political development of Western Europe in the late 19th and early 20th centuries which argues that the evolution of nations into liberal democracies social democracies or fascist regimes was attributable to a set of social and class alliances within the individual nations

## **Fascism In Scandinavia Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Fascism In Scandinavia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Fascism In Scandinavia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that

the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Fascism In Scandinavia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
