Fasti Of Roman Britain

Robert Higham

Fasti Of Roman Britain:

The Fasti of Roman Britain Anthony Birley, 1981 *The Roman Government of Britain* Anthony Birley, 2005 This work contains biographical entries for all the Roman higher officials who served in Britain from A D 43 to c 409 It is a completely revised edition of the author s *The Fasti of Roman Britain* 1981 taking account both of newly discovered governors legationary legates and tribunes procurators and prefects of the fleet and of new information about the origin family and career of previously known officials In each entry the evidence literary and epigraphic is quoted in full and unlike in the first edition translated A further change is that the evidence for imperial visits to Britain or involvement in the island s affairs is also quoted and discussed There are also sections on local government the governors staff the senatorial and procuratorial career in the principate and the late Roman civil and military system The subdivisions into Upper and Lower Britain then into four and finally five provinces are discussed Thus the book provides a narrative history of Roman Britain with a full conspectus of the literary epigraphic and numismatic sources Further the analysis of the background and careers of hundreds of individuals who served in Britain sheds light on the way the Roman Empire worked during a period of over 360 years R sum de l diteur

Do Good Fences Make Good Neighbors? Brent L. Sterling, 2009-10-30 A number of nations conspicuously Israel and the United States have been increasingly attracted to the use of strategic barriers to promote national defense In *Do Good Fences Make Good Neighbors* defense analyst Brent Sterling examines the historical use of strategic defenses such as walls or fortifications to evaluate their effectiveness and consider their implications for modern security Sterling studies six famous defenses spanning 2 500 years representing both democratic and authoritarian regimes the Long Walls of Athens Hadrian s Wall in Roman Britain the Ming Great Wall of China Louis XIV s Pr Carr France s Maginot Line and Israel s Bar Lev Line Although many of these barriers were effective in the short term they also affected the states that created them in terms of cost strategic outlook military readiness and relations with neighbors Sterling assesses how modern barriers against ground and air threats could influence threat perceptions alter the military balance and influence the builder s subsequent policy choices Advocates and critics of strategic defenses often bolster their arguments by selectively distorting history Sterling emphasizes the need for an impartial examination of what past experience can teach us His study yields nuanced lessons about strategic barriers and international security and yields findings that are relevant for security scholars and compelling to general readers British and Irish Archaeology , 1994 **Army and Power in the Ancient World** Ἀγγελος

Χανιώτης, 2002 Papers from a round table held Aug 9 2000 in Oslo **Cultural Identity in the Roman Empire** Dr Joanne Berry, Joanne Berry, Ray Laurence, 2002-09-11 This provocative and often controversial volume examines concepts of ethnicity citizenship and nationhood to determine what constituted cultural identity in the Roman Empire The contributors draw together the most recent research and use diverse theoretical and methodological perspectives from archaeology classical studies and ancient history to challenge our basic assumptions of Romanization and how parts of Europe became

incorporated into a Roman culture Cultural Identity in the Roman Empire breaks new ground arguing that the idea of a unified and easily defined Roman culture is over simplistic and offering alternative theories and models This well documented and timely book presents cultural identity throughout the Roman empire as a complex and diverse issue far removed from the previous notion of a dichotomy between the Roman invaders and the Barbarian conquered **Carausius and Allectus** P J Casey,2005-11-03 This extraordinary episode in the history of Roman Britain has been brilliantly pieced together by John Casey through a painstaking and at times detective like sifting of the literary archaeological and numismatic evidence **The Reign of Emperor Antoninus Pius, AD 138-161** John S. McHugh,2022-10-07 The reign of Antoninus Pius is widely seen as the apogee of the Roman Empire yet due to gaps in the historical sources his reign has been overlooked by modern historians He is considered one of the five good emperors of the Antonine dynasty under whom the pax Romana enabled the empire to prosper trade to flourish and culture to thrive His reign is considered a Golden Age but this was partly an image created by imperial propaganda There were serious conflicts in North Africa and Dacia as well as a major revolt in Britain On his death the empire stood on the cusp of the catastrophic invasions and rebellions that marked the reign of his successor Marcus Aurelius Antoninus Pius became emperor through the hand of fate being adopted by Hadrian only after the death of his intended heir Lucius Aelius Caesar His rule was a balancing act between securing his own safety securing the succession of his adopted heir and denying opportunities for conspiracy and rebellion Equanimity was the last password he issued to his guards as he lay on his death bed In the face of the threats and challenges he remained calm and composed providing twenty three years of stability a calm before the storms that gathered both within and beyond Rome s borders Law, Society, and Authority in Late Antiquity Ralph W. Mathisen,2001-08-02 The sixteen papers in this volume investigate the links between law and society during Late Antiquity 260 640 CE On the one hand they consider how social changes such as the barbarian settlement and the rise of the Christian church resulted in the creation of new sources of legal authority such as local and vulgar law barbarian law codes and canon law On the other they investigate the interrelationship between legal innovations and social change for the very process of creating new law and new authority either resulted from or caused changes in the society in which it occurred The studies in this volume discuss interactions between legal theory and practice the Greek east and the Roman west secular and ecclesiastical Roman and barbarian male and female and Christian and non Christian including pagans Jews and Zoroastrians **The Senate of Imperial Rome** Richard J.A. Talbert,2022-02-08 Richard J A Talbert examines the composition procedure and functions of the Roman senate during the Principate 30 B C A D 238 Although it is of central importance to the period this great council has not previously received such scholarly treatment Offering a fresh approach to major ancient authors Pliny and Tacitus in particular the book also draws on inscriptions and legal writers never before fully exploited for the study of the senate **Marcus Aurelius** Anthony R Birley,2012-12-06 Marcus Aurelius the philosopher emperor who ruled the Roman Empire between AD 161 and 180 is one

of the best recorded individuals from antiquity Even his face became more than usually familiar the imperial coinage displayed his portrait for over 40 years from the clean shaven young heir of Antonius to the war weary heavily bearded ruler who died at his post in his late fifties His correspondence with his tutor Fronto and even more the private notebook he kept for his last ten years the *Meditations* provides a unique series of vivid and revealing glimpses into the character and preoccupations of this emperor who spent many years in terrible wars against northern tribes In this accessible and scholarly study Professor Birley paints a portrait of an emperor who was human and just an embodiment of the pagan virtues of Rome

HABES ; 31 Eric Birley, Géza Alföldy, Brian Dobson, Werner Eck, 2000 A collection of 25 international papers dedicated to Eric Birley on the subject of his principal interest the Roman army The essays focus on hierarchy and rank within the army and its position within the social and political structure of the empire The book begins with a discussion of the valued contribution of seasoned volunteers and middle ranking officers and an assessment of the possibilities for reward and social position on retirement Other subjects include inexperienced officers senator generals military service and *Principilaires* The book finally assesses the contribution of the Roman army to the societies of Rome Spain Gaul Germania Dalmatia Moesia Superior and Egypt The meticulously detailed essays vary from broad discussions of the army as a whole to specific studies of individuals drawn from all ranks Contributors include Lukas de Blois David J Breeze Anthony R Birley Michael Redd Yann le Bohec John J Wilkes Michael P Speidel and Fritz Mitthof English German French Italian text *The Tacitus Encyclopedia* Victoria Emma Pagán, 2023-05-24 The Tacitus Encyclopedia ist das einzige vollständige Referenzwerk seiner Art im Bereich der Tacitus Studien Das zweibändige Werk enthält mehr als 1 000 Einträge zu jeder Person und jedem Ort die in den erhaltenen Werken des römischen Historikers und Politikers Tacitus ca 56-120 n Chr Erwähnung finden In den von einem internationalen Autorenteam verfassten Beiträgen werden die bei Tacitus genannten Personen und Orte in den Kontext eingeordnet und es werden ihre Beziehungen zum größeren taciteischen Korpus aufgezeigt Die Einträge sind alphabetisch geordnet und mit Querverweisen versehen Sie enthalten allgemeine Beschreibungen und Hintergrundinformationen zu den in den Texten genannten Stichworten Zitate aus antiken Quellen und der einschlägigen Wissenschaft sowie Empfehlungen zum Weiterlesen Die Enzyklopädie die als Ausgangspunkt für weitere Forschungen gedacht ist umfasst zudem 165 Themenschwerpunkte in Verbindung mit den Tacitus Studien darunter antike Geschichtsschreibung Geschichte Sozialgeschichte Geschlecht und Sexualität Literaturkritik antike Autoren Rezeption und materielle Kultur Dieses unverzichtbare Nachschlagewerk bietet nicht nur einen umfassenden Überblick über die Inhalte der taciteischen Schriften sondern darüber hinaus Eine Darstellung von rund 1 000 Personen sowie 400 Regionen Städten und Orten geografischen und topologischen Merkmalen Einen verständlichen Einstieg in die Werke des Tacitus insbesondere die *Annalen* *Historien* *Agricola* *Germania* und *Dialogus de oratoribus* für Leserinnen und Leser mit unterschiedlichen Vorkenntnissen Die Erweiterung einer großen Bandbreite an Themen wie Geschlechterfragen Sklaverei Literaturgeschichte sowie der Regentschaft einzelner

Herrscher Eine Präsentation der wissenschaftlichen Erforschung und Rezeption von Tacitus von der Antike bis zur Gegenwart Betrachtungen der wissenschaftlichen Trends der aktuellen Methodik und künftigen Richtungen der Tacitus Studien Das Werk The Tacitus Encyclopedia ist als Druckfassung und als Online Version erhältlich Es ist ein unentbehrliches Referenzwerk für Studierende und Forschende in den Bereichen Geschichte und Geschichtsschreibung Klassische Philologie Kunstgeschichte Sozialwissenschaften Europäische Geistesgeschichte Archäologie und Romanistik Eos CVI (2019), fasc. 1

Jakub Pigoń, Krzysztof Nawotka, 2019-06-30 *Security and Defence in South-West England Before 1800* Robert Higham, 1987 From Roman times to the eighteenth century the South West of England was an example of the importance of matters of security and defence to a local society easily threatened by external and internal conflicts and tensions These studies provide a series of vignettes illustrating perennial and enduring problems in the history **The Oxford Classical Dictionary** Simon Hornblower, Antony Spawforth, Esther Eidinow, 2012-03-29 The revised third edition of the Oxford Classical Dictionary is the ultimate reference on the classical world containing over 6 200 entries The 2003 revision includes minor corrections and updates and all Latin and Greek words in the text are now translated into English *The Legionary Fortress at Wroxeter* Graham Webster, 2014-06-30 The Roman legionary fortress at Wroxeter Viroconium Cornoviorum was built on a strategic crossing point on the River Severn Though the site of the Roman town had long been known through the presence of upstanding ruins the major excavations reported here have shown how the town plan was dominated by the underlying fortress This fortress had been established by Legio XIV c AD 60 and had then been partially rebuilt c AD 66 when the legion was replaced by Legio XX The fortress was downgraded in the late 70s to become a depot for stores before final abandonment c AD 90 The excavations produced extensive evidence for the laying out and construction of the legionary earth and timber defences and of an area within the fortress to the north of the via praetoria where mess halls barrack blocks and a storehouse were found as well as considerable quantities of coins metalwork pottery and glass *The Cambridge Ancient History* Alan K. Bowman, Peter Garnsey, Dominic Rathbone, 1982 The Galatians John D. Grainger, 2020-08-30 A historian of the ancient world examines the epic rise and fall of the Celtic tribes who invaded the Mediterranean and lands further east The eastern Celtic tribes known to the Greeks as Galatians exploited the waning of Macedonian power after Alexander the Great's death to launch increasingly ambitious raids and expeditions into the Balkans In 279 BC they launched a major invasion defeating and beheading the Macedonian king Ptolemy Keraunos before sacking the Greeks' most sacred oracle at Delphi Eventually forced to withdraw northwards they were defeated by Antigonos Gonatus at Lysimachia in 277 BC but remained a threat A large Galatian contingent was invited to cross to Asia to intervene in a war in Bithynia but they went on to seize much of central Anatolia for themselves founding the state of Galatia They remained a force in the region and their warriors served as mercenaries in many armies throughout the eastern Mediterranean In this authoritative history John Grainger explores the fortunes of these eastern Celts down to their eventual subjugation by the Romans Galatia becoming a

Roman province in 30 BC *Epigraphic Evidence* John Bodel, 2012-11-12 Epigraphic Evidence is an accessible guide to the responsible use of Greek and Latin inscriptions as sources for ancient history. It introduces the types of historical information supplied by inscriptional texts and the methods with which they can be used. It outlines the limitations as well as the advantages of the different types of evidence covered. Epigraphic Evidence includes a general introduction, a guide to the arrangement of the standard corpora, inscriptions and individual chapters on local languages and native cultures, epitaphs and the ancient economy amongst others.

Embracing the Beat of Expression: An Emotional Symphony within **Fasti Of Roman Britain**

In some sort of eaten by screens and the ceaseless chatter of instantaneous connection, the melodic beauty and mental symphony created by the prepared word often disappear in to the back ground, eclipsed by the relentless sound and disturbances that permeate our lives. But, situated within the pages of **Fasti Of Roman Britain** a marvelous fictional prize filled with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, that charming masterpiece conducts visitors on a mental journey, skillfully unraveling the concealed tunes and profound affect resonating within each cautiously constructed phrase. Within the depths with this emotional review, we can explore the book is central harmonies, analyze its enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
