The Edinburgh Lectures on Mental Science - The Original Classic Edition from 1909 Thomas Troward, 2018-11-25 The Edinburgh Lectures On Mental Science Thomas Troward First published in 1909 Some people possess the power of visualization or making mental pictures of things in a greater degree than others and by such this faculty may advantageously be employed to facilitate their realization of the working of the Law The law is always the same that our Thought forms a spiritual prototype which if left undisturbed will reproduce itself in external circumstances the only difference is in the sort of prototype we form and thus evil is brought to us by precisely the same law as good The Spirit of Life seeking expression in individual lives can have no other intention towards them than that they might have life and that they might have it more abundantly To suppose the opposite would be a contradiction in terms **The Edinburgh Lectures on Mental Science** Thomas Troward, 2016-11-17 Thomas Troward was a divisional Judge in British administered India His avocation was the study of comparative religion Influences on his thinking as well as his later writing included the teachings of Christ Islam Hinduism and Buddhism After his retirement from the judiciary in 1896 Troward set out to apply logic and a judicial weighing of evidence in the study of matters of cause and effect The philosopher William James characterized Troward s Edinburgh Lectures on Mental Science as far and away the ablest statement of philosophy I have met beautiful in its sustained clearness of thought and style a really classic statement According to Alcoholics Anonymous AA archivist Nell Wing early AA members were strongly encouraged to read Thomas Troward s Edinburgh Lectures on Mental Science **The Dore Lectures on Mental Science** Thomas Troward, **The Edinburgh Lectures on Mental Science: And Other Essential Works** Thomas Troward, 2021-07-27 The Edinburgh Lectures on Mental Science is an essential new collection of Thomas Troward s most groundbreaking work Thomas Troward was an English author writing in the 19th century who was deeply involved in the New Thought movement In The Edinburgh Lectures Troward explores the ways that Mental Action influences Material Conditions explains the reciprocal action of the universe and much more Deeply insightful and profound Troward is an indispensable voice in the New Thought canon and essential reading for fans of Norman Vincent Peale and Napoleon Hill This edition of the book also includes Your Invisible Power by Genevieve Behrend one of Troward s students The Edinburgh Lectures on Mental Science is part of The Library of Spiritual Wisdom a beautifully designed series of curated classics written by some of the greatest spiritual teachers of all time With books covering topics ranging from prosperity and motivation to the occult and metaphysical thought The Library of Spiritual Wisdom is the definitive collection of texts from some of the most revolutionary thought leaders of the last two centuries and belongs on the shelves of home libraries everywhere **The Edinburgh and Dore Lectures on Mental Science** Thomas Troward, 2007-12-01 The early New Age philosophy of New Thought which was wildly popular at the turn of the 20th century owes much of its emphasis on the concept of mind over matter to the works of Thomas Troward In this two in one volume which brings together two of

Troward's celebrated books on mental science the author who was renowned for presenting difficult ideas with clarity and enthusiasm discusses the higher mode of intelligence that controls the lower the unity of the spirit the subjective and objective minds the law of growth intuition and the will the subconscious mind individuality the creative power of thought and much more First published in 1909 Troward's writings remain of immense interest to anyone interesting in personal spiritual development English judge philosopher and painter THOMAS TROWARD 1847 1916 lived most of his life in India in the service of the imperial monarchy Among his publications many of which profoundly affected the New Thought movement are The Law and the Word Bible Mystery and Meaning and The Hidden Power and Other Papers Upon Mental Science

The Dore Lectures on Mental Science - The Original Classic Edition from 1909 Thomas Troward, 2018-11-23 The Dore Lectures On Mental Science Thomas Troward First published in 1909 Though the laws of the universe can never be broken they can be made to work under special conditions which will produce results that could not be produced under the conditions spontaneously provided by nature This is a simple scientific principle and it shows us the place which is occupied by the personal factor that namely of an intelligence which sees beyond the present limited manifestation of the Law into its real essence and which thus constitutes the instrumentality by which the infinite possibilities of the Law can be evoked into forms of power usefulness and beauty The Spirit is that which gives life and movement to anything in fact it is that which causes it to exist at all The thought of the author the impression of the painter the feeling of the musician is that without which their works could never have come into being and so it is only as we enter into the IDEA which gives rise to the work that we can derive all the enjoyment and benefit from it which it is able to bestow If we cannot enter into the Spirit of it the book the picture the music are meaningless to us to appreciate them we must share the mental attitude of their creator This is a universal principle if we do not enter into the Spirit of a thing it is dead so far as we are concerned but if we do enter into it we reproduce in ourselves the same quality of life which called that thing into existence New Thought then is not the name of a particular sect but is the essential factor by which our own future development is to be carried on and its essence consists in seeing the relation of things in a New Order

Copyright Office,1910 **The Hidden Power** Thomas Troward,2023-12-03 In *The Hidden Power* Thomas Troward embarks on a profound exploration of the unseen forces governing human existence positing that individual thought and consciousness shape reality With a literary style that deftly combines metaphysical discourse with practical philosophy Troward engages readers through evocative language and structured reasoning The work stands as a significant contribution to the New Thought movement of the early 20th century integrating concepts from psychology spirituality and positivism while drawing on biblical and theological interpretations to elucidate the latent potential within every person Thomas Troward a pivotal figure in the New Thought movement was deeply influenced by his experiences in India during his time as a judge where he encountered Eastern philosophies that emphasized the mind s role in manifesting reality His unique background blending rigorous legal scholarship with mystical insights enabled him to articulate compelling arguments for the transformative power of thought

Troward's works reflect his commitment to empowering individuals to recognize and harness their inner strength resulting in a cohesive philosophy that resonated with contemporary spiritual seekers. *The Hidden Power* is a must read for anyone drawn to the intersection of spirituality and self development. Troward's insights challenge readers to rethink their perceptions of reality encouraging a proactive stance in shaping one's life through focused thought and intention. This book not only enlightens but inspires action making it a timeless guide for both aspiring spiritualists and those seeking personal transformation.

Pony Ride to an Awakening Hedin E. Daubenspeck, 2020-02-27 This book tells of the pony ride to an awakening and other stories of the Spirit Encounters of an otherworldly kind happen to many people. My efforts are to describe some of the spiritual experiences that we may encounter from early childhood adolescence early adulthood and then maturity retirement unto renunciation and then consciousness beyond death. We are closest to the Spirit at the beginning of our life just entering incarnation from the Spirit and at the end of our life as we prepare to return to the Spirit. Sharing some of my psychic experiences and a few stories of my friends and family may serve as a guide for you in finding some similarities in these with your own experiences to reinforce the trust in these experiences as real and not imagined. We come from the Spirit and will return to the Spirit. There is nothing to fear from our teachers and ancestors in communicating with the Spirit to give us guidance wisdom and vision in this oftentimes difficult earthly life experience or to answer our questions. As we unfold our development going forward with open eyes and mind we find that the truth unfolds and becomes more refined like a lotus flower.

The New International Year Book, 1917 *New International Yearbook*, 1917 The Edinburgh Lectures on Mental Science T. Troward, 2022-09-16 In *The Edinburgh Lectures on Mental Science* T. Troward presents a compelling exploration of the intersection between mind and reality advocating for the transformative power of thought. Structured as a series of lectures delivered in 1904, the book employs a sophisticated yet accessible literary style merging philosophical inquiry with practical application. Troward delves into concepts such as the nature of consciousness, the mechanics of mental creation, and the ultimate potential of the human mind. His work is steeped in the ideals of the New Thought movement, reflecting the era's fascination with psychology, spirituality, and the manifestation of personal agency in the face of external circumstances. Troward, an influential figure in early 20th-century metaphysics and a former judge in British India, was deeply impacted by his exposure to Eastern philosophies and the burgeoning psychological theories of his time. His academic background and personal experiences contributed significantly to his unique perspective on mental science, allowing him to reconcile philosophical principles with practical applications in everyday life. Troward's insights resonate with a broader understanding of human potential and the laws governing mental phenomena, establishing him as a pivotal thinker in the fields of spirituality and personal development. I highly recommend *The Edinburgh Lectures on Mental Science* to anyone seeking to deepen their understanding of the mind's capabilities and to harness its power for personal growth. Troward's lectures not only provide theoretical frameworks but also actionable guidance, making this work an

essential read for practitioners of self improvement and students of psychology The book stands as a vital contribution to the discourse on the mental faculties that shape our realities inspiring readers to engage actively with the nature of their thoughts and beliefs
