Edisto Island

Sam Lybrand

Edisto Island:

Edisto Cantey Wright,2006-07-01 Edisto Island has been an integral part of the South Carolina Lowcountry for centuries For more than three hundred years Edisto Island was the setting for marauding pirates sea island cotton plantations and indigo traders Today as one of the jewels of the Carolina coast Edisto and its people lead a calmer life With a small year round population buttressed by a dedicated seasonal crowd Edisto remains a beloved island community with a rich tradition and history Edisto A Guide to Life on the Island is a charming blend of Edisto history and useful local information Full of details that will surprise even lifelong residents this book captures the heart and spirit of the island Author Cantey Wright provides readers with a wealth of insight and creates a deep appreciation for Edisto s history and tradition More than a history book this volume also serves as a guide to Edisto s uniquely enchanting lifestyle Wright uses humor and a warm writing style to take his readers on a tour through the tidal creeks and oak lined roads stopping along the way to reveal the best way to catch crabs fish and shrimp and the tastiest ways to prepare them *Edisto Island, 1861 to 2006* Charles Spencer,2008-03-21 This title from Charles Spencer recounts the history of Edisto Island from the Civil War to present day The Civil War hit Edisto Island hard Between the mandated evacuation Union occupation and the eventual emancipation of the slaves the cotton plantation economy that had sustained the island fell to ruin But this phoenix was to rise from the ashes of war to become one of the premier destinations for fun and sun on the South Carolina coast Charles Spencer in his second volume of Edisto history recounts the events of the Civil War the struggles of Reconstruction the effects of the new freedman class and the island s rebirth as a favorite vacation spot and modern community in the twentieth century Each chapter offers an enjoyable excursion into the past and a detailed look at the remarkable history of Edisto **Edisto Island** Amy S. Connor,Sheila L. Beardsley,2004-11-01 Great fortunes were once made on tiny Edisto Island as nineteenth century planters and their families farmed indigo and cotton Although the ancient oak shaded path to Edisto is now a highway the trees overhead remain draped with lush Spanish moss luring travelers to another era Proud of their preservation of the island residents here strive to maintain a lifestyle that is close to nature and removed from the hustle and bustle of city life This remarkable new photographic history features over 200 vintage images many never before seen by the public With photographs of the founding planters and their families homes landscapes and beach views and intimate views of everyday life on Edisto plantations this book gives us a glimpse of what the island experience was like through the years **And I'm Glad** ,2005 And I m Glad An Oral History of Edisto Island explores the island s history through the eyes and in the voices of two Edisto farmers Sam Gadsden and Bubberson Brown who grew up labored raised families and made their lives on the island These narratives tracing the arrival of the first black pioneers the subsequent slave culture during the 1800s the difficulties of Reconstruction to the Edisto of the twentieth century document both the African American legacy of the island and the personal struggles of two black men Overcoming the unpredictability of the Lowcountry s weather such as the

historic Hurricane of 1893 and subsequent storms the hardships of Depression era America and the double standards of a pre Civil Rights South Gadsden and Brown detail triumphant lives full of service hard work good humor and faith **Edisto Island, 1663 to 1860** Charles Spencer,2008-03-14 Wild Eden to Cotton Aristocracy is an impeccably researched and superbly written must read for all whose hearts call Edisto home Beautiful Edisto Island has not always been a vacationers haven in the South Carolina Lowcountry Before European settlement it was home to the Edisto Indians who had seasonal fishing camps in the area and a wide variety of wildlife By the beginning of the Civil War the wealthy planters had largely abandoned the area What happened between those two periods is a must read for fans of coastal South Carolina Author Charles Spencer chronicles Edisto s history from the early days when English and Scottish planters and their African slaves settled the lush island paradise and established plantations that flourished until the Civil War **Edisto Island, 1663 to 1860** Charles Sackett Spencer,2008 Wild Eden to Cotton Aristocracy is an impeccably researched and superbly written must read for all whose hearts call Edisto home Beautiful Edisto Island has not always been a vacationers haven in the South Carolina Lowcountry Before European settlement it was home to the Edisto Indians who had seasonal fishing camps in the area and a wide variety of wildlife By the beginning of the Civil War the wealthy planters had largely abandoned the area What happened between those two periods is a must read for fans of coastal South Carolina Author Charles Spencer chronicles Edisto s history from the early days when English and Scottish planters and their African slaves settled the lush island paradise and established plantations that flourished until the Civil War **Edisto Island, 1861 to 2006** Charles Sackett Spencer,2008 This title from Charles Spencer recounts the history of Edisto Island from the Civil War to present day The Civil War hit Edisto Island hard Between the mandated evacuation Union occupation and the eventual emancipation of the slaves the cotton plantation economy that had sustained the island fell to ruin But this phoenix was to rise from the ashes of war to become one of the premier destinations for fun and sun on the South Carolina coast Charles Spencer in his second volume of Edisto history recounts the events of the Civil War the struggles of Reconstruction the effects of the new freedman class and the island s rebirth as a favorite vacation spot and modern community in the twentieth century Each chapter offers an enjoyable excursion into the past and a detailed look at the remarkable history of Edisto **Edisto, a Sea Island Principality** Clara Childs Puckette,Clara Childs Mackenzie,1978 **Edisto Stranger** C. Hope Clark,2017-05-26 A cold case heats up A dead man in Big Bay Creek spring break and a rogue FBI agent would be enough to drive Chief Callie Jean Morgan to drink if she hadn t already quietly crawled inside a bottle of gin to drown her sorrows over a life ripped apart by too many losses When her investigation into the stranger s death heats up an unsolved abduction case Callie finds herself pitted against the town council her son the agent and even the raucous college kids enjoying idyllic Edisto Beach Amidst it all Callie must find a way to reconcile her grief and her precious taste for gin before anyone else is killed C Hope Clark is the award winning author of the Carolina Slade Mysteries and now the Edisto Island Mysteries During her career with the U S

Department of Agriculture she met and married a federal agent now a private investigator She plots murder mysteries at their lakeside home in South Carolina when not visiting Edisto Beach Visit Hope at chopeclark.com **Sam's Edisto Island Paradise** Sam Lybrand,2017-04-19 Edisto Island SC has been occupied since before recorded history if you believe all the evidence found on Edisto in recent times Therefore it must have held some fascination and worth to mankind over these many many years The more you read all that has been written about Edisto and the more you go out into its creeks marshes and old plantation sites the more it grows on you It tends to make you want to stay on the ocean side of the Dawhoo Bridge and never leave One fascination after the next keeps coming up and giving you another avenue of interest to explore I honestly believe that one could not learn all there is to know about Edisto in one lifetime Who Settled Edisto Island Sam Lybrand,2024-11-22 In the later years of our lives my wife and I were sitting in our rocking chairs on the front porch enjoying the cool breeze and she asked me Who settled Edisto Island way back then I turned to her and said What a great reason for doing this research and publishing the result for many to see This got me thinking Who were the individuals who had the spark that started all this and what part did these individuals play in bringing it about I needed to keep in mind that the American Indians occupied Edisto Island for a time untold and the English just came in and took Edisto Island for themselves with very little compensation to the locals When I considered how to present this story I wanted pictures of the main characters so that I could visualize what these people looked like as if I were talking to them Since all this did not happen overnight I thought this story should include several generations In this case the sequence will include the English monarchs who played a part in starting all this Some played a large part and some were just in the line of what happened Therefore find yourself a rocking chair and see what I found I hope you enjoy this as much as I enjoyed putting it together Oh my wife Joyce Hills Lybrand edited this by cleaning up some of my poor English and grammar Keep in mind that I was 87 years old when I began this project and sometimes forgot what I had for breakfast *Tales of Edisto* Nell S. Graydon,2018-02-27 Nell S Graydon s first book *Tales of Edisto* was first published in 1955 14 years after the author s love affair with her second home at Edisto Island began Her daughter Virginia recalled that a stay there always included daily trips to the post office especially during the war years when sharing news was of utmost importance It was there that the summer colony met and mingled with the natives and it was in the mundane setting of the post office that the tales of Edisto first reached Nell Graydon s ears She wrote many years later The stories are not new they have been told many times The tales fascinated me and I often wondered why someone had not compiled them in book form The historical context of *Tales of Edisto* includes elements of glamour that will appeal to almost any reader certainly the 19th century sea island cotton plantations with their elegant homes avenues of magnolias orange blossoms beautiful women and gentleman planters with their mint juleps were the stuff of which romance is made Beautifully illustrated throughout by engineer photographer Carl Julien of Greenwood South Carolina **The Tragic Destruction of Edingsville** Sam Lybrand,2017-12 Edisto Beach is not the first popular beach

destination on Edisto Island Just up the beach on the other side of Jeremy Inlet there existed a highly sought after wealthy beach village It was called the Village of Edingsville or The Bay and was in existence during most of the 1800s During its time it was the place to spend the summer It had about 60 two story plantation beach houses two churches a pool hall and even a hotel Some say that a party atmosphere constantly existed in this village during the summer Unfortunately the hurricane of 1885 destroyed all of it in one wide sweep There is now no evidence that it ever existed Therefore Edisto Beach is not the first place where people came to enjoy the ocean off Edisto Island This is what this book is all about the beginning and ending of Edingsville Enjoy it and spread the word of its existence **Edisto Island** Nancy Rhyne,2006-10-18 Benjamin Bodicott is a gentleman A man with brilliant blue eyes flowing hair and a manner of speaking far superior to his peers Benjamin is as near a Rhett Butler as Edisto Island South Carolina has ever seen Whaley a twenty two year old island native never thought that she would fall for an aristocrat But when Benjamin Bodicott steps into her life everything changes Whaley who had been funnelling her passion into music suddenly finds her attention drawn toward her quickly intensifying romance with Benjamin Everything is perfect until she receives the devastating phone call that alters her life forever In a whirlwind sequence of events Whaleys beloved father is diagnosed with stomach cancer her prized piano disappears after her fathers death and a secret about Benjamins past emerges causing her to question everything that she has ever believed In this tale of romance with a hint of mystery Nancy Rhyne creates characters as rich in complexity as the beauty of the South Carolina Lowcountry that she masterfully describes In the sea of turmoil that envelops Whaleys life she must set aside the world that she knows to determine if love really does conquer all The South Carolina Historical and Genealogical Magazine ,1919

Climatological Data United States. Environmental Data Service,1969 Collection of the monthly climatological reports of the United States by state or region with monthly and annual national summaries **Unique Edisto** Sam Lybrand,2020-01-21 I wrote this book to record what I thought was unique about Edisto Island I believe it is worth visiting to experience what I love about this wonderful place where I grew up Many that have visited Edisto Island several times end up moving to my paradise to experience what it has to offer every day for the rest of their lives **Climatological Data, South Carolina** United States. Environmental Data Service,1965 *Climatological Data for the United States by Sections* , Collection of the monthly climatological reports of the United States by state or region with monthly and annual national summaries *National Register of Historic Places, 1966 to 1994* ,1994
