The Chicago Guide to Copyediting Fiction Amy J. Schneider, 2023-03-10 A book world veteran offers the first copyediting guide focused exclusively on fiction Although The Chicago Manual of Style is widely used by writers and editors of all stripes it is primarily concerned with nonfiction a fact long lamented by the fiction community In this long awaited book from the publisher of the Manual Amy J Schneider a veteran copyeditor who s worked on bestsellers across a wide swath of genres delivers a companionable editing guide geared specifically toward fiction copyeditors the first book of its type In a series of approachable thematic chapters Schneider offers cogent advice on how to deal with dialogue voice grammar conscious language and other significant issues in fiction She focuses on the copyediting tasks specific to fiction such as tracking the details of fictional characters places and events to ensure continuity across the work and provides a slew of sharp practicable solutions drawn from her twenty five years of experience working for publishers both large and small The Chicago Guide to Copyediting Fiction is sure to prove an indispensable companion to The Chicago Manual of Style and a versatile tool for copyeditors working in the multifaceted landscape of contemporary fiction

Focus on Canada Sandra Clarke, 1993-11-04 Although varieties of North American English have come in for a good deal of linguistic scrutiny in recent years the vast majority of published works have dealt with American rather than Canadian English This volume constitutes a welcome addition to our linguistic knowledge of English speaking Canada While the focus of the volume is primarily synchronic several of the dozen papers it contains offer a diachronic perspective on Canadian English Topics range from general issues in Canadian lexicography and orthography to sociolinguistic studies of varieties of English spoken in all major geographical areas of the country Atlantic Canada Ontario Quebec and the West A theme common to many of the articles is the relationship of Canadian English to American varieties to the south

Canadian Reference Sources Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross

referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers
