Educating A Profession:

Educating Professional Psychologists Glenn R. Caddy, 1982-01-01 *Teaching Controversial Political Issues in the Age of Social Media* Rakefet Erlich Ron, Shahar Gindi, 2023-06-09 Using Israel as a case study this book examines teachers approaches to Controversial Political Issues CPI in the classroom The book focuses on the democratic responsibilities that teachers face in an era where social media use is ubiquitous and polarization and fake news are increasingly common Presenting original research on the topic and developing a pedagogical framework for dealing with controversial issues in a sensitive and effective manner this accessible volume highlights social emotional learning approaches and considers a broad definition of CPI to include issues of racism religion political differences multiculturalism and Jewish Arab relations Using the results of an in depth research project foregrounding personal experience the book explores situational accounts of teachers from a diverse range of subject disciplines and different minority majority group settings to present comparative evidence from European contexts Offering concrete suggestions for ways of dealing with controversial political issues and volatile remarks that are grounded in research this timely book will be highly relevant for researchers students and educators in the fields of social studies democratic and peace education citizenship education race and education and educational politics

Handbook of Professional Development in Education Linda E. Martin, Sherry Kragler, Diana J. Quatroche, Kathryn L. Bauserman, 2015-10-13 This comprehensive handbook synthesizes the best current knowledge on teacher professional development PD and addresses practical issues in implementation Leading authorities describe innovative practices that are being used in schools emphasizing the value of PD that is instructive reflective active collaborative and substantive Strategies for creating measuring and sustaining successful programs are presented The book explores the relationship of PD to adult learning theory school leadership district and state policy the growth of professional learning communities and the Common Core State Standards Each chapter concludes with thought provoking discussion questions The appendix provides eight illuminating case studies of PD initiatives in diverse schools *European Perspectives on Professional Development in Teacher Education* Ken Jones, Jim O'Brien, 2016-01-08 This collection focuses on the ways in which policy relating to professional development and professional learning in teacher education is changing across Europe The chapters examine how policies change with time and with changes in personnel at various levels in the political or professional spectrum It also highlights the continued diversity of the education systems of Europe despite moves towards economic and social integration A common theme running through the chapters is an understanding of the importance of professional development and professional learning of educators in the success and effective operation of the education systems of the countries concerned This book was originally published as a special issue of Professional Development in Education

Women Graduates and the Teaching Profession British Federation of University Women, ltd. Working Party on the Crowther Report, 1964 **Education Policy, Practice and the Professional** Jane Bates, Sue Lewis, Andy

Pickard,2019-03-21 In this introduction to educational policy practice and professionalism the authors focus first on providing an historical overview of English policy from the state s first interventions in education through to Thatcherism and the election of the Blair government Chapters then explore the key contemporary policies of recent times and offer a critique on how they have worked in practice with reference the hysteria that often surrounds education policy An important theme is media representation of educational matters and the effects this has on the teaching profession Commentaries and case studies are presented throughout providing an accessible link to what it was really like to learn teach and live at the time the policy was in place This new edition now includes an account of the measures taken by the Coalition Government of 2010 15 examining the Coalition s continuities with the previous administration whilst also exploring departures from previous thinking and practices updated references and case studies throughout to represent new research and legislation since the first edition an extended discussion of globalization and global policy borrowing further coverage of social justice theory including a perspective on identity theory and the role of education in the development of identity and the marginalisation of individuals and groups a new historical chapter covering the period 1945 to 1997 a summary of the development of the curriculum and a critique of the 2014 National curriculum as pioneered by Michael Gove and a new conclusion setting out the trajectory of current policies and how this may affect educational practitioners This is essential reading for all undergraduate students studying education policy and practice Professional Support Beyond Initial Teacher Education

Anna Elizabeth Du Plessis,2019-08-26 This book investigates the professional learning needs of teachers beyond initial teacher education focusing on teachers in complex teaching positions such as out of field teaching practices The information presented here will help to improve professional learning strategies while also offering an in depth understanding of teachers needs leaders perceptions and what complex teaching situations mean for teachers professional learning and development Further Du Plessis shares the perceptions and lived experiences of teachers parents leaders and students as key stakeholders in quality teaching and learning environments In light of new evidence informed findings on the out of field phenomenon and continuing professional learning Du Plessis puts forward strategies that will enhance the effectiveness of professional learning and development programs while also fostering improved decision making and policy development In brief Du Plessis focuses on the impact that complex teaching situations have on teachers unique needs the support that is provided and the influence of the out of field phenomenon on teachers responses to continuing professional learning and development programs

Reclaiming the Teaching Profession J. Amos Hatch, 2015-02-24 Reclaiming the Teaching Profession gives educators especially teachers and future teachers and their allies a clear overview of the massive effort to dismantle public education in the United States which includes a direct attack on teachers The book details and provides a systematic critique of the shaky assumptions at the foundation of the market based reform initiatives that dominate the contemporary education scene It names and exposes the motives and methods of the powerful philanthropists politicians business moguls and education entrepreneurs who are behind the reform movement It provides counter narratives that public school advocates can use to talk back to those who would destroy the teaching profession and public education It includes examples of successful acts of resistance and identifies resources for challenging reformers taken for granted primacy in the education debate It concludes with strategies educators can use to speak truth to power reclaim their professional status and reshape the education landscape in ways that serve all of America's children and preserve our democracy

Myanmar's Education Reforms Marie Lall, 2020-11-02 This book reviews the state of education in Myanmar over the past decade and a half as the country is undergoing profound albeit incomplete transformation Set within the context of Myanmar's peace process and the wider reforms since 2012 Marie Lall's analysis of education policy and practice serves as a case study on how the reform programme has evolved Drawing on over 15 years of field research carried out across Myanmar the book offers a cohesive inquiry into government and non government education sectors the reform process and how the transition has played out across schools universities and wider society It casts scrutiny on changes in basic education the alternative monastic education higher education and teacher education and engages with issues of ethnic education and the debate on the role of language and the local curriculum as part of the peace process In so doing it gives voice to those most affected by the changing landscape of Myanmar's education and wider reform process the students and parents of all ethnic backgrounds teachers teacher trainees and university staff that are rarely heard

Talks on Education, Art, and Philosophy Ilker Aysel, Yilmaz Ilker Yorulmaz, Caglar Kaya, 2018-01-05 This book is a collection of reflections on the state of education art and philosophy principally in modern Turkey The contributed chapters include the identity and social roles of teachers foreign experts opinions concerning the structure of the Turkish education system repercussions of recent Turkish education policies a provocative essay on the underdetermination of scientific theories the role of political power on state theatres in Turkey the relationship between society and art as seen through the lens of theater the connections between meliorism and other concepts philosophical such optimism and messianism

Human Values in Education Gupta N L, Natthulāla Gupta, 2000

Quality in Teacher Education and Professional Development John Chi-Kin Lee, Timo Ehmke, 2021-09-28 This book addresses the past and changing contexts of Chinese and German teacher education under the impact of globalization and

echoes quality issues of teacher education This edited book provides a comprehensive discussion on other issues in the management and implementation of change in teacher education related to teacher education curricula for professional development of teachers A combination of chapters provides an overview a review of literature and research as well as offering examples of teacher education practice and updated empirical research on these topics co edited by two senior scholars and written by experts from Mainland China including Hong Kong and Germany The volume addresses key issues on teacher standards ICT in education and e learning in teacher education STEM education vocational teacher education university school partnership in teacher education and teaching Chinese or German as a second language This is an up to date academic book to look at profound issues related to quality in teacher education and teachers professional development in mainland China and Germany It will be a useful reference for graduate students and researchers in the field of international and comparative education teacher education and curriculum studies teacher educators and practitioners to learn from trends best practice and challenges that have been encountered in Mainland China and Germany *A License To Teach* Linda Darling-hammond, Arthur E Wise, Stephen P. Klein, 1995-03-07 *A License to Teach* speaks directly to the quality of education debate now focused on public schools The authors show that reform of teacher education and licensing are needed to ensure that teachers are prepared for the classroom A well conceived licensing system that supports high quality teacher preparation would ultimately support the more demanding learning goals now expected of students and would give parents and policymakers greater confidence that teachers are being prepared to practice their profession responsibly

The ^AOxford Handbook of Education and Training in Professional Psychology W. Brad Johnson Ph.D., Nadine Kaslow Ph.D., 2014-03-11 The Oxford Handbook of Education and Training in Professional Psychology provides the first comprehensive treatment of the processes and current state of the art practices bearing on educating and training professional psychologists **Hidden Dimensions in the Professional Development of Mathematics Teachers:**

In-Service Education for and With Teachers B. Roesken, 2011-07-23 Professional development is often determined by black and white thinking Either issues are considered as being good or bad or statements like teachers should or teachers must are transported However it is easily forgotten from which perspective the judgment is taken surely it is not the teacher s one Profoundly respecting and cherishing the teachers and their needs allows for arriving at a vision of professional development that is for and with teachers instead being simply about them This book presents the field of mathematics teacher professional development both from a theoretical and an empirical perspective In particular the initiative Mathematics Done Differently that has been run in Germany is presented in whose context the data of the empirical study was gathered The empirical findings led to postulating a model describing teachers individual growth pathways and to providing implications for constructing practices that are based on what teachers really need **Handbook of Research on Professional Development for Quality Teaching and Learning** Petty, Teresa, Good, Amy, Putman, S.

Michael, 2016-06-16 As educational standards continue to transform it has become essential for educators and pre service teachers to receive the support and training necessary to effectively instruct their students and meet societal expectations. However, there is not a clear consensus on what constitutes teacher effectiveness and quality within the education realm. The Handbook of Research on Professional Development for Quality Teaching and Learning provides theoretical perspectives and empirical research on educator preparation and methods for enhancing the teaching process. Focusing on teacher effectiveness and support provided to current and pre service educators, this publication is a comprehensive reference source for practitioners, researchers, policy makers, graduate students, and university faculty. **National Board for Professional Teaching Standards** United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Education, Arts, and Humanities, 1988. **The Professional Education of Special Men Teachers of Physical Education in Prussia** Frank Leopold Oktavec, 1929. *Gender, Class & Education* Stephen Walker, Len Barton, 1983. Presentations made at the fifth Westhill Sociology of Education Conference in January 1982 introduced
