American Journal of Pharmacy and the Sciences Supporting Public Health ,1863 *The Stark Carpathians* Anthony J. Amato,2024-01-29 The Stark Carpathians Ritual Text and Authority Among Ukraine s Hutsuls addresses rituals and texts in a small mountainous area located in today s Ukraine The residents of this remote region are known as the Hutsuls This book argues that Hutsul rituals and texts cast as ancient and extraordinary had more mundane roots They formed out of contact between the region s residents and lowland institutions and they became foundations for everyday life Words and symbolic action had an inherent tension that stemmed from contests over authority The nature of these contests was such that distant officials willful locals and diverse sources of information were often as important as collective traditions in shaping rituals and texts Prolific producers of texts Hutsuls carried on discussions that included diverse topics such as agriculture astrology mass gymnastics divine punishment and witches and vampires This volume covers these and other discussions in their small and exact particulars and it investigates texts and rituals in their fullness and irreducible complexity By crossing traditional lines of inquiry and following the region s winding trails to their divergent ends this book offers insight into a larger Hutsul world Ultimately the study of Hutsul creations informs the study of rituals and texts in many elsewheres far from the Carpathian Mountains *Popular Science* ,2005-09 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Public Opinion** ,1894 **The Lancet** ,1896 **Leonard's Illustrated Medical Scientific Journal** ,1886 *Los Angeles Magazine* ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **The National Druggist** ,1923 **Medical and Health Care Books and Serials in Print** ,1997 **The Advocate** ,2004-09-14 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *The Pharmaceutical Journal and Pharmacist* ,1916 *Normal Instructor and Teachers World* ,1911 **New Age Journal** ,1993 **New York State Journal of Medicine** ,1929 *Psychedelic Capitalism* Jamie Brownlee,Kevin Walby,2025-05-06T00:00:00Z Psychedelics have long been sanctioned as dangerous substances Today psychedelics are enjoying a new found appeal even being idealized as wonder drugs As part of the so called psychedelic renaissance reports abound about the benefits of these substances for remedying individual mental health issues and bringing about social change Offering a critical view of these developments Psychedelic Capitalism locates this renaissance in the context of

corporate capture medicalization and the war on drugs Wealthy entrepreneurs are investing billions in the psychedelics industry Biotechnology firms are racing to capture intellectual property and monopolize psychedelic supply chains Venture capitalists are leveraging the prospects of a lucrative mass market Together these actors are appropriating Indigenous knowledge and claiming ownership over substances that have been in the public domain for centuries Brownlee and Walby ask if corporations and the medical establishment are suited to steward the mainstreaming of psychedelics raising concerns with how the psychedelic renaissance is entrenching systems of inequality limiting access and affordability and increasing the reach of drug war surveillance and criminalization Interrogating the consequences of psychedelic capitalism the authors point to what could be gained from a just and equitable psychedelic future rooted in the public interest Health Science Books, 1876-1982 ,1982 **American Book Publishing Record** ,1995 Pharmacy Chloris Shade Ruble,1940
