Hear Me With Your Heart:

Prophecies, Visions, Occurrences, and Dreams Raymond Aguilera, 2000-06 Prophecies Visions Occurrences and Dreams is an apocalyptic book Since 1990 Raymond Aguilera began to receive prophecies visions and warnings from God about the end of our world as we know it These messages range from abortion to the New Age movement to Pastors who have misled the flock They reveal things to come things that now are and things that should not be From hope to love to doom to a new beginning herein lies a broad range of insight from a whole new perspective The prophecies are simple and straight forward written from a first hand perspective They fly in the face of orthodox tradition and are a thorn in the side to everyone who has already made up his mind and heart on how the end is to come and who God is This has the potential of being one of the most controversial books of the year

The Far East ,1875 'The Real Scriptures' of God James Platter,2012-08-14 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isnt in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone elses church scriptures are false scriptures Ethiopia it
