Heart Has Its Own Reasons Mothering Wisdom For The 1980s:

The Heart Has Its Own Reasons Mary Ann Cahill, 1985-04-17 **La Leche League** Jule DeJager Ward, 2000 In 1956 when La Leche League was founded if a new mother chose to breastfeed rather than bottlefeed her child she could by no means expect universal support for her decision Though physicians of the era admitted that breastfeeding was the best method Delivering Motherhood Katherine Arnup, Andrée Lévesque, Ruth Roach Pierson, 2024-09-30 In the course of the nineteenth and twentieth centuries motherhood in Canada as elsewhere in the western world became contested terrain Male medical practitioners vied with midwives and midwives with nurses while reform minded middle class women joined with the eugenically minded state officials in efforts to control the quantity and quality of the population As reproduction gained in importance as a political as well as a religious issue motherhood became the centre of debate over public health and welfare policies and formed the cornerstone of feminist and anti feminist as well as nationalist and pacifist ideologies Originally published in 1990 Delivering Motherhood now with a new preface by Katherine Arnup is the first comprehensive study on the history of this complex development in Canada where control over the different stages of reproduction from conception to delivery to childcare shifted from the central figure of the mother to experts and professionals The contributions range from the treatment of single mothers in Montreal in the Depression to La Leche League in the 1960s 70s and 80s This book will be an essential read for students and researchers of women s studies feminist studies women s history and sociology **The Womanly Art of Breastfeeding** La Leche League International, 1987 All parents want the best for their babies and there s no doubt about the fact that human milk is the ideal food for human babies What s the secret of successful breastfeeding For almost fifty years mothers who have been in touch with La Leche League have found the kind of information and support they needed to breastfeed their babies In this newly revised edition of The Womanly Art of Breastfeeding you will learn How human milk offers lifetime benefits for your baby How to prepare for breastfeeding during pregnancy How to exercise and lose weight safely while nursing How to find time for yourself while meeting baby s needs How to increase your milk supply by using herbs and medications How to be sure your baby is getting enough to eat The Womanly Art of Breastfeeding was the first book of its kind written for mothers by mothers Over the years more than two million mothers have turned to it for information and inspiration **Books in Print Supplement** , 1988 **The Publishers' Trade List Annual** , 1899 **American Book Publishing Record** , 1985 **Mother Daughter Wisdom** Christiane Northrup, M.D., 2006-03-28 From the best selling author of Women s Bodies Women s Wisdom and The Wisdom of Menopause With such groundbreaking bestsellers as Women s Bodies Women s Wisdom and The Wisdom of Menopause Dr Christiane Northrup is one of today s most trusted and visionary medical experts Now she presents her most profound and revolutionary approach to women s health The mother daughter relationship sets the stage for our state of health and well being for our entire lives Because our mothers are our first and most powerful female role models our most deeply ingrained beliefs about ourselves as women

come from them And our behavior in relationships with food with our children with our mates and with ourselves is a reflection of those beliefs Once we understand our mother daughter bonds we can rebuild our own health whatever our age and create a lasting positive legacy for the next generation Mother Daughter Wisdom introduces an entirely new map of female development exploring the five facets of feminine power which range from the basics of physical self care to the discovery of passion and purpose in life This blueprint allows any woman whether or not she has children to repair the gaps in her own upbringing and create a better adult relationship with her mother If she has her own daughter it will help her be the mother she has always wanted to be Written with warmth enthusiasm and rare intelligence Mother Daughter Wisdom is an indispensable book destined to change lives and become essential reading for all women *Of Cradles and Careers* Kaye Lowman, 1985 *Living with Your New Baby* Elly Rakowitz, Gloria S.
