**Real Expression's of Words Never Heard** The Prolific Penman,2012-05 This book is about my personal journey throughout life It tells the story of all the people that have touched me emotionally Although names will not be used the people who played an active part in the remaking of my character will know who they are This book also speaks of many untold feeling that I held inside but never knew how to voice them outwardly When the pains of life are just too great when I cannot seem to see the light of day the words of faith love hope and trust seem to explode forward from the very depths of my soul onto paper The road to becoming a poet has been a long one for me the bizarre part is that I have not come to the end what this means is there is room for me to grow My life has been full of hardships but I would not change anything that has happened because I have come to see that everyone blow I took to my ego or anytime I was knocked down and got back up only pushed me one step closer to the person I have now become the prolific penman **Walker's Texas Division, C.S.A.**

Richard Lowe,2006-04-01 Colorfully known as the Greyhound Division for its lean and speedy marches across thousands of miles in three states Major General John G Walker s infantry division in the Confederate army was the largest body of Texans about 12 000 men at its formation to serve in the American Civil War From its creation in 1862 until its disbandment at the war s end Walker s unit remained uniquely for either side in the conflict a stable group of soldiers from a single state Richard Lowe s compelling saga shows how this collection of farm boys store clerks carpenters and lawyers became the trans Mississippi s most potent Confederate fighting unit from the vain attack at Milliken s Bend Louisiana in 1863 during Grant s Vicksburg Campaign to stellar performances at the battles of Mansfield Pleasant Hill and Jenkins Ferry that helped repel Nathaniel P Banks s Red River Campaign of 1864 Lowe s skillful blending of narrative drive and demographic profiling represents an innovative history of the period that is sure to set a new benchmark Reading with Expression James
