Korean War, 1950-1953, 1990 **Remembering (Korea: 1950-1953)** Dennis J Ottley, 2015-12-22 Remembering Korea 1950 1953 By Dennis J Ottley Remembering Korea 1950 1953 is the author s memoir This book describes his involvement in Korea during the Korean War and points out the reasoning behind the conflict Over the years the Korean War has been considered The Forgotten War by many At one time President Harry S Truman referred to it as a Police Action but 5 720 000 Americans who served in Korean have never forgotten what it was about and that it was much more than just a Police Action They understand that it was an all out war and one of the bloodiest in American history It involved over 20 countries of the United Nations that joined with the United States to save the South Koreans from annihilation and the tyranny of the communist countries such as Russia and North Korea On July 27 1953 an armistice was signed and today South Korea remains as a free nation and one of the strongest and wealthiest countries in Asia This book is to help Americans understand what the war was all about and describe one soldier s experience and opinion of the conflict Ground Forces in the Korean War 1950-53 (1) Benjamin Lai, Zhao Guoxing, 2024-11-21 Featuring full color artwork this book describes and illustrates the Chinese and North Korean troops who fought US and UN forces in Korea during 1950 53 In June 1950 North Korean forces armed and equipped by the Soviet Union invaded South Korea forcing back the US and South Korean troops facing them and threatening them with complete defeat After the US and UN forces mounted a series of counter offensives the Chinese People s Volunteer Army crossed into the Korean Peninsula and entered the fray the conflict would continue for three years until the armistice of July 1953 and tensions remain high today The exploits of the North Korean and Chinese forces in the Korean War are renowned but many misconceptions have grown up about these armies In this study carefully chosen photographs and specially commissioned artwork combine with authoritative text to reveal the evolving organization tactics uniforms insignia and equipment of these formidable Communist troops during three years of warfare in the Korean Peninsula Benjamin Lai and Zhao Guoxing reveal the real story of the North Korean and Chinese troops engaged in the Korean War setting the record straight and deepening our understanding of the conflict *The Hidden History of the Korean War, 1950-1951* I. F. Stone, 2014-09-16 A great journalist raises troubling questions about the forgotten war in this courageous controversial book with a new introduction by Bruce Cumings The Baltimore Sun Much about the Korean War is still hidden and much will long remain hidden I believe I have succeeded in throwing new light on its origins From the author s preface In 1945 US troops arrived in Korea for what would become America s longest lasting conflict While history books claim without equivocation that the war lasted from 1950 to 1953 those who have actually served there know better By closely analyzing US intelligence before June 25 1950 the war s official start and the actions of key players like John Foster Dulles General Douglas MacArthur and Chiang Kai shek the great investigative reporter I F Stone demolishes the official story of America s forgotten war by shedding new light on the tangled sequence of events that led to it The Hidden History of

In the Shadow of the Greatest Generation Melinda L. Pash,2014-05-22 Largely overshadowed by World War II s greatest generation and the more vocal veterans of the Vietnam era Korean War veterans remain relatively invisible in the narratives of both war and its aftermath Yet just as the beaches of Normandy and the jungles of Vietnam worked profound changes on conflict participants the Korean Peninsula chipped away at the beliefs physical and mental well being and fortitude of Americans completing wartime tours of duty there Upon returning home Korean War veterans struggled with home front attitudes toward the war faced employment and family dilemmas and wrestled with readjustment Not unlike other wars Korea proved a formative and defining influence on the men and women stationed in theater on their loved ones and in some measure on American culture In the Shadow of the Greatest Generation not only gives voice to those Americans who served in the forgotten war but chronicles the larger personal and collective consequences of waging war the American way **Battle Casualties and Medical Statistics;** Frank A.
