Heartfelt Finding Our Way Back To God:

Heartfelt Gerrit Scott Dawson, 1993 This book features a fresh approach to relating to Jesus as we find him in the Gospels It is written with those who are familiar with Christianity but who feel that their experience of traditional faith has not been enough for them **Finding Our Way Back** Charles Determan Sr., 2018-08-06 This book is about fostering an examination of the individual and their inner self and how this examination can change the way they live their daily life Oftentimes people in recovery can be overwhelmed by a world that seems to have jettisoned God long ago yet gives no real alternative to find meaning and purpose By using the book of Romans we can identify three dynamics of recovery which can allow us to see how the message of Romans still resounds today When we realize our closeness to God and allow ourselves to join the process of our own transformation we can begin to celebrate the simple joy that is found in a heart full of grace

Finding Your Way Back to God Dave Ferguson, Jon Ferguson, 2016-03-01 God if you re real make yourself real to me Each of us spends our lives on a journey toward God Yet often our most deeply felt longings for meaning for love for significance end up leading us away from instead of toward our Creator and the person he made us to be *Finding Your Way Back to God* shows you how to understand and listen to your longings in a whole new way It s about waking up to who you really are and daring to believe that God wants to be found even more than you want to find him It s about making the biggest wager of your life as you ask God to make himself known to you And it s about watching what happens next **Finding Our Way** Jeff Lockyer, 2021-09-15 What if the way the Church is doing church is the very reason the world is seeing less of Jesus in it every day Beginning with the biblical basics Jeff Lockyer walks readers through the underlying theology and practical application of how Southridge Community Church has approached ministry for nearly a quarter century While providing a fresh approach to ministry the book stimulates how to think not what to think It s written by a local church practitioner for local church practitioners By providing clarity to the confused it helps church leaders find their way By providing practical examples delivered uniquely in multiple church contexts it supports leaders in finding their own way And most of all by re framing the operation of the church around fostering full devotion instead of facilitating consumerism it enables leaders of local churches to reclaim the lifestyle of Jesus among its people It supports churches and leaders to find their Way the Way of Jesus *Spiritual Exercises for Married Couples: Finding Our Way Together: a Retreat for Companions* Krisztina

Stangle, John Stangle, 2010-07-27 A spiritual and psychological method of decision making and discernment about life styles based upon the centuries old Christian Spiritual Exercises of St Ignatius of Loyola updated and made more relevant for married couples and companions **Birthing Kingdom Destiny** Monica Miller-Ruhl, 2011-08-19 BIRTHING KINGDOM DESTINY reveals Why intimacy with God is important Becoming compatible with God s ways Reaching spiritual maturity Bringing heaven to earth *God and the Between* William Desmond, 2008-04-15 An original work which rethinks the question of God in a constructive spirit drawing its conclusions by considering ideas received from both philosophy and

religion Makes an important new contribution to the ongoing scholarly debates surrounding the intersection of philosophy and religion Suggests that this junction is not just dictated by religion having to prove its credentials to rational philosophy but that it is also a matter of philosophy wondering if religion is the ultimate partner in dialogue Includes discussion of a wide range of significant thinkers both traditional and contemporary such as Plotinus Spinoza Kant Hegel and Nietzsche and his successors Completes a trilogy of works by William Desmond complementing its companion volumes *Being and the Between* and *Ethics and the Between* *I Saw Jesus* Mary Fernando, 2015-11-06 Based on a detailed study of the cultural background of the time and place in which Jesus lived this book brings to life the meetings of different biblical characters with Jesus including their responses to these encounters This book is a strong invitation to the faith filled reader to a prayerful empathy with the narrators themselves and with Jesus himself *What is Emmaus?* Stephen D. Bryant, 1995 This 40 page booklet contains information about what happens during an Emmaus weekend what participants should expect and how Emmaus can help congregations It answers the most frequently asked questions about Emmaus the Emmaus community and Emmaus follow up groups reunion groups A great resource for those considering attending an Emmaus weekend retreat
