didn't see Tori needs to prove to her dad that she's committed to staying in our small town and taking over his medical practice. What better way to do that than getting hitched here? It would benefit me too. After all, proving to my brothers that I was committed to running the family business had become a struggle. So I agreed to a fake engagement of sorts. And now I'm in trouble. Big trouble. Wild Hearts. I just found out I have a teenage daughter. I'm ready to do anything for her now that I have custody. But I need help. And under normal circumstances, I'm sure her social worker would be happy to provide it. Except her social worker is my first love. The one whose heart I shattered when I left our small town all those years ago. Wild Desire. All I needed was some time to recover from the injury that sidelined my pro sports career and figure out my next move. I thought I'd get that in my small hometown. I was wrong. See, my family thought I needed a personal assistant. And they hired my old high school friend for the job. The friend I haven't stopped thinking about not once since that kiss. *Love Me Like You Do* Lea Coll, 2023-06-13. Don't sleep with your best friend. When my best friend asked me to be his fake girlfriend in order to pursue custody of his daughter, I didn't hesitate to help out. Living together, sharing his bed and waking up in his arms quickly rekindled the long forgotten childhood crush I once had on him. Only Harrison isn't a child anymore and neither am I. I can't ignore his charm, the way I feel in his arms or how amazing he is with his daughter. The attraction is undeniable and so are the feelings that are growing faster than I can acknowledge them. We pretend to be the perfect family to keep up appearances. Town festivals, family gatherings and mundane every day tasks take on a whole new meaning. I remind myself daily that our relationship isn't real until he proposes with his grandmother's ring. Harrison is determined to prove to me that the fairy tales are real, but I know from experience happy ever afters don't exist. How long before this happy ever after falls apart and I'm left searching for my glass slipper. *Only with You* Lea Coll, 2020-06-30. Can I risk my future for a widower with a tool belt, a body to die for and a heart that's completely off limits? First, I turned down a marriage proposal, then I moved to Annapolis to open a law firm. I thought my world couldn't change any more. Until Cade stepped into my office smelling of sawdust with his company's T-shirt stretched taut over his chest and biceps. Everything about him was sexy as sin and completely off limits. But I can't risk the business I sunk my savings into by dating a client and he won't risk his heart. The more we spend time together, the more I want him. Even if a relationship between us was possible, how can he give me all of him? Praise for *Only with You*. This is a beautifully written book of 2nd chances, beating the odds and finding who you are and what your place in the world is. World of Books 65. Lea Coll delivers a spellbinding story that will leave you breathless. The ups and downs, the sizzle and passion, the intense raw emotions. It has absolutely everything you need for a brilliant story. Southern Vixens Book Obsessions. I was captivated from the first page and there was no putting down until I had read the final line. Jackie MI Bookshelf. I LOVE LEA COLL. I was so excited about this new series and I was not disappointed. *Only with You* is such an amazing story.
